# India's Global Partner

With a heritage rooted in international banking since 1864, SBI continues to support India's expanding global influence. We serve as a trusted financial partner to Indian enterprises and individuals abroad while deepening our engagement with local markets.

## Expanding Reach, Deepening Connections

As the country's largest bank, SBI remains committed to expanding its presence across India, particularly in underserved and rural regions. We continue to strengthen our branch network and ATM coverage to ensure seamless accessibility for every customer. Complementing our physical expansion, we are leading India's digital banking transformation through a robust multichannel delivery model that includes digital, mobile, ATM, internet, social media, and branch services. Our flagship mobile app, YONO, extends beyond banking to offer a comprehensive suite of investment, insurance, and shopping solutions, enabling customers to transact and engage anytime, anywhere.

## Building a Global Banking Footprint

Our International Banking Group (IBG) steers overseas operations, supporting global Indian corporates, the diaspora, and developing local businesses to strengthen our position as a truly international bank. Our foreign operations offer end-to-end retail, corporate, trade finance, and investment services, backed by five central treasuries. Despite global challenges, IBG sustains profitable growth through risk-balanced strategies, cost-efficient liability management, digital innovation, and deeper relationship-driven business expansion.

# Bank of Choice Yesterday, Today and Tomorrow

## Dear Shareholders,

With a 52 Crore customer base and growing, your Bank is committed to offering excellence in customer experience. Hence, the importance of customer centricity and long-term relationships cannot be overstated.

## ECONOMIC OVERVIEW

Global growth is likely to face significant headwinds going ahead emanating from overlapping factors of trade-related tariff barriers, rapid currency swings and fractured capital/investment flows. Factoring in the impact of trade wars, global GDP may see a downside of 30-50 bps in 2025 in a baseline scenario. In the foreseeable future, global economic activity looks poised to be further impacted by trade tensions and policy uncertainties.

Notwithstanding myriad global challenges and spillovers of exogenous shocks, the Indian economy continues to display maturity and resilience. NSO's Second Advance estimates (AEs) put real Gross Domestic Product (GDP) growth at

6.5% for FY2025, anchored by Govt's continued thrust on capital expenditure. The strategy has been pivotal towards crowding in private investments. States have also been collaborating towards creating world-class infrastructure across physical, social and digital spheres. Credit growth remains in double digits despite some moderation on account of shift away from unsecured assets. Moving ahead, healthier Corporate and bank balance sheets will strive to ringfence the economy from the perils of global upheavals and periodic bouts of volatility. GDP growth is forecasted at 6.5% (RBI Projections) in FY2026 though some moderation may be seen due to the adverse impacts on

trade front. However, robust domestic consumption and investments supported by fiscal and monetary policies coupled with lower inflation should mitigate such headwinds. Inflation has moderated below 4% and has been reported to be at 3.16% as at the end of April 2025.

## YOUR BANK'S PERFORMANCE

FY2025 has been stellar year for the Bank reflecting Consistency, Productivity and Resilience, the pillars of our excellence. Your Bank has remained steadfast in its mission to deliver dependable financial solutions, optimised its resources, embraced digital innovation and remained agile and adaptive in the wake of global volatility. Your Bank's business continued to grow at a robust pace in FY2025. The balance sheet size of your Bank has crossed ₹66 Lakh Crore as at the end of March 2025. The market share of your Bank is 22.54% in Deposits and 19.36% in Advances.

### Advances Growth

Your Bank's advances grew by 12.03% to ₹42.21 Lakh Crore in FY2025. Domestic credit grew by 11.56% to ₹36.02 Lakh Crore and the foreign offices loan portfolio grew by 14.84% to ₹6.19 Lakh Crore. The domestic CD ratio has improved to 69.71% in FY2025, compared to 68.34% in FY2024. The domestic retail advances have crossed ₹15 Lakh Crore mark in the FY2025, standing at ₹15.06 Lakh Crore, constituting 41.8% of the domestic advances of your Bank. On a sectoral basis, Home Loans hold a share of 55.1%, growing by 14.46% with a portfolio of ₹8.31 Lakh Crore in FY2025. Auto loans grew by 9.06% to ₹1.27 Lakh Crore. As on March 2025, your Bank's market share in home loans and Auto loans stood at 27.3% and 20.2% respectively. Personal gold loans grew at a robust pace of 53.05% to ₹50,011 Crore, while Xpress credit loans grew by 0.49% to ₹3.50 Lakh Crore.

It gives me immense pleasure to bring to your attention that your Bank's SME portfolio has now crossed ₹5 Lakh Crore mark, growing by 16.86% and is ₹5.06 Lakh Crore as on March 2025. Agri Advances too grew robustly by 14.29% touching ₹3.49 Lakh Crore. The Corporate loan portfolio grew by 9.0% to ₹12.41 Lakh Crore.

### Investment

Your Bank's total investment book increased to ₹16.94 Lakh Crore, of which 95.62% are domestic investments. Within the domestic investment portfolio, 74.85% is in HTM category and 13.75% in AFS category. The yield on investment increased to 7.21% in FY2025 from 7.0% in FY2024.

### Profitability

Your Bank continued its stellar performance, and the standalone operating profit crossed ₹1 Lakh Crore to touch ₹1.11 Lakh Crore in FY2025, with YoY growth of 17.89%. Standalone net profit grew by 16.08% to ₹70,901 Crore, as against last year's net profit of ₹61,077 Crore. Your Bank has registered significant improvement on the asset quality front, provision coverage ratio, RoA, and NII in FY2025.

The Net Interest Income (NII) of your Bank grew by 4.43% to ₹1.67 Lakh Crore in FY2025 (₹1.60 Lakh Crore in FY2024). The cost-to-income ratio improved to 51.64% in FY2025 from 55.66% in FY2024. Return on Assets (RoA) increased to 1.10% in FY2025, against 1.04% for FY2024, signalling that the journey towards guidance of RoA of 1%+ has been on track with continuous improvement in RoA. Return on Equity (RoE) declined marginally to 19.87% for FY2025 against 20.32% during FY2024.

### Capital

The capital ratios of your Bank continued to improve during the financial year on the back of better planning, ploughing back of profits and efficient risk management of the banking business. The credit risk weighted assets as a ratio of gross advances improved by 107 bps to 58.07% in March 2025, thereby improving the overall capital adequacy. Your Bank registered highest ever CET 1 ratio at 10.81%, improving by 45 bps during the year. The overall Capital Adequacy Ratio (CAR), as at the end of March 2025, stands at 14.25%, well above the minimum regulatory requirement. With another year of record profits in FY2025, the capital position of your Bank remains comfortable to tap future growth opportunities.

## Dividend

I am happy to announce that the Board of Directors of your Bank has declared a dividend of ₹15.90 per equity share for the financial year ended March 31, 2025.

**₹15.90/per equity share**

Dividend for FY2025

## Asset Quality

The sustained focus to contain risk, well supported by recovery in economic growth and private consumption, kept the asset quality robust in FY2025. ## Customer Experience and Centricity

Your Bank is committed to enhancing Customer Experience and is adopting new tools and techniques to measure the level of customer experience and satisfaction at various touch points. To measure customer satisfaction and loyalty on a real time basis, your Bank implemented the Customer Satisfaction Score (CSAT), Net Promoter Score (NPS) and Customer Effort Score (CES) for customers for transactions done through its Branch channel (SMS mode), BC/CSP channel and Digital channels.

Your bank's multichannel delivery model — digital, mobile, ATM, internet, contact centre, BC outlets and branches, offers customers a wide range of choices to carry out transactions, at any time and any place, for a unique customer experience. Your Bank operates India's largest ATM networks, with 63,791 ATMs, including 13,366 Automated Deposit cum Withdrawal Machines (ADWMs) as of March 31, 2025. With 29% market share

in ATMs and ADWMs installed, your Bank handles ~34% of the country's total cash dispensed while processing more than 1 Crore transactions daily.

As of March 31, 2025, your Bank serves over 3 Million NRI customers across the globe, offering dedicated services through 434 Specialised NRI Branches in India, foreign offices in 29 countries, and 223 Global Correspondent Banks. Additionally, your Bank has tie-ups with 45 Exchange Houses and 5 Middle Eastern Banks to facilitate remittances. The Global NRI Centres in Ernakulam and Patiala provide a one-stop solution for NRI customers' non-financial transactions.

## Technology and Innovation

Cutting edge and next-gen technology, aimed at providing responsible, secured and convenient products and services, remains the core of your Bank's host of innovative and interwoven strategies. This helps your Bank to remain ahead of the curve as the Banker to every Indian.

Your Bank is constantly moving the needle up by integrating proven stacks of technological infrastructure with futuristic domains of new age technologies. Your Bank is now harnessing the latest technology, like Gen AI, Predictive AI/ML, Big Data, Large Language Model (LLM), etc to offer appropriate next-gen banking and financial solutions for everchanging customer preferences. Your Bank is proactively deploying robust technology as an enabler in adopting better and prudent practices across credit underwriting, treasury operations, risk management, overseas business, ALM management etc. The Bank's share of alternate channels has increased to 98.20% as on the end of March 2025. Tie-ups with start-ups and fin-tech enterprises accelerate your Bank's agility and resilience while helping to tap sunrise domains effectively.

To align with the evolving digital ecosystem and the Government's vision, your Bank, being one of the major bankers for the GoI, is actively developing customised

technology solutions, facilitating online service transition, enhancing efficiency and transparency. This has resulted in better ease of doing business and overall improved quality of life for citizens across transformative schemes like PM Kisan Samman Nidhi Yojana, DBT transfers, CBDT, pension payments and multiple small savings schemes to name a few.

Bank's digital banking app YONO has completed eight years long journey since its launch in 2017. Over the years, YONO has evolved into a comprehensive platform for banking, financial, and lifestyle needs. With 8.8 Crore registered users and a 4.2 app rating, YONO underwent 164 feature enhancements in FY2025 such as Jan Nivesh, International Fund Transfer, UPI QR Cash withdrawal, Rupay Credit Card linking among others.

### Financial Inclusion

Your Bank remains committed to deepening financial inclusion through its extensive network of Business Correspondents (BCs) and Customer Service Points (CSPs), ensuring last-mile access to essential financial services — transactions, savings, credit, insurance and pensions, etc.

The BC Channel acts as a vital link, offering equal banking access regardless of socioeconomic background. It has facilitated over 151 Million PMJDY accounts with deposits of ~₹660 billion and processes ~3.2 Million transactions daily.

Functioning as 'mini branches' with ATM facilities, CSPs offer 33 products and services, including PMJDY account opening, cash/fund transfers, and doorstep banking with flexible hours.

at non-home branches

from ₹25,000 to ₹10 Lakh for enhanced customer convenience while also introducing a nomination status enquiry through the Contact Centre via IVR. Your Bank has enabled digital reactivation of inoperative accounts through re-KYC, available at non-home branches.

Your Bank has increased claim settlement limits for deceased depositors' heirs from ₹5 Lakh to ₹15 Lakh, including claims based on un-probated will.

Your Bank is the first Public Sector Bank to offer dedicated wealth management services, catering to affluent customers through a wide range of investment products (MF/Insurance/PMS/Bonds and AIFs, etc), duly aligned with individual risk profiles. Backed by 1,068 Relationship Managers and a tiered RM structure, SBI Wealth ensures personalised service through 247 wealth hubs across 107 centres. The value proposition includes flexible delivery channels, open architecture, and research-backed advisory services.

Your bank has launched SBI EV-Mitra, financing EV charging infra, tying up with marquee enterprises, as also start-ups in this promising and sustainable endeavour. Your Bank has undertaken Surya Shakti solar finance initiative, the special product for financing solar projects (captive use), with extended repayment tenure of 10 years, offering concessions for youth and women entrepreneurs, apart from financing Biofuels/Biogas and solar vendors related projects.

Your Bank has launched SBI Asmita in line with Gol initiative to support women entrepreneurs, with loan amounts ranging from ₹10 Lakh to ₹5 Crore.

## Human resource & Skill development

Continuously investing in human capital is critical for achieving consistency in performance, employee productivity and overall resilience. Bank has retained its focus on human capital and employee training in FY2025 with an objective to impart new generation skills and create a robust talent pipeline. Further the Bank is steering its HR policy towards integrating skills with performance assessment, learning, career progression, and succession planning. During FY2025, Bank conducted a comprehensive skill development programme, Abhivridhi – Grooming Leadership and Rebuilding State Bank Culture, for mid-management officials including Regional Managers, AGMs, and Branch Heads.

## Corporate Social Responsibility

Your Bank pioneered corporate social responsibility as 'Innovative Banking' nearly five decades ago, establishing a legacy of empowering marginalised communities. Today, this commitment continues through strategic Corporate Social Responsibility (CSR) initiatives that balance economic growth with environmental stewardship and social progress, directly supporting national development goals.

Through both direct implementation and the SBI Foundation, your Bank executes high-impact, scalable projects across India. The Foundation's innovative approach leverages strategic partnerships to maximise social value creation.

For FY2025, an amount of ₹610.77 Crore has been allocated for undertaking CSR activities by your Bank. Your Bank has undertaken 339 CSR initiatives in 94 Aspirational Districts during FY2025 with SBI Foundation funding 180 projects, valued at ₹485.83 Crore during FY2025 under the CSR programme.

To improve operational efficiency, we are streamlining processes using automation and data-driven decision-making.

## WAY FORWARD

As India's largest bank, our strategic focus is on improving operational efficiency, enhancing customer experience, sustaining market leadership, strengthening human resource capabilities, supporting risk-adjusted growth, and improving profitability.

To improve operational efficiency, we are streamlining processes using automation and data-driven decision-making. Routine tasks are being digitised to reduce manual effort, while centralised systems are enabling faster and more consistent operations across branches. By analyzing workflow patterns and eliminating redundancies, we aim to reduce turnaround times, lower costs, and increase overall service reliability. These changes support a more scalable and responsive operational model suited to a large, diverse customer base.

Customer experience remains central to our growth strategy. By simplifying onboarding, enabling vernacular voice banking, and ensuring 24/7 digital support, we aim to deliver a seamless and inclusive experience across geographies, particularly for emerging segments in rural and semi-urban areas. Further, we are building omni-channel engagement models, supported by hyper-personalised offerings powered by AI.

Maintaining our market leadership requires proactive adaptation. We are forming strategic partnerships with fintechs, agritechs, and government-backed digital platforms to build a broader ecosystem. Simultaneously, we are deepening our footprint in high-potential micro-markets while modernising our brand to better resonate with digital-first generations and underserved entrepreneurs. These steps support both customer acquisition and deeper engagement.

To strengthen human resource capabilities, we are implementing structured skill development programmes aligned with evolving functional and technological requirements. Training initiatives are focused on enhancing analytical reasoning, digital literacy, and decision-making proficiency across roles. Continuous learning platforms are being introduced to facilitate upskilling at scale, while performance data is used to tailor learning paths to individual needs. These efforts aim to build a workforce that is adaptable, future-ready, and equipped to support complex banking operations in a dynamic environment

To achieve sustainable, risk-adjusted growth, we are leveraging advanced analytics for credit underwriting, portfolio monitoring, and early warning detection. Our sector-specific risk frameworks are designed to strengthen asset quality and support responsible lending in priority areas including MSMEs and infrastructure.

Lastly, we are committed to improving our profitability profile through disciplined cost management, optimising our asset mix, and expanding fee-based income streams. With strong CASA growth, digital cross-sell capabilities, and margin-sensitive asset allocation, we are building a scalable model for sustainable returns.

Together, these strategic levers position us not just as India's largest bank, but as its most forward-looking—balancing trust, scale, and innovation to deliver long-term value for customers and investors alike.

Yours sincerely,

**Challa Sreenivasulu Setty**

# Banking on Sustainability

We believe that true progress is measured not only in financial growth but also in environmental responsibility. SBI actively integrates sustainability into its business practices, supporting green initiatives, renewable energy and eco-conscious development for a healthier planet.

The Bank targets a 7.5% green portfolio by 2030, backed by \$3.07 billion secured from DFIs and MDBs, \$ 1 billion raised for small farmers, \$1050 Million through green bonds, and ₹128.31 Crore raised through Green Deposits for EV loans. Strengthened ESG frameworks, expanded solar financing, and the launch of SBI-Green are driving sustainable finance initiatives.

SBI has embedded sustainability across operations with solar power plants, rainwater harvesting systems, sewage treatment plants, and energy-efficient buildings. Waste is managed through composting units, Organic Waste Converters, and vermicomposting facilities, while plastic-free zones and environmental campaigns reinforce eco-consciousness.

Advancing towards Carbon Neutrality by 2030, SBI has installed over 31 MW of solar capacity, achieved 61 IGBC-certified buildings, and 542 rainwater harvesting systems, supported by strong employee engagement through Green Clubs and ESG workshops.

# Bridging Dreams with Financial Solutions

SBI stands as a bridge for Millions of customers, connecting their aspirations with the financial tools they need to realise them. Whether for personal growth, home ownership, or business expansion, we offer a spectrum of products and services designed to help our customers thrive in an ever-changing world.

## Enhancing Customer Experience Across Channels

**Enhancing Customer Experience Across Channels**  
 SBI has consistently led initiatives to enhance customer experience, achieving 1<sup>st</sup> rank in promoting Doorstep Banking Services (DSB) across multiple campaigns. Notable advancements include the launch of an end-to-end digitised deceased claim settlement process, enabling online submission and real-time updates for claimants. In addition, SBI has introduced a centralised calling feature to engage dissatisfied customers and added 15 regional languages to the Customer Request and Complaint Form (CRCF) for improved accessibility.

# A Future-ready Workforce

As banking evolves, so do the skills and capabilities of our people. Through robust training, digital upskilling, and leadership development, we are preparing our workforce to navigate the future with confidence and clarity. Our focus remains on creating an inclusive, purpose-driven work environment that supports innovation and growth.

## Employee-centric Growth and Talent Management

Your Bank considers employees as central to achieving organisational goals. Your Bank continuously invest in human capital, strengthening our legacy through a motivated, committed, and high-performing workforce. With a skill-based talent management approach, skills are now integrated with performance assessment, learning, career progression, and succession planning. Best-in-class engagement and welfare practices have helped us maintain an attrition rate consistently below 2%. As of 31.03.2025, our workforce stood at 2,36,226 employees across Officers, Associates, and Subordinate Staff.

## Strengthening Succession and Celebrating Success

A robust talent pipeline is in place to mitigate succession risks and ensure seamless leadership transitions. A Leadership Summit focusing on Creating Employee Value has also helped refine our approach to future leadership needs. To foster a culture of appreciation, your Bank launched SBI ACE — a dedicated employee social networking platform that celebrates achievements, builds unity, and drives high performance.

## Recognising and Rewarding Excellence

Your Bank believes in celebrating contributions through financial and non-financial rewards. Performance-Linked Incentives (PLI), additional leave benefits for Chairman/MD Club members, and extra LFC entitlements for outstanding performers. SBI GEMS and SBI Applause honour employees' achievements digitally, with the inaugural Applause felicitation held in 2025 — further strengthening a culture of recognition and motivation.

# Growing Together

Your Bank's commitment goes far beyond financial services — it is deeply rooted in creating lasting impact across communities. Through focused CSR initiatives, inclusive development programmes, and partnerships that empower, your Bank continues to uplift lives, bridge inequalities, and nurture resilience at the grassroots level. Every initiative echoes a single vision: growth that's inclusive, sustainable, and people-first.

## Empowering Persons with Disabilities

SBI partnered with Artificial Limbs Manufacturing Corporation of India (ALIMCO), committing ₹10 Crore under CSR to distribute assistive devices like wheelchairs, hearing aids, and artificial limbs to approx 9,000 beneficiaries across 20 locations. On International Day of Persons with Disabilities (3<sup>rd</sup> December 2024), assistive aids were distributed at several Bank offices. The Chairman personally handed over devices at an event in Mumbai.

## Supporting Armed Forces Veterans

Reaffirming its respect for the armed forces, the Bank contributed ₹10 Crore to the Armed Forces Flag Day Fund in FY2025, supporting the education of veterans' dependent children. With this, the Bank's cumulative contribution since FY2021 stands at ₹40 Crore.

## Greening the Cauvery Basin

To support environmental sustainability, the Bank tied up with Isha Outreach to plant 9 Lakh trees across the Cauvery River basin in Tamil Nadu and Karnataka. This green initiative also aided farmers in improving income and conserving ecological balance.

## Healthcare Support with IISc, Bengaluru

SBI extended ₹3.90 Crore in FY2025 to equip the ENT wing of the new multi-speciality hospital at IISc, Bengaluru. Earlier, the Bank had contributed ₹24 Crore for building the Orthopaedic wing.

## Upgrading Rural Healthcare in Maharashtra

A ₹2.72 Crore project with Vishwanath Cancer Care Foundation upgraded the PHC in Khanu, Maharashtra. The facility now has a labour room, 10-bed ward, paediatric care, and improved mother and child services.

## Advancing Cancer Care in Andhra Pradesh

Medical equipment worth ₹1.16 Crore was provided to Sri Venkateswara Institute of Cancer Care & Advanced Research, Tirupati — part of the Tata Cancer Care Foundation for early detection and prevention of cancer.

## Rural Livelihoods through RSETIs

The Bank manages 153 RSETIs across 29 States/UTs, helping train unemployed rural youth for self-employment. In FY2025, ₹21.34 Crore in CSR funds supported construction and capacity-building in SBI-sponsored RSETIs.

# Economic Backdrop and Banking Environment

## Global Economic Scenario

Global economic landscape looked set to recoup some of the lost ground in 2025 after successive years of battling series of massive disruptions. However, the trajectory looks checkmated by near extreme trade and tariff barriers being imposed. Global growth is now likely to face significant headwinds due to overlapping factors of trade related tariff barriers, rapid currency swings and fractured capital/investment flows.

Basis the IMF World Economic Outlook (April 2025), global growth is projected to drop to 2.8% in 2025 and 3.0% in 2026—much below the historical (2000–19) average of 3.7%. The initial estimates are quite susceptible to intensifying downside risks and unanticipated shocks, especially in Advanced Economies.

Global headline inflation, mirroring the embedded fault lines, is expected to decline at a pace that is slightly slower than what was expected in January, reaching 4.3% in 2025 and 3.6% in 2026, with notable upward revisions for Advanced Economies and slight downward revisions for EMDEs in 2025.

Restrictive trade policies and fragmentation could lead to a long-term shift in global trade patterns rather than just a short-term disruption. This transition would bring upward pressures on consumer and business costs whose run over to financial domains and banking businesses can only be gauged on a real time basis going ahead. The embedded uncertainty poses threats to recovery and growth prospects as sentiments deteriorate amidst rapidly shifting policy stances. Together, the developments will have a cascading bearing on monetary policies, asset prices, investments and exchange dynamics, with incipient volatility.

## India's Economic Scenario

Notwithstanding myriad global challenges and spillovers of exogenous shocks, Indian economy continued to display unparalleled maturity and resilience, clocking growth rates well above 6%. Further, domestic growth engines, viz., consumption and investment, remain relatively less susceptible to external headwinds. The unflinching navigation of brighter prospects reinforces the belief in India's emergence as a knowledge economy where globally competitive manufacturing should thrive sans barriers.

India's GDP grew by 6.2% in Q3 FY2025 after a 7-quarter low growth of 5.6% in Q2FY2025 though the economic growth is expected to recover, supported by prudent fiscal and monetary policy measures. GDP growth is forecasted at 6.5% in FY2025 (NSO's Second Advance Estimates) though some moderation can be seen due to the adverse impacts of tariff and other related barriers on trade front.

The robust GDP growth projection remains largely anchored by Govt's thrust on capital expenditure, as also a resilient and rapidly unfolding domestic consumption and investments landscape. The strategy has been pivotal towards crowding in private investments while many states have been collaborating towards creating world class infrastructure across Physical, Social and Digital spheres. India Inc's plans to create additional capabilities, strategic policy measures across twin factors of agri and MSMEs and underlying resilience of the services sector fortify the aspirations. Negotiation on terms of trade, and strategies like FTAs (Free Trade Agreements) accentuate export competitiveness. Credit growth remains in double digit despite some moderation on account of a systemic shift away from unsecured assets. Moving ahead, healthier

corporate and bank balance sheets will strive to ringfence the economy from perils of global upheavals and periodic bouts of volatility. Robust consumption and incremental investments should fairly anchor the sojourn towards Viksit Bharat.

India's retail inflation is showing signs of considerable moderations, though vagaries of supply side disruptions, including weather related upheavals, can shake the calculations periodically. Going ahead, CPI inflation may come below 4% (core inflation in the range of 4.2% to 4.4%), paving the way for steep monetary policy easing to anchor robust growth. Crude prices are expected to remain subdued in the near foreseeable future. Macros on external fronts should remain within a comfortable bandwidth. With transmission of rate cuts spread to both deposits as also credit, banks would witness gravitational pull on NIM. However, this would be partly offset by emerging opportunities amidst rapid financialisation of masses and formalisation of the economy.

## Banking Business

The Indian commercial banking sector exhibited sustained strength during 2023-24 and H1: 2024-25. However, credit growth slowed down in H2 due to weak economic activities led by global uncertainty. During 2024-25, ASCB's credit growth (YoY) moderated to 11.0% compared to last year growth of 20.2%, on account of unfavourable base effect, which offset the positive momentum.

# 6.2%

India's GDP growth in  
Q3 FY2025

Aggregate deposit growth decelerated to 10.3% in 2024-25 from 13.5% a year ago, due to the slow growth in money supply (M3) of 9.6% (last year: 11.1%). Term deposit growth continued to outpace growth in saving deposits. Consequently, the share of term deposits in total deposits increased and CASA declined to below 40%. ASCB's incremental credit-deposit (CD) ratio increased to 86.06% as on 21 March 2025.

Banks' profitability continued to rise and the system-level Capital to Risk Weighted Assets Ratio (CRAR) stood at 16.4%, well above the regulatory minimum level. Gross NPA ratio also declined to 14-year low of 2.4% in December 2024, with improvement in asset quality across all the major sectors.

RBI has deployed a strategic mix of interventions, including open market operations (OMOs), daily variable rate repo (VRR) auctions, and dollar/rupee buy-sell swaps. These proactive measures have helped stabilise market liquidity conditions, ensuring financial resilience in an unpredictable global environment. In response to the 50-bps cut in the policy repo rate since February 2025, banks have reduced their repo-linked EBLRs by a similar magnitude while the MCLR, which has a longer reset period and is referenced to the cost of funds, may get adjusted with some lag. Transmission to deposits rates is expected in the coming quarters.

## Outlook

The domestic economy has shown considerable resilience in FY2025. The future outlook is supported by sustained demand from rural areas, an anticipated revival in urban consumption and expected recovery of fixed capital formation supported by increased government capital expenditure and expected normal monsoon. Despite the impact of global

shocks on goods exports, service exports would continue to be buoyant.

The macros in FY2026 are expected to proceed along expected lines. Inflation is expected to stay within the RBIs range for FY2026 with influence of supply side factors waning. On the policy front, both fiscal and monetary policy responses are largely anticipated. The fiscal consolidation remains credible. The RBI policy actions are also along expected lines with RBI cutting rates in February and April 2025. It is expected that subsequent cuts in policy rates are possible, depending upon the evolving situation to cushion the negative impact of global uncertainty.

Against this backdrop, your Bank's performance has improved vis-à-vis last year. The momentum from FY2024 has been sustained in FY2025 with Bank surpassing the ₹1 Lakh Crore operating profit mark. Prudent risk management, healthy internal accruals place your Bank in a comfortable position to tap routine and emerging opportunities in current financial year. With the continued demand for credit, and our comfortable CD ratio, we expect to grow in double digits in both deposits and advances with latter growing faster than deposits.

## A. Personal Banking

### Home Loans

The housing market saw robust growth across top and tier-II/III cities, driven by initiatives like PMAY 2.0. Your Bank's strategic efforts have propelled its Real Estate AUM to ₹8.31 Trillion (as of March 2025), marking a 14.46% YoY growth.

#### Key Milestones

- Home Loan Portfolio grew from ₹1 Trillion (March 2011) to ₹8.31 Trillion (March 2025)
- Home loans constitute 23.07% of total domestic advances and 35.19% of NBG advances
- ₹2.28 trillion disbursed in home and related loans (FY2025)

Your Bank remains a market leader in housing finance, driving accessibility and affordability for homebuyers.

### Journey over the Years (Home Loan Levels)

### Market Share

Your Bank has been continuously outpacing the growth curve, garnering a market share of almost 27.31% among ASCBs (Feb'25). The Home Loan market share of SBI at whole industry level is 20.30% as of Dec'2024.

### PSL Portfolio

Your Bank's Priority Sector Lending (PSL) portfolio stands at 25.95% of its total home loan portfolio.

### Asset Quality

Your Bank's constant proactive monitoring and follow up, soft reach-out calls to customers resulted in restricting gross NPA in Home loans to 0.72% as of Mar'2025.

### Initiatives

Your Bank continues to develop customised and sustainable home loan solutions, reinforcing its position as the No.1 choice of customers for Home Loans.

### Maxgain Hybrid Home Loan

- A new loan facility designed to cater to HNI customers by offering a mix of Term Loan (min. 60%) and Overdraft (max. 40%)

With these offerings, your Bank continues to enhance affordability and convenience for homebuyers.

### Loan Journey Digitalisation

Your Bank has introduced Retail Loan Management Solution (RLMS) and Vendor Verification Module (VVM) to ensure uniform underwriting standards, seamless loan delivery and end-to-end digitalisation through:

- **YONO and RAAS:** In-house digital platforms actively promoted for lead generation and market expansion. RAAS is now available on your Bank's website 'bank.sbi', enabling direct online Home Loan applications
- **E-stamping and Digital Document Execution:** Simplifies documentation for Home Loan customers, enhancing convenience
- **Insta Home Top-up Loan:** A fully digital, end-to-end product available on **YONO** for pre-selected customers

### Builder Tie-ups

Your Bank continues to drive home loan portfolio expansion and quality sourcing by actively onboarding projects under the Builder Tie-Up (BTU) initiative. This approach significantly reduced turnaround time (TAT) and customer experience.

- **18,537 RERA-approved residential projects** have been sanctioned under the BTU framework, ensuring faster processing and seamless financing for homebuyers

By leveraging strategic partnerships, your Bank reinforces its position as the preferred lender for homebuyers and developers alike.

## Auto Loans

The auto industry has been experiencing slump in sales in current year, with February 2025 recording one of the lowest sales. SUVs dominate, comprising over 55% of India's PV sales. As a market leader, your Bank strengthened dealership presence, partnered with OEMs for instant loan sanctions and introduced pre-approved car loans and Digital Document Execution for ETB customers.

To promote sustainability and protecting the environment, your Bank offers 'Green Car Loans' for EVs at concessional rates, with extended loan tenor. These initiatives drove Auto Loan growth by ₹10,557 Crore (9.06% YoY) as of 31.03.2025, with disbursements of ₹50,556 Crore and NPAs contained at 0.38%, as of 31.03.2025, through proactive monitoring and follow-ups. With all these new initiatives and enablers, your Bank could bring smile to more than 5.75 Lakh new customers by assisting them in buying their dream vehicle in first three quarters of the current FY.

## Education Loans

Your Bank remains the largest Education Loan provider in India, commanding a 32.21% market share in the loan portfolio among ASCBs as of March 2025. During the year, the Bank empowered 1,29,222 students with financial assistance totalling ₹14,722 Crore—of which 40.40% was extended to girl students.

To enhance access, quality and customer satisfaction, your Bank has undertaken several initiatives:

- **PM-Vidyalaxmi Scheme:** Enables collateral-free, guarantee-free loans for students admitted to identified Quality Higher Education Institutions (QHEIs)
- **Scholar Loan Scheme:** Extended to a broader set of top-rated institutions with relaxed norms and concessional interest rates

- **Global Ed-vantage Scheme:** Supports students pursuing education at foreign universities through customised loans with relaxed terms
- **Digital Document Execution:** Rolled out for Scholar Loans to improve borrower convenience and streamline processing

Through these focused efforts, your Bank continues to support the aspirations of India's youth and reinforce its leadership in the education finance sector.

## Personal Loans (eXC)

Furthermore, your Bank is revamping CMP to launch **CMP NextGen**, a future-ready, agile and robust solution tailored to the needs of corporates, institutions and other customers.

## Corporate Banking

### A. Corporate Accounts Group (CAG)

The Corporate Accounts Group (CAG) is a dedicated vertical of the Bank that manages high-value corporate relationships, offering specialised financial products and services. It operates through five branches located in key commercial centres: Mumbai, New Delhi and Chennai.

- **Branch Locations and Leadership:**
  - **Mumbai (2 branches), New Delhi (1), and Chennai (1):** All headed by General Managers
  - **CAG Mumbai branch** also houses a Foreign Institutional Investment Cell to support FDI, FPI, AIF, Custodians, etc.

### • Business Model:

- The CAG follows a relationship management model, with each corporate/business group assigned a dedicated Relationship Manager
- A cross-functional client service team, including skilled credit and operations staff, supports the relationship
- The focus is on delivering integrated solutions, including structured products, to make SBI the first choice for top corporates.

### Financial Institutions Branch (F.I. Branch) at Mumbai

- **Headed by a Deputy General Manager**, the F.I. Branch, formerly the Capital Markets branch, provides seamless services to financial institution clients.
- **Key Services:**
  - Intraday facilities for Stockbrokers, Mutual Funds and Insurance Companies
  - Bank Guarantees and e-FDR for margin with exchanges
  - Acts as the 'Banker to Issue' for SEBI, handling IPOs, Debt & Rights Issues and QIPs
  - Manages Settlement Accounts for exchanges such as NSE, BSE, MCX and others.

### Corporate Solutions Group (CSG)

- To cater to non-credit needs like Supply Chain Financing and Transaction Banking, **Corporate Solutions Group (CSG)** has been created within the CAG vertical.

- **As of March 31, 2024:** Total credit portfolio of ₹7.44 Lakh Crore (fund-based ₹5.46 Lakh Crore, non-fund-based ₹2.06 Lakh Crore).

### B. Treasury Operations

The Global Markets Unit (GMU) manages your Bank's domestic treasury operations, optimising fund deployment for risk-adjusted returns. Its portfolio includes SLR and Non-SLR securities, equities, mutual funds, private equity, venture capital and strategic investments. GMU also provides foreign exchange and risk management solutions.

In FY2025, global growth was uneven led by services, while manufacturing lagged, especially in Europe and Asia. U.S. growth held steady in 2024 but showed signs of softening in early 2025 amid tariff-related uncertainties. Disinflation progressed but plateaued toward year-end, prompting major central banks (except the Bank of Japan) to begin easing cycles. Geopolitical risks and shifting trade policies remained key challenges.

India's economy remained resilient, with real GDP growth rising to 6.2% YoY in Q3 FY2025, up from 5.6% in Q2, with further momentum seen in Q4.

### Rupee Markets

#### (i) Interest Rate Markets: SLR and Non-SLR Portfolio

The RBI shifted its policy stance to 'neutral' in Oct 2024 and cut rates by 25 bps in Feb 2025—its first since May 2020—as CPI inflation eased to 3.34% in March 2025. The 10-year benchmark yield declined from 7.06% to 6.58% over the year. Your Bank's strategic investments enhanced portfolio yields, income, and trading profits

despite liquidity volatility. SBI became the first Indian bank to sell CDS under revised norms and executed the first term repo deal on India's triparty bond repo platform.

#### (ii) Equity Markets

After strong FY2024 performance, equity markets corrected in H2 FY2025, with NIFTY50 posting single-digit returns due to valuation concerns, weak earnings and FPI sell-offs. Your Bank outperformed benchmarks (Nifty50 & Nifty200) through dynamic portfolio management and strong IPO participation. The focus remains on building a robust long-term portfolio and delivering alpha through tactical positions, supported by expanded research and training.

#### (iii) Private Equity/Venture Capital Fund

Your Bank actively invested in startup-focused funds and financial market infrastructure through direct equity participation in FY2025.

### Forex Markets

GMU continued to lead in USD-INR spot and forward markets and remains a key liquidity provider on platforms like CCIL Fx Clear. The Bank also actively trades

in currency futures and offers pricing via e-Forex, Fx-All and 360T. A key milestone was enabling a UPI P2M transaction in the QAR-INR pair for NPCI, supporting low-cost global payments.

**10**  
Major cities

**43**  
Satellite centres

Your Bank's Treasury Marketing Units spread across the country to help customers with their unique requirements by conducting meets, conferences, etc. with exporters, traded industry bodies and large corporate customers to understand their needs and explain foreign exchange markets and various products that are offered; your Bank also has a specialised desk to cater to institutional non-resident customers

### Derivatives

Your Bank deals in OTC and exchange-traded interest rate and currency derivatives, offering products like Rupee Interest Rate Swaps (OIS), Rupee Interest Rate Futures (IRF), Foreign Currency Interest Rate Swaps (IRS), Cross Currency Swaps (CCS), USD/INR options and more. From Nov 2024, it began offering Non-Deliverable Options (NDOs) to eligible corporates. All transactions are governed by your Bank's Derivatives Policy, which outlines customer eligibility, risk limits (e.g. Greeks, PV01) and exposure norms. Interbank risks are managed via pre-set limits, ISDA and Credit Support Agreement (CSA).

## Major Initiatives

Upgraded eTrade and eForex Platforms: Integrated with YONO, both platforms now work seamlessly together, eliminating the need to toggle between apps for forex bookings against trade contracts.

- Customers can upload underlying documents directly on eForex, removing branch visits
- Real-time visibility of derivative CEL limits and EDPMS/IDPMS MIS reports is now available online
- eForex also delivers intra-day market updates, keeping users informed
- Trade APIs enable clients to fetch transaction statuses directly via their ERP systems.
  - Simplified Remittances: Customers can now remit up to US\$250,000 under the LRS through Bank branches
  - Fx-Out Enabled on YONO App: Enhancing ease of outward forex transactions for retail users
  - ISO 9001:2015 Certification: Global Markets unit secured ISO accreditation, reinforcing its commitment to quality standards

### C. International Operations

The International Operations of your Bank are guided by the overarching principle of supporting global Indian corporates and Indian diaspora spread across geographies. In addition, your Bank has successfully shifted its focus towards increasing its share of local business by

targeting the local populace and local corporates in line with its vision to become a truly International Bank. - "One View" feature of YONO Global allows our customers abroad to view their Domestic SBI Accounts through YONO Global App, practically merging all enquiry features of Domestic YONO SBI with our Global version. More than 10500 SBI Foreign Office customers are already using this feature.

## 7. Financial Institutions Group (FIG)

FIG department, IBG facilitates in establishing linkages of the Bank with international stakeholders viz. Financial Institutions (FIs), Foreign Govt. Agencies and Developmental Financial Institutions (DFIs), etc. It also works towards establishing synergy between IBG and other business verticals of the Bank such as Corporate Accounts Group, Commercial Clients Group, Retail Banking Group and Global Markets etc.

We are having business relationship with 223 Correspondent Banks spread across 55 countries. We are also custodians of RMAs (Relationship Management

Application) established by both domestic and foreign offices. Today, we maintain more than 4200 RMA's with 860+ Banks in 118 countries.

FIG plays a vital role in contributing to the Balance Sheet of International Banking Group and acts as a pivot in managing 360-degree relationships with Financial Institutions across spectrum of business categories such as Trade Finance, Loans and Borrowings, Fund Raising, Supply Chain Financing, Forex and Remittances.

During the year 2023-24, the FIG department was enhanced to emerge as Global FIG, with the end objective to increase our Bank's product mix of offerings to Financial Institutions and be able to address client's requirements under one roof.

Global FIG is now playing a wider role by working cohesively with dedicated/ designated FI teams across the globe, with the identified SPOCs of different departments of IBG and also with SPOCs of business units of various verticals/subsidiaries of the Bank. It is aimed that the broad based/deep rooted relationships FIG has established with various Foreign Banks and Multilaterals (Financial Institutions – FIs) across the globe over the years, can be effectively leveraged for various businesses of the Bank through active collaboration of Global FIG team with various FIs under **ONE SBI** marketing approach.

## 8. International Banking – Domestic (IBD)

Your Bank is well equipped to provide a wide range of products and services to exporters and importers through an extensive branch network that operates domestically and internationally.

- International Banking-Domestic (IBD) department, IBG serves as a single point of contact between the Domestic Offices and Foreign Offices in areas related to Trade Finance

and International Banking. IBD aims at improving synergies and trade flows between Domestic Offices and Foreign Offices/ Correspondent Banks and trading community, by acting as a robust link between them.

- IBD facilitates growth of Export Credit by actively involving branches, trade bodies and other stakeholders.
- IBD facilitates growth of Export Credit by preparing strategies to improve Export Credit, conducting Exporters Meets and organising series of seminars across the country's major export-oriented centres for officials working at IB, forex, trade finance at branches.
- In a bid to facilitate the trade community, Forex Service charges are being rationalised and aligned with the market every year by IBD. IBD also facilitates IT system related enhancements and updates in Exim Enterprise/SWIFT.
- IBD is also actively involved in re-building skills of IB officials by partnering with ICC, FIEO, FICCI, CII etc. and organising Trade related workshops/ Seminars which provide good platform for networking with Exporters/ Regulators/ Industry majors in addition to coordinating and liaising with Trade bodies and ICC subgroups for developing relations and strengthening ties.
- IBD has also launched the e-BG project, which is an end-to-end digital journey for Bank Guarantees. It has been rolled out in all States and Union Territories where NeSL is facilitating e-BG.
- IBD has provided an additional channel for the Corporates, i.e., through Swift to raise the Import letter of credit request to the bank
- IBD rolled out "SWIFT GO" speedy remittance facility for our retail

customers. The facility ensures reduced TAT, competitive charges and predictability for Low value payment (up to USD 10,000) for outward/inward remittance. The service is available in USD and among SWIFT GO member banks in US and other geographies.

### 9. Technology at Overseas Offices

Technology continues to be a vital pivot, around which digital offerings are being continuously expanded and improved at our Foreign Offices & Subsidiaries. Your Bank has continued to leverage technology solutions with multi-pronged objectives to achieve improvement in Customer experience, Risk Management, Strengthening Compliance controls, Process Automation/Cost optimisation etc. Some of the highlights of initiatives undertaken at overseas offices include: -

- YONO – The Bank's flagship digital app is also made available at our Foreign Offices/Subsidiaries as YONO Global. During this year, the app roll-out has been completed at all the FOs/Subsidiaries with retail presence. In addition, the available list

of features available in the App has also been progressively expanded to include Online Account Opening, Debit Card Management, YONO Cash (Cardless Cash Withdrawal) etc. Further, the thrust area of UPI being popularised globally has been taken up as a viable business case and has been enabled for cross border payments at some of the geographies where it is currently live. The bouquet of features will continue to expand based on the emerging business requirements.

- Payment Systems across the globe are at a critical inflection point – with SWIFT industry standards being upgraded to a message-rich format in line with ISO20022 standards. Your Bank has ensured that operations across multiple geographies, wherever the industry changes are impacting payments, are seamlessly migrating to the new format of messaging. This is being achieved with a state-of-the-art payment processing hub deployed by the Bank centrally. The IT solution has been deployed keeping future

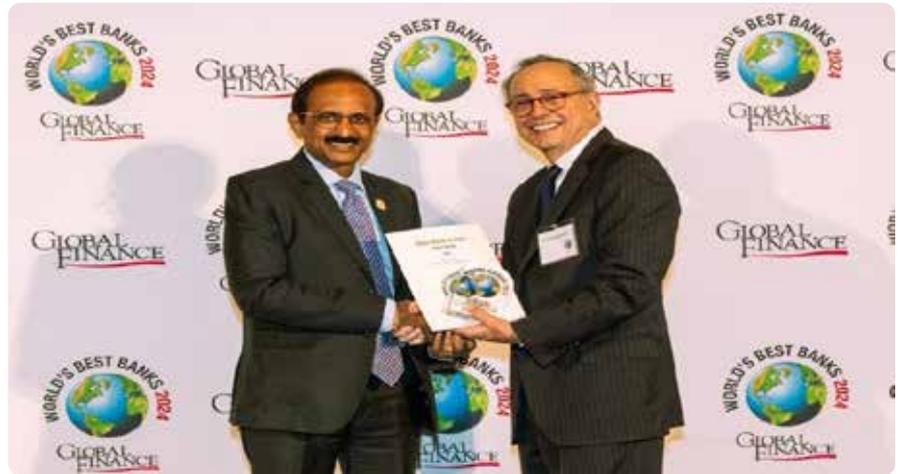

requirements in mind, wherein the forward (outward payments) and backward (incoming payments) linkages are ensured with the Bank's source systems – thus ensuring a real-time and frictionless payment experience for the customers as well as Counter parties operating within the eco-system.

- In line with our commitment to ensure a safe and secure banking experience to the customers, the central fraud monitoring solution has been further strengthened with real time scenario monitoring and enabling geo-location-based monitoring. Your Bank is fully aligned with the industry standards of IT Security/Cyber Security that are being followed, and continuous to follow best practices that include, but not limited to – continuous awareness campaigns – for customers as well as internal stakeholders, updating policies and processes to reflect current business scenarios, while embedding risk management as core part of the product/process lifecycle management.

## Project Finance and Structuring Strategic Business Unit

Your Bank's Project Finance & Structuring SBU (PF&S SBU) plays a central role in appraising, structuring, and syndicating large-ticket funding across key infrastructure (power, roads, ports, railways, airports) and non-infrastructure sectors (refineries, metals, cement, oil & gas, etc.). It also vets high-value term loan proposals across verticals and contributes to policy formulation by engaging with government bodies and the RBI.

Amidst India's strong economic outlook—projected to grow at 6.7% in FY2026 and FY2027 as per World Bank's Global Economic Prospects (GEP) report (January 2025)—the Government's focus on infrastructure is evident in its ₹11.21 Lakh Crore capital outlay for FY2026 and initiatives like the National Infrastructure Pipeline (NIP) and National Monetisation Plan (NMP). With cumulative NIP investments reaching ₹187.77 Lakh Crore and schemes like PLI promoting sectors such as semiconductors,

solar PV modules, and advanced chemistry cells, PF&S SBU is actively supporting new-age manufacturing and sustainable infrastructure.

Your Bank is also establishing a 'Centre of Excellence' for new-age sectors to drive thought leadership and innovation in areas like renewable energy, e-mobility, data centres, semiconductors, green hydrogen/ammonia, decarbonisation and smart infrastructure. Efforts for the coming year will focus on scaling renewable energy financing, building in-house expertise in emerging sectors and strengthening ESG-linked financing.

By offering end-to-end project finance solutions—including on- and off-balance sheet support—and maintaining strong government and industry ties, your Bank is poised to grow its leadership in sustainable project financing and contribute meaningfully to India's development goals for 2047 and net-zero vision for 2070.

## Stressed Assets Management

Stressed Assets Resolution Group (SARG) ranks among the most significant verticals of your Bank. Resolution of Stressed Assets by SARG presents the following latent income generating avenues for your Bank:

- Cash recovery in NPA and Technically written-off accounts (AUCA)
- Reduction in Loan Loss Provisions
- Contribution to your Bank's bottom line
- Unlocking the lendable funds for credit growth

The movement of NPAs in the Bank and recovery in written-off accounts during the last six financial years:

(₹ in Crore)

Particulars	FY2020	FY2021	FY2022	FY2023	FY2024	FY2025
Gross NPA	1,49,092	1,26,389	1,12,023	90,928	84,276	76,880
Gross NPA%	6.15%	4.98%	3.97%	2.78%	2.24%	1.82%
Net NPA	51,871	36,810	27,966	21,467	21,051	19,667
Net NPA%	2.23%	1.50%	1.02%	0.67%	0.57%	0.47%
Fresh Slippages + Increase in O/s	54,510	29,332	26,776	19,224	20,982	22,124
Cash Recoveries / Up-gradations	25,781	17,632	21,437	16,259	11,472	9,211
Write-Offs	52,387	34,403	19,705	24,061	16,161	20,309
Recoveries in AUCA	9,250	10,297	7,782	7,085	6,934	8,002
PCR	83.62%	87.75%	90.20%	91.91%	91.89%	92.08%

Consistent recovery efforts have led to a significant decrease in the current level of NPA over the years viz.,

- Insolvency and Bankruptcy Code (IBC) 2016 for resolution of stressed assets has provided Bank with a time-bound, transparent and effective mechanism to tackle Stressed Assets. Resolution has been achieved in some of the high-value NPA accounts referred to the NCLT under the Code. The cases referred to NCLT are also monitored by specialised teams at SARG. A total of 1,208 cases (Whole Bank) were referred to the NCLT as on March 31,, 2025 out of which 983 cases have been admitted. In 272 cases resolution plan has been approved and 524 cases liquidation ordered by NCLT.
- One time Compromise Settlement is also offered to all eligible cases to recover sticky loans. Bank's Board-approved OTS Scheme, which is non-

discretionary and non-discriminatory, is also offered from time to time to eligible borrowers for recovery/ resolution of bad debts.

- Prudential Framework for Resolution of high-value Stressed Assets by RBI has provided an avenue for time-bound resolution of these accounts (outside the NCLT process). Your Bank is exploring this option in all the eligible cases.
- A team has been set up to look after the sale of assets to NARCL/ARCs on a Cash and/or Security Receipts (SR) basis.
- In non-NCLT cases, recovery is explored through action under the SARFAESI Act and suit filing in DRTs and Courts. The sale of mortgaged properties is explored through a common e-Auction platform <https://baanknet.com> (Bank Asset Auction Network).

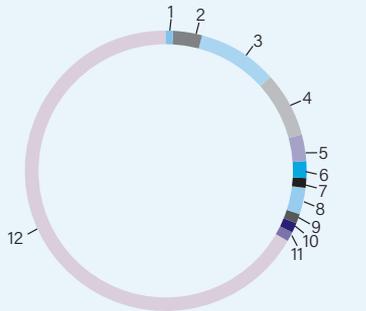

- For small ticket loans resolution is undertaken through Rinn Samadhan scheme and mediation through Lok-Adalats.

### Sector Specific Targeted Approach:

SARG focuses on prioritising the resolution of NPAs through a Sector-specific approach. Presently, SARG is headed by Deputy Managing Director, supported by Chief General Managers overseeing the Sector-wise portfolio and retail NPA portfolio across SARG branches.

With constitution of Four (4) SAM Regional Offices (SAMROs) at Hyderabad, Kolkata, Mumbai & New Delhi on 1<sup>st</sup> August, 2022, SARG covers the entire geographical area of the country. 15 Stressed Assets Management Branches (SAMBs) and 46 Stressed Assets Recovery Branches (SARBs) across the country are handling 41.37% of Bank's NPAs and 84.54% of AUC Accounts of your Bank.

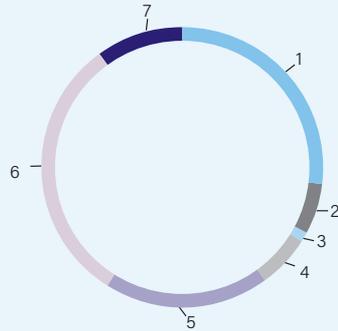

### Industry-wise Distribution of the NPA Portfolio (31.03.2025):

1	Power	1%
2	Telecom	3%
3	Trading	9%
4	Roads & Ports	7%
5	Infrastructure (Others)	3%
6	Engineering	2%
7	Iron & Steel	1%
8	Textiles	3%
9	CRE/Real Estate	1%
10	Automobiles/Transport	1%
11	Metals & Mines	1%
12	Others	68%

Major NPA accounts are from sectors like Power, Telecom, Trading, Roads & Ports, Infrastructure (Others), etc. Apart from the above, remaining portion of gross NPA is from AGRI/PER/MSMEs. The GNPA's from Agri Segment & Personal Segment (38% & 14% of Total GNPA's respectively) also form part of Others in the pie chart shown above.

### Recovery (NPA+AUCA) made through Various Modes and Percentage Share in Total Recovery (31.03.2025):

1	Compromise	27%
2	SARFAESI	6%
3	DRT	1%
4	Sale to ARC	6%
5	NCLT	19%
6	Normal Recovery	31%
7	Misc. Recovery	10%

### Innovation for Resolution of Stressed Assets

Resolution under IBC is a market-oriented mechanism where competing bidders for a particular Stressed Corporate Debtor strive to bring better valuation and higher recovery.

The transfer of eligible assets to NARCL/ARC is also being monitored by SARG and the requisite enablers are in place to ensure smooth migration of identified assets.

Robust IT initiatives have been rolled out, including LITMAS (Litigation Management System), to monitor legal recourse undertaken in the Stressed Accounts for expediting resolution. It will further strengthen the transparency and efficiency of the process. Wilful Defaulter Management System (WDMS) Application has also been developed for digitalisation of Wilful Default examination process for better monitoring and achieving operational excellence.

RACPCs/RACCs/CPCs opened during FY2025

### 1. Accessibility to Divyangjans

- 92% of the branches have been made accessible to Divyangjans as on 31.03.2025. Out of this, 87.86% of the branches are accessible through ramp, whereas 4.15% of the branches have been made accessible through alternate solutions such as portable ramp, provision of services on the ground floor as well as space at ATM.
- Provisioning of wheelchair especially, at branches with registered Divyangjan customers was ensured. Approximately 4,753 branches are having wheelchair facility, covering about 21% of total number of branches.
- Doorstep Banking Services with three free transactions in a month as an additional measure for Divyangjans.

### 2. Installation of Queue Management System (QMS) in High Footfall Branches

- To enhance branch experience for customers, Queue Management System (QMS) is being implemented at approx. 10,000 branches, mainly covering Metro, Urban and Semi-Urban branches, under IBA's Enhanced Access and Service Excellence (EASE - 7.0) for effective crowd management and to decongest the branches.
- The functionality to have omni-channels (QR Code, web browser, YONO, etc.) for token generation to reduce the sudden inflow of

customers. Other features include prior appointment and preferred branch selection, visibility of expected wait time, alert and notification, multilingual interface, etc.

### 3. Facelifting of Identified Branches

- Facelifting of High Court branches undertaken with focus on providing infrastructure and ambience, coordinated with the Bank's Uniform Layout guidance; virtual inauguration successfully done by the Chairman on Bank Day (01.07.2024)
- The Bank has initiated facelifting of Heritage Building branches under Gol's Panch Pran Goals, with the intent to celebrate the country's heritage; the project will be completed in a phased manner involving the development of Heritage Gallery and illumination of outer façade/s of the heritage branches - pilot facelifting undertaken for Nagpur Main branch (a Heritage Branch building)

### 4. I-DSS (Intranet-based Digital Solution System)

- Display mandatory disclosures in bilingual/trilingual formats across branches pan-India, with enhanced visibility
- Ensures centralised broadcast of mandatory and other approved static and dynamic content, including interest and forex rates, public awareness content, your Bank's products and services, important announcements, etc.
- Rates are displayed in vernacular/regional language along with Hindi and English
- System is centrally controlled and monitored by RNWN Department, CC, to ensure uniformity

## 5. Process Change

- Your Bank has now fully migrated to image-based second scrutiny process at Liability Centralised Processing Cells (LCPC) for individual and non-individual accounts for new and existing customers
- Process has led to reduced TAT (Turn Around Time) to less than one day for account activation as compared to physical documents-based approval by LCPC

## 6. Document Digitisation

- New workflow launched to digitise documents obtained from customers, post account opening and migration of Account Opening Forms (AOF)
- Facility allows to digitise eight types of documents; branches can directly upload documents for storage and future retrieval

## 7. Process Automation

- New, automated process flow launched to mark undelivered welcome letters in CBS eliminating the need for manual intervention by branches, ensuring compliance and reducing workflow
- In the 2<sup>nd</sup> phase, for Current Account opening, your Bank is working on automation of the debit freeze marking when welcome letter is returned undelivered, as also its removal post compliance

## 8. Video KYC-based Account Opening and Re-KYC

Video KYC-based customer identification facility has been extended for customers in the following segments:

- Savings Bank accounts for Corporate Salary Package (CSP)
- Current Account for Proprietorship Firm/s
- KYC updation

## 9. Digitally Printed AOFs for Account Opening

- Project initiated by your Bank to enable account opening using digitally generated AOF, eliminate manual Account Opening Forms (AOFs) and standardise the account opening process
- All customers can initiate account opening journey at their end/s, generate reference number to print AOF and open accounts via the captured data; the new process aims to eliminate manual errors in handwritten AOFs, data inconsistencies, etc.

## 10. SBI DIGI Vault

- Digital management solution for storage and retrieval of customer documents in digitised format; the app facilitates scanned documents upload relating to loan accounts under various document categories
- AOFs, HL and SME documents integrated with DIGI Vault to provide document access to Internal Auditors for RFIA and branch functionaries on 'need-to-know' basis
- DIGI Vault app used by IAD for off-site audits of LCPCs/RACPCs/RASMECs

## 11. Title Deed Maintenance and Tracking System (TDMTS)

Title Deed Maintenance and Tracking System (TDMTS) app is developed to

- track movement of Title Deeds whenever those are retrieved
- record/mark-off Title Deed delivery upon account closure/security release
- centralised MIS on Title Deeds' availability and delivery

## Human Resources and Training

### Employee-centric Growth and Talent Management

Your Bank firmly believes that its employees are pivotal to achieving both current and future organisational goals. By continuously investing in its human capital, the Bank strengthens its legacy of consistent growth through a motivated, committed and high-performing workforce. It remains focused on enhancing the Employee Value Proposition by aligning strategies with evolving aspirations, promoting transparency, and fostering a participative work culture. Moving towards a skill-based talent management approach, your Bank is integrating skills with performance assessment, learning, career progression, and succession planning. As a result of its best-in-class engagement and welfare practices, the Bank has consistently maintained an attrition rate below 2% annually.

Summarised HR profile of your Bank as on 31.03.2025:

## People Engagement and Productivity Enhancement Initiatives

### Leadership Development

Your Bank conducted a comprehensive skill development programme, Abhivridhi – Grooming Leadership and Rebuilding State Bank Culture, for mid-management officials including Regional Managers, AGMs, and Branch Heads. Held at SBIL, Kolkata and SBSC, Hyderabad, the programme focused on enhancing leadership and corporate culture skills such as time management, strategic delegation, communication, risk and compliance, and ethical decision-making. Given the pivotal role of these officials in driving performance and culture, a 360-degree feedback mechanism was used to assess the programme's impact. The insights gained will inform future initiatives to ensure sustained leadership development and foster a culture of excellence across the organisation.

### Employee Engagement

In 2023, your Bank launched its first Employee Engagement Survey, Abhyuday, gathering insights across all levels to identify strengths and improvement areas. Based on the findings, several strategic initiatives were introduced, including the Employee Happiness Survey, LEAP, Abhivridhi, Employee Contribution Score Dashboard, Team KRA Implementation, Super SBI and SBI ACE.

To deepen this effort, Abhyuday 2.0 was introduced with a sharper, theme-based focus on Consistency, Productivity, and Resilience. The upgraded survey features targeted questions on leadership effectiveness, women empowerment, and associates' aspirations, offering richer insights. With a transparent and inclusive structure, Abhyuday 2.0 reflects your Bank's commitment to continuous engagement and a future-ready, motivated workforce.

### Workforce Optimisation

Your Bank conducts an annual manpower planning exercise to ensure optimal staffing across its network. At the branch level, requirements are assessed using the approved Branch Manpower Model, which factors in both financial and non-financial transactions, account volumes, and productivity metrics.

To enhance efficiency, Project LEAD was undertaken to rationalise roles at administrative offices by merging, redesigning or discontinuing functions, allowing redeployment of staff to revenue-generating roles. Additionally, your Bank successfully manages large-scale promotions and transfers—comparable to

the total workforce of major companies—each year in Q1, ensuring operational stability and enabling focused business efforts throughout the year.

### Succession Planning

Your Bank has a robust talent pipeline in place to ensure seamless succession for senior leadership roles, effectively mitigating succession risks and supporting business continuity. A Leadership Summit was also conducted with a key focus on Creating Employee Value, exploring the evolving talent landscape in banking and identifying proactive steps to maintain leadership in the sector. Several actionable have emerged and your bank has already started working to make these initiatives a reality.

### SBI ACE – A Social Networking Platform for Employees

Launched on 26<sup>th</sup> January 2025, SBI ACE empowers employees to celebrate achievements and milestones, creating a culture of appreciation and shared success. This dynamic platform goes beyond traditional recognition—it's a movement that motivates teams, drives engagement and reinforces a high-performance workplace. By valuing every contribution, your Bank cultivates unity, excellence, and sustained growth.

### Recognition and Rewards

- **Financial Rewards:** Performance-Linked Incentives (PLI) to recognise top performers.
- **Non-Financial Rewards:** Additional leaves for Chairman/MD Club members and extra LFC benefits.

### Performance Management System

Your Bank's Career Development System (CDS) ensures objective, transparent and credible performance evaluations, aligning individual contributions with organisational goals. The outcomes influence key HR decisions—promotions, incentives, postings and developmental exposures—to drive continuous improvement.

To maintain best-in-class HR practices, your Bank reviews the CDS policy annually. Recent enhancements include:

- Performance Improvement Plans (PIPs) to support employee growth.
- Team Performance KRAs to foster collaboration.
- KRA Grouping for better goal alignment.
- Cost-to-Income Ratio for financial efficiency.
- Green Advances Budget Achievement to support ESG and climate finance goals.
- Data Quality Index (DQI) with real-time tracking (e.g. ageing scores, TAT adherence).

Currently, **89% of employees** under CDS are evaluated using **objective, data-backed KRAs**, applied consistently up to the Deputy Managing Director level.

### Talent Acquisition and Recruitment

Your Bank has moved beyond traditional job advertisements, leveraging social media, head-hunters, consultants and engaging videos to attract top talent—especially Gen Z and leadership hires. These initiatives ensure wider participation and access to high-calibre candidates.

### Strategic Lateral and Specialised Hiring

To drive innovation, your Bank recruits lateral specialists in:

- IT & Information Security
- Risk (including Climate Risk)
- Economics, Wealth Management and Investments

### Promoting Sports and Excellence

API Banking adoption has grown with 160+ APIs, 1,250+ corporates onboarded, and ₹2,932+ Crore in transactions. The e-Trade platform has achieved over 70% digitalization across trade products. Digital current account openings crossed 1.918 Lakh, and CINB is being reimaged with a scalable, microservices-based architecture. Upcoming offerings include OTP-based login, Yono B Cash, Digi Sugam, TAB-based onboarding, and OD against TD. The in-house Analytics team, with 45+ data scientists and 145+ live models, has driven business worth ₹1.24 Lakh Crore. Supported by a cloud-native data warehouse, the Bank also maintains a Responsible AI framework and annually updated roadmap. Notably, SBI Foundation supported the establishment of a Data Science Hub at IIT-Bombay. Recognised under EASE by GoI and IBA, the Bank's analytics initiatives earned accolades from IIM Ahmedabad and ORSI for an AI-driven personal loan model. The in-house deployment of generative AI chatbots using hybrid cloud and open-source tools marks a new phase in integrating analytics into daily operations.

## Customer Experience Enhancement

### A) Performance

Your Bank achieved 1<sup>st</sup> Rank in promotion of Doorstep Banking Services for the campaigns promoted by PSB Alliance Private Limited:

Campaigns	Period	Rank
DSB Abhiyaan	01.06.2024 - 31.07.2024	1 <sup>st</sup> Rank
DSB Digital Life Certificate	01.11.2024 - 30.11.2024	1 <sup>st</sup> Rank
DSB Abhiyaan	03.02.2025 - 31.03.2025	1 <sup>st</sup> Rank

### B) Initiatives

#### a. End-to-End Digitised Deceased Claim Settlement Process

As a measure to improve customer experience, Bank has developed and launched a revamped end-to-end digitised process for Claim Settlement for deposit accounts of deceased constituents. Submission of claims and upload of required forms and documents by the nominee/legal heirs can be done anytime and from anywhere online now. For the benefit of the customers, all required forms/formats along with Frequently Asked Questions (FAQs) are available on Bank's website. After lodgement of the claim, regular updates including requirement of more/other documents, if any, are advised through SMS and email.

To bring in uniformity and standardisation in the process, Centralised Claim Settlement Centres (CCSCs) have been formed at all Local Head Offices (LHOs) of the Bank to timely scrutinise, process and sanction the deceased claims based

on the uploaded documents. Only after sanctioning the claims, the nominees, claimants, and other related parties are required to visit the branch for submission/verification of the original documents and for getting final payment

#### b. Calling Dissatisfied Customers (Branch Channel)

Identifying and addressing customer pain points on priority is crucial for satisfaction and retention. To enhance engagement and resolve issues effectively, a Centralised Calling functionality has been introduced at the Contact Centre. Customers providing poor feedback via the NPS (Branch Channel) are proactively contacted by agents to understand their concerns. A detailed report is also available in CRM, enabling operating teams to analyse low ratings and take corrective actions.

#### c. Multilingual Support in Customer Request Complaint Form (CRCF)

To enhance customer convenience, **13 additional languages** have been integrated into the **Customer Request and Complaint Form (CRCF) portal**, complementing the existing Hindi and English options. This ensures easier complaint lodgement in local languages.

#### d. Incognito Visits at 3,100+ Branches to Understand Customer Pain Points

Your Bank is committed to enhancing customer experience. To assess service quality, an external agency conducted **incognito visits across 3,100+ branches**. The findings and suggestions of the Agency have been analysed and suitable remedial actions have been initiated for improvement in customer experience.

### C) Achievements

- NPS/CSAT/CES Performance of SBI for FY2025

Your Bank is committed to enhance Customer Experience and is adopting new tools and techniques to measure the level of customer experience and satisfaction at various touch points. To measure customer satisfaction and loyalty on real time basis, SBI had implemented the Customer Satisfaction Score (CSAT), Net Promoter Score (NPS) and Customer Effort Score (CES) for customers for transactions done through its Branch channel (SMS mode), BC/CSP channel and Digital channels. SBI performance on the above feedback mechanism for FY2025 (up to 31.03.2025) is as follows:

	Branch Channel	Digital Channels	Bank Level
CSAT (Out of 4)	3.92	3.55	3.59
NPS (Out of 100%)	95.24%	92.82%	94.00%
CES (Out of 7)	6.9	6.75	6.82

- Feedback submission through QR Code by Customers/Non-Customers

To enhance feedback collection, your Bank has introduced a **QR code-based feedback system** at branches and cells. This allows both **customers and non-customers** to instantly share their feedback on **Bank's services and products**, independent of any transaction—unlike the existing **SMS-based process**. Even those making inquiries can now submit their feedback seamlessly.

- Awareness Creation on Cyber Frauds

#### a) Awareness Programme - 'Fight Against Cyber Frauds'

Raising customer awareness is crucial in mitigating risk of fraud. To address this, your Bank has launched the **"Fight Against Cyber Frauds"** programme in **November**

**2024, running until March 31, 2025.**

- **10 common scam tactics and Do's & Don'ts** for cyber safety are displayed on standees at all branches and customer-facing outlets, preferably in local languages.
- **Cyber security awareness videos** are showcased on digital displays in public places and branch premises.

#### b) Townhall Meetings

Your Bank regularly conducts Townhall Meetings to educate customers on banking services, cyber security, and safe digital transaction practices.

- **Special Townhall Meeting (10.05.2024):**
  - Held at **158 cyber fraud propensity branches** across **110 Regions in 13 Circles.**

- **4,076 customers & 1,166 staff members** (including BMs & Controllers) participated.

- Focus: **Cyber Security Awareness to Prevent Digital Frauds.**

#### • 'Go Secure, Go Digital' Townhall (26.11.2024):

- Conducted at **526 Regional Business Offices across Circles.**
- Attended by **25,000+ customers & 6,650 staff members.**
- Special emphasis on **Cyber Security Awareness to prevent digital frauds.**

## Risk Management

### A. Risk Management Overview

Risk Management at your Bank includes risk identification, risk assessment, risk measurement and risk mitigation with its main objective being to minimise negative impact on profitability and capital.

Your Bank is exposed to various risks that are an inherent part of any banking business. The major risks are credit risk, market risk, liquidity risk, and operational risk, which also includes IT risk and Third-party risk.

Your Bank is committed towards creating an environment of increased risk awareness at all levels. It also aims at constantly upgrading controls and security measures, including cyber security measures, to ensure avoidance or mitigation of various risks. Your Bank has policies and procedures in place to measure, assess, monitor, and manage risks systematically across all its portfolios.

An independent Risk Governance Structure, in line with international best practices, was put in place, in the context of separation of duties

and ensuring independence of Risk Measurement, Monitoring and Control functions. This framework visualises empowerment of Business Units at the operating level, with technology being the key driver, enabling identification and management of risk at the place of origination. The various risks across your Bank and the SBI Group are monitored and reviewed through the Executive Level Committees and the Risk Management Committee of the Board (RMCB), which meets regularly. Risk Management Committees at Operational unit and Business unit level are also in place.

### B. Risks and Mitigation Measures

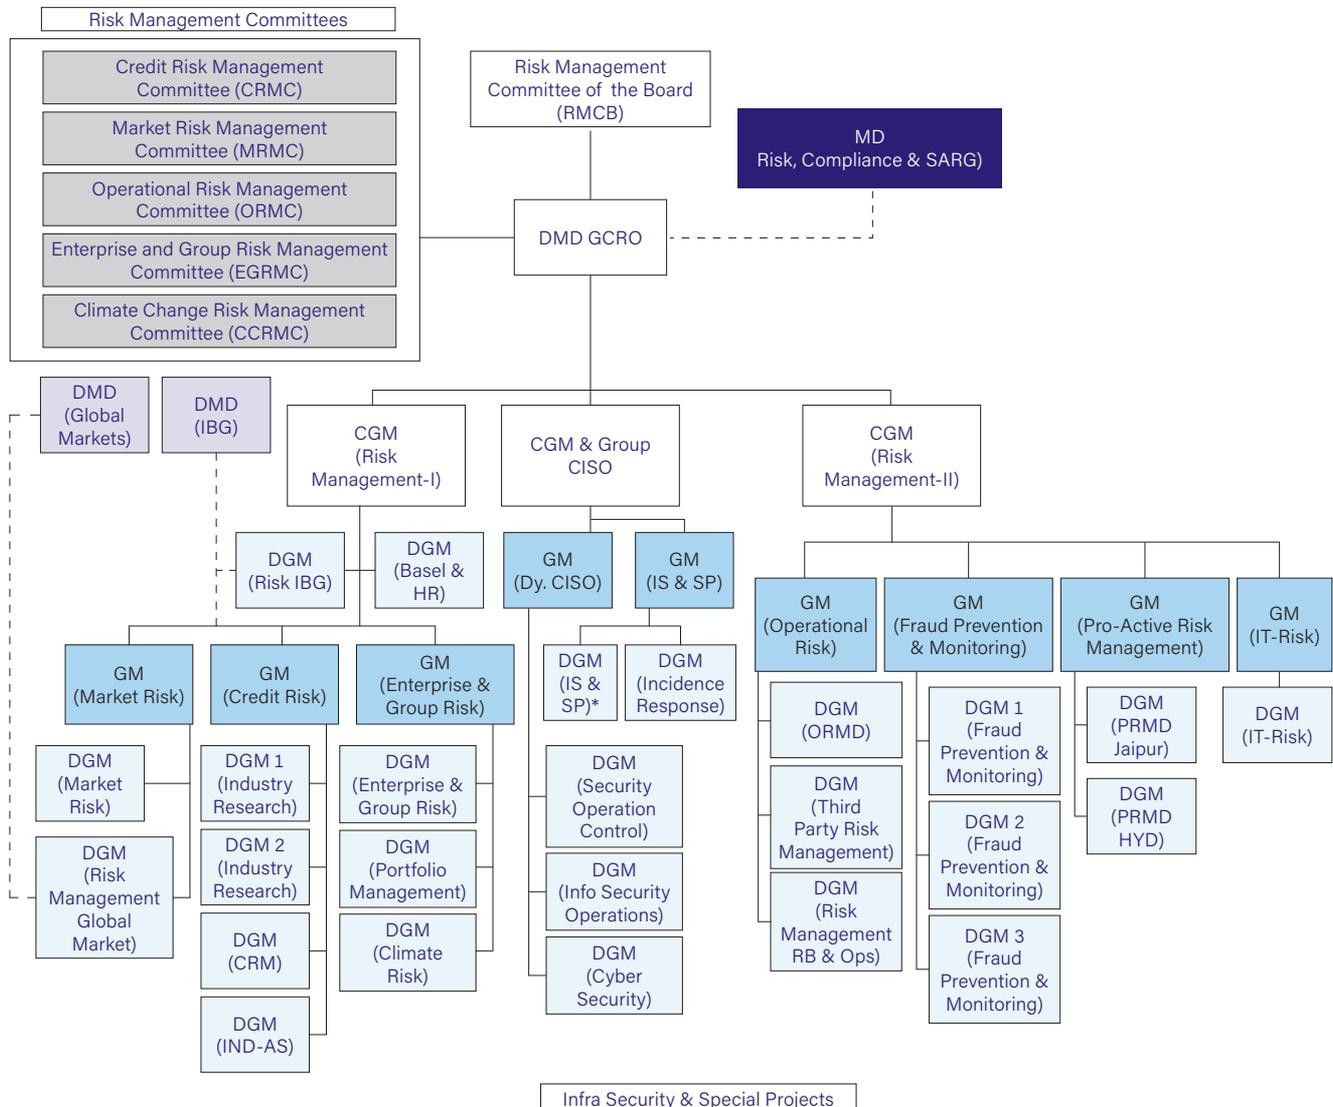

Risk/s	Mitigation Measure/s
<b>Credit Risk</b>	<p>Your Bank has established robust credit appraisal and risk management frameworks for identifying, measuring, monitoring, and controlling the risks in credit exposures. The industrial environment is scanned, researched, and analysed in a structured manner by a dedicated team to decide its outlook, Credit Rating threshold based on outlook and probability of default for industry and growth appetite for 37 identified industries and sectors, which constitute close to 65% of your Bank's total advances (excluding retail and agriculture) as on March 31, 2025.</p> <p>Events such as government policies or changes in regulatory guidelines, impact of geo-political issues on Industries and Bank's portfolio are monitored continuously. Special studies are conducted on various emerging risk and trends. Furthermore, knowledge sharing sessions as well as industry workshops are conducted to benefit the operating staff at various levels. Quarterly dashboards covering the top 18 industries are provided to business units detailing the developments in these critical industries and sectors to keep them updated on the latest information/ developments.</p> <p>Your Bank uses various internal Credit Risk Assessment Models and scorecards for assessing borrower wise credit risk. They are reviewed through cycles of comprehensive validation and back testing frameworks including external validation/review. Considering the ESG Risk, Bank has put in place an Environment, Social and Governance (ESG) Rating Model which rates large borrowers on various objective ESG criteria.</p> <p>Your Bank also has a 'Dynamic Review of Internal Rating' framework, which facilitates early identification of stress and triggers the appropriate mitigation mechanisms.</p> <p>Your Bank has adopted an IT platform for credit appraisal processes through a Retail Loan Management System Loan/Lifecycle Management system (RLMS/ LLMS). Models developed by your Bank are hosted on these platforms, which are interfaced with CIBIL/CIC and RBI defaulters' lists.</p> <p>The pricing of loan products is in sync with the risk associated with each product, in addition to the idiosyncratic risk associated with different types of borrowers. Each product and customer type has a unique Credit Risk Premium associated with it, and the same forms a part of the final pricing.</p> <p>Your Bank has a framework for Risk-Adjusted Return on Capital (RAROC), and the Customer level RAROC calculation has also been digitised. The RAROC framework is applicable to commercial advances having existing/ proposed exposures of ₹5 Cr and above.</p> <p>Your Bank carries out risk-return analysis of its various Corporate and MSME portfolios at periodical intervals, to assess the adequacy of return vis-à-vis the risk associated with the exposures. Your Bank also carries out studies on select Retail portfolios identifying key trends in the movement of the portfolio and its Asset Quality.</p> <p>Your Bank conducts Stress Tests every half-year on its Credit portfolio. Stress Scenarios are regularly updated in line with RBI guidelines, industry best practices and changes in macroeconomic variables.</p> <p>Your Bank has developed many tools and processes such as Credit Risk Assessment (CRA) model, Probability of Default (PD), Loss Given Default (LGD) and Exposure at Default (EAD) and imbibed these in the Banks Risk Management process.</p>

Risk/s	Mitigation Measure/s
<b>Market Risk</b>	<p>Your Bank's Market Risk Management consists of identification and measurement of risks, control measures, monitoring, and reporting systems. Market Risk is managed through a well-defined Board approved policy. The risk in different trading desks or various securities through trading risk limits/triggers for effective and judicious management of investment funds. These risk measures include position limits, gap limits, tenor restrictions, sensitivity limits, such as PV01, Modified Duration, Convexity, Value-at-Risk (VaR) Limit, Stop Loss Trigger Level, NOOP, Forex Daylight Limit, Options Greeks, AGL/IGL, Equity price related limits etc. are monitored on a daily basis. Further, the risk limits are reviewed periodically based on the risk appetite of the Bank.</p> <p>Value at Risk (VaR) complements stress testing by providing an additional quantitative measure of potential losses in Bank's trading positions. Enterprise level VaR of your Bank is calculated and back tested daily. The Stressed VaR for Market Risk is also computed daily. This is supplemented by a Board approved Stress Testing Policy and Framework that simulates various Market Risk scenarios to measure stress losses and initiate remedial measures.</p> <p>The Market Risk Capital Charge of your Bank is computed using the Standardised Duration Approach (SDA) by applying the prescribed regulatory factors.</p> <p>Bank undertakes Risk adjusted performance analysis of its domestic and overseas portfolios. It also analyses the credit rating migration of non SLR bonds as a tool for decision making. Forward-looking analysis based on future outlook of Interest Rate Risk scenarios and its probable impact on Bank's trading portfolio is carried-out as a prudent risk practice.</p>
<b>Enterprise Risk</b>	<p>Enterprise Risk Management aims to put a comprehensive framework to manage and align risk with strategy at the whole Bank level. It encompasses global best practices such as establishing a Risk Appetite Framework, Risk Culture Assessment Framework, and Material Risk Assessment Framework.</p> <p>As part of your Bank's vision to transform the role of risk into a strategic function, a Board-approved Enterprise Risk Management (ERM) Policy is in place.</p> <p>Bank's Risk Appetite Framework provides guidance regarding the types and levels of risks it is willing to take in pursuit of business objectives.</p> <p>Your Bank has implemented framework to assess risk culture among staff by Sensitising Employees on Risk Management. To create an effective risk culture, your Bank provides continuous training, conducts annual surveys, sets up specific assessment groups, encourages active risk identification and reporting, promotes risk reporting, whistleblowing and integrates risk culture into human resource processes.</p> <p>As part of the Material Risk Assessment Framework, periodic analysis of risk-based parameters for Credit Risk, Market Risk, Operational Risk and Liquidity Risk, amongst others is carried out.</p> <p>Your Bank has a wide range of models to assess and mitigate various risks. Model risk emanating from the use of these models is mitigated through best industry practices in place at every stage of Model Lifecycle i.e., a) Governance, Policies and Controls, b) Development, Implementation and use, c) Validation (both Internal and External). Further, as part of Model Governance, for effective process efficiency and resource utilisation, the Models are classified based on Materiality into High, Medium, and Low risk tiers.</p> <p>Your Bank conducts a comprehensive Internal Capital Adequacy Assessment Process (ICAAP) exercise on a yearly basis with respect to adequacy of Capital under normal and stressed conditions at solo and group level.</p> <p>In the ICAAP, besides the Pillar 1 risks, such as Credit Risk, Market Risk and Operational Risk, Pillar 2 Risks, such as Liquidity Risk, Interest Rate Risk in Banking Book (IRRBB), Concentration Risk and others are also assessed, and capital is provided where required. New and emerging risks are identified and discussed in the ICAAP.</p> <p>Your Bank has established an Integrated Stress Testing Framework covering the identified material risks considering simultaneous occurrence of multiple shocks under multiple risk areas as well as forward looking shock scenarios covering the impact of Macro Economic Variables.</p> <p>Your Bank provides Risk advisory for various products and processes to ensure risk return trade off.</p>

Risk/s	Mitigation Measure/s
<b>Climate Risk</b>	<p>The Bank is dedicated to enhancing its resilience in light of emerging climate risks.</p> <p>The Bank has instituted a high-level executive body known as the Climate Change Risk Management Committee. This Committee provides strategic guidance and oversight to ensure the integration of climate considerations within the Bank's risk management framework.</p> <p>The Bank has also developed a Climate Change Risk Management Policy aimed at mitigating risks while capitalising on growth opportunities.</p> <p>The Bank is engaged in the process of developing methodologies and frameworks pertaining to climate risk in accordance with regulatory expectations and the Bank's climate-related aspirations.</p> <p>The Bank aims to assess the potential impact of climate change risks on its identified portfolio by employing a Climate Risk Score Card consisting of both quantitative and qualitative metrics. The scorecard will assist the Bank in engaging with identified borrowers regarding the material climate risks they face and their respective management plans for adaptation and mitigation.</p> <p>The Bank has also conducted an analysis of the potential vulnerabilities associated with physical risks affecting the locations of its domestic branches, offices, and ATMs, to enhance business continuity and operational resilience.</p> <p>Bank is engaged in capacity building and training in area of Climate Risk. To this end, webinars 'Train the Trainer' on Climate risk, for faculty members of Bank's training institutes and series of webinars for credit officials on sectoral decarbonisation plans are regularly conducted.</p>
<b>Operational Risk (including IT Risk and Third-Party Risk)</b>	<p>Operational Risk is the risk of loss resulting from inadequate or failed internal processes, people and systems or from external events. Key elements of your Bank's Operational Risk Management, among others, include timely Incident reporting and ongoing review of Systems and Controls, measuring of residual risk and putting in place controls through Risk &amp; Control Self-Assessment (RCSA), Theme based RCSA, monitoring of Key Risk Indicators (KRIs) and aligning Risk Management activities with Business Strategy. Your Bank proactively undertakes Root Cause Analysis (RCA) of the probable vulnerabilities and based on findings, the gaps found, if any, are being plugged on an ongoing basis. The intention of the entire exercise is to strengthen the controls, mitigate risk and minimise the losses.</p> <p>Your Bank has a detailed comprehensive Business Continuity and Operational Resilience (BC&amp;OR) policy in place for ensuring continuity of operations at the Branches and Offices during disruptions. BC&amp;OR enables your Bank to ensure minimum business disruption during natural disasters. Also, your Bank ensures availability of ATMs round the clock and smooth functioning of Net Banking, YONO, Mobile Banking etc.</p> <p>All these components minimise Bank's Operational Risk in various products and processes besides ensuring compliance with Regulatory requirements.</p> <p>Your Bank has allocated capital for Operational Risk as per Basic Indicator Approach (BIA).</p> <p>Your Bank observes Risk Awareness Day annually on 1<sup>st</sup> September to improve risk culture in the Bank. As part of sensitisation, Risk Awareness Day pledge is being administered, and an online Quiz is also being conducted for the Bank employees to spread Risk Awareness. Further, your Bank is fully aware of the need for building the risk culture and creating awareness, which is being embedded by conducting workshops, issuing monthly magazine and through the training system at all levels.</p> <p>Operational Risk is the risk of loss resulting from inadequate or failed internal processes, people and systems or from external events. <b>Group Risk</b>	Group Risk Management aims to establish standardised risk management processes in group entities. Policies relating to Group Risk Management, Group Risk Appetite framework, Group ICAAP, Group Liquidity and Contingency Funding Plan (CFP), maintaining arm's length requirements for intra group transactions and exposures are in place. Regular monitoring of the consolidated prudential exposures and group risk components is being done.
<b>Basel Implementation</b>	<p>Your Bank is fully compliant with the RBI Guidelines on Basel III Capital Regulations. Your Bank has put in place various mechanisms such as Internal Audit and outreach programs to ensure alignment with the regulatory instructions. Bank is adequately capitalised as per current regulatory requirements, including maintaining the required level of Capital Conservation Buffer (CCB).</p> <p>Your Bank is identified as D-SIB by the Regulator and is accordingly required to keep additional Common Equity Tier 1 (CET1) of 0.60% of RWAs from 1<sup>st</sup> April 2019, which is now increased to 0.80% of RWAs with effect from 1<sup>st</sup> April 2025. As a part of D-SIB requirements your Bank is comfortably placed against mandated requirement of 4 % for Leverage ratio.</p>

### C. Overall Integrated Risk Governance Structure

## Internal Audit and Control

The Internal Audit function operates as an independent unit with authority and oversight within your Bank. Headed by the Deputy Managing Director, it functions under the guidance of the Audit Committee of the Board (ACB).

Aligned with global best practices, the audit function works closely with Risk Management and Compliance to assess control effectiveness, ensure adherence to internal processes, and evaluate compliance with regulatory standards. It follows a risk-based approach, in line with RBI's Risk-Based Supervision, Basel

Committee on Banking Supervision (BCBS) guidelines, and Public Sector Bank audit norms issued by the Ministry of Finance (DFS).

To keep pace with your Bank's rapid digitalisation, the audit function has adopted technological interventions for enhanced efficiency and effectiveness.

## Key Initiatives and Awards and Recognitions

- Constituted the Internal Audit Governance Committee (IAGC) to strengthen audit governance and suggest control enhancements.
- Formed the Circle Audit Risk and Compliance (CARC) Committee to integrate assurance functions at Circle level.
- External Assessment of Adequacy of Bank's Internal Audit Function conducted by Deloitte Touche Tohmatsu India LLP, ensuring alignment with global best practices.
- Launched two newsletters: 'Audit/ अंतर्दृष्टि' for operating units and 'Audit Beat' for internal auditors.
- Introduced green initiatives at IAD campus—solar panels, compost units, rainwater harvesting and fountains.
- Received the Brihaspati Award for Excellence 2025 from Institute of Internal Auditors (IIA), India, for exemplary leadership and technical strength in internal auditing.

## Internal Control

IAD functions independently under the Audit Committee of the Board (ACB) and works closely with Risk and Compliance departments. It follows a robust risk-based audit framework aligned with RBI, BCBS, and DFS guidelines. Key technology-driven initiatives include a hybrid audit model with increased offsite coverage, 'Circle Heat Map' for targeted compliance, AI/ML integration in audit processes, the 'DIA' Bot for credit audit support, a dedicated portal for non-IT outsourced activities, and automated self-audit reporting (RFIA-MODOARPS).

An All-India Webinar held on 03.12.2024 saw participation from 4,539 officials.

## Compliance Risk Management

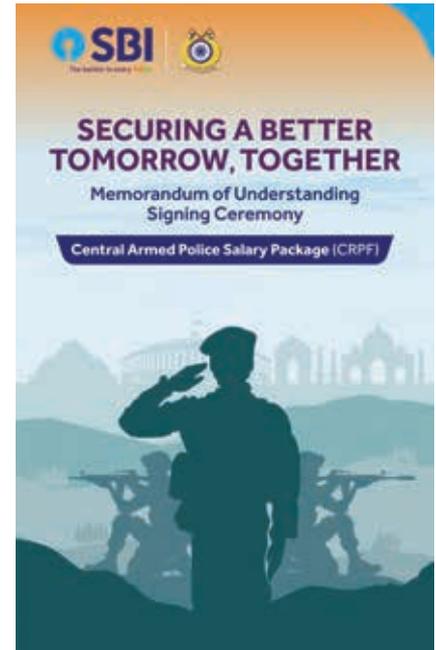

Your Bank remains committed to fostering a strong compliance culture, with strict adherence to regulatory and statutory norms forming a core business principle. A dedicated Compliance Risk Management Committee and the Governance Function ensure top management is apprised of regulatory developments. Regular compliance training, including mandatory KYC/AML modules for all staff, reinforces this culture across operational levels. Compliance Awareness Meetings are conducted at branches to address knowledge gaps and promote adherence. Additionally, your Bank is formulating policies to implement the Digital Personal Data Protection Act, 2023. Rigorous compliance testing is undertaken across Corporate Centre, branches, and processing units to ensure alignment with RBI directives and internal policies.

## Vigilance

The Vigilance Department of your Bank is headed by a Chief Vigilance Officer (CVO) of Managing Director rank, appointed by the Government of India in consultation with the Central Vigilance Commission (CVC). Reporting directly to the Chairman, the CVO plays a pivotal role in formulating, implementing, and reviewing the Bank's vigilance framework, ensuring the highest standards of transparency and integrity. To strengthen vigilance oversight across the Bank's Circles, Verticals, and Subsidiaries, six Additional Chief Vigilance Officers (Addl. CVOs) have also been appointed by the Government on deputation at strategic locations.

### Vigilance Awareness Week 2024

- Vigilance Awareness Week (VAW) was observed from 28<sup>th</sup> October to 3<sup>rd</sup> November 2024 with the theme 'Culture of Integrity for Nation's Prosperity; सत्यनिष्ठा की संस्कृति से राष्ट्र की समृद्धि.
- Extensive use of communication channels—including SBI Times, ATMs, CDMs, Internet Banking, Facebook, Twitter, Instagram, and LinkedIn—helped spread awareness among employees and the public.
- Mass awareness programmes were conducted at schools, colleges, and among rural communities through Gram Sabhas organised nationwide.

### Capacity Building Initiatives

- As part of the CVC's three-month pre-VAW campaign focusing on Capacity

Building, SBI conducted a two-day workshop on 'CTE Type Examination by CVO' at State Bank Staff College, Hyderabad (20-21 September 2024).

- The workshop was inaugurated by Central Vigilance Commissioner Shri P.K. Srivastava, Vigilance Commissioner Shri Arvinda Kumar, Secretary CVC Shri P. Daniel, and SBI Chairman Shri C.S. Setty.
- Conducted by CTE officials of CVC, it witnessed participation from 150 officials, including CVOs from 55 organisations.
- Training efforts were extended to the Bank's Business Correspondents (BCs) and Customer Service Points (CSPs), with training imparted to:
  - 27,000+ Bank officers
  - 41,000+ CSPs

### Preventive Vigilance Measures

The Vigilance Department conducted:

- 1,753 preventive vigilance programmes
- 117 specialised training sessions for Enquiry Officers (EO), Presenting Officers (PO), and Investigating Auditors (IA), covering 35,532 officers.

Suo-moto investigations were actively undertaken in:

- Complaint-prone branches
- Branches flagged for serious irregularities by RFIA auditors

- High-Risk and Very High-Risk branches identified through the Bank's AI/ML engine
- Suo-moto investigations were conducted across 1,889 branches to proactively strengthen preventive vigilance mechanisms.

### Trends in Vigilance Case Referrals

- Vigilance case referrals increased to 3,772 during FY2025, compared to 2,990 in the previous year.

#### Of the total cases referred:

887 cases were converted into Vigilance cases, up from 716 cases last year, reflecting heightened vigilance and early detection efforts.

## Asset & Liability Management

Effective Assets and Liabilities Management (ALM) is essential for a bank's sustainable and qualitative growth. Your Bank's ALM strives to strengthen the Balance Sheet by reviewing the market dynamics, picking up signals emanating therefrom, and maintaining regulatory requirements while creating value.

As a part of commitment for sound Risk Management practices, your Bank regularly reviews its Internal Policies on 'Interest rates on Deposits' and 'Asset and Liability Management' to adapt to the changes in market conditions. Your Bank further undertakes Stress Tests and Reverse Stress Tests to address any risks that may arise as a worst-case scenario.

Studies are carried out at regular intervals to assess customer behaviour to impart proper treatment of non-contractual assets and liabilities while evaluating liquidity position. Behavioural studies are conducted at half-yearly intervals to ensure the proper placement of outflows/inflows in liquidity and interest rate sensitivity statements, which may result

from Off-Balance Sheet (OBS) exposures or probable loan losses. The assumptions relating to non-contractual assets and liabilities are periodically reviewed, back-tested and revised as per the outcomes of the latest studies.

The stock of High-Quality Liquid Assets (HQLA) and cash outflows are monitored daily under a dynamic market environment to ensure the maintenance of Liquidity Coverage Ratio (LCR) as prescribed by the RBI and Bank's internal policy benchmark. Your Bank monitors the long-term stability of funds as prescribed by the Regulator in the Net Stable Funding Ratio (NSFR) guidelines.

Your Bank identifies the inherent risks associated with changing interest rates on its Balance Sheet (On/Off) exposures from both short-term and long-term perspectives. For this purpose, the

impact of change in the interest rates on Earnings at Risk (EaR) and Market Value of Equity (MVE) is assessed with pre-defined tolerance limits, enabling the management to initiate appropriate preventive steps in a likely scenario of erosion in NII/Net Worth. Your Bank is measuring current or prospective risk to Bank's capital and earnings arising from adverse movements in interest rates that affect the Banking Book position under new IRRBB guidelines of RBI.

To encourage branches to garner stable funds and assess their profitability based on the cost of funds, a matched maturity-based Funds Transfer Pricing was adopted by your Bank. Your Bank constantly strives to ensure adequate monetary policy transmission through its benchmark lending rates.

Your Bank's Asset Liability Management Committee (ALCO) monitors and manages Liquidity and Interest Rate risks by modulating the asset-liability mix in the Balance Sheet and recalibrating the pricing of liabilities and assets from time to time. The ALCO, inter alia, regularly reviews the interest rate scenarios, the growth pattern of liability products, credit growth, competitive advantages, evolving liquidity conditions, adherence to regulatory prescriptions, etc.

With automation of Regulatory Reports/Returns emanating from ALM, your Bank is well-positioned in monitoring and compliance regarding Liquidity and Interest Rate Risk Management.

## Ethics and Business Conduct

Your Bank upholds the highest standards of ethics, integrity, and business conduct, embedding ethical practices across all operations. Key initiatives include the Vision, Mission & Values, Code of Ethics, Anti-Bribery & Anti-Corruption Policy, centralised disciplinary structure and the Disciplinary Proceedings Management System (DPMS), which has enhanced transparency and strengthened discipline management.

In FY2025, your Bank expanded ethics awareness through workshops, webinars, quizzes and surveys, while also reviewing key policies such as Staff Accountability and Conflict of Interest. The Garima Policy continues to provide a safe and inclusive environment for women employees, with a decline in workplace complaints from 45 in FY2024 to 36 in FY2025. The Bank is digitising GARIMA processes to ensure real-time monitoring and has enforced strict disciplinary action to reinforce its zero-tolerance stance.

With a strong ethical foundation and commitment to accountability, your Bank remains a trusted institution and a benchmark for integrity in the banking sector.

## Corporate Social Responsibility

Your Bank pioneered corporate social responsibility as 'Innovative Banking' nearly five decades ago, establishing a legacy of empowering marginalised communities. Today, this commitment continues through strategic CSR initiatives that balance economic growth with environmental stewardship and social progress, directly supporting national development goals.

Through both direct implementation and the SBI Foundation - its dedicated Section 8 company - your Bank executes high-impact, scalable projects across India. The Foundation's innovative approach leverages strategic partnerships to maximise social value creation.

In FY2025, these efforts remain focused on delivering transformative change for underprivileged populations through pan-India interventions, reinforcing your Bank's position as a leader in sustainable, inclusive development.

### Other Board Level Committees:

In terms of the provisions of SBI Act and General Regulations, 1955 and Govt./ RBI/SEBI guidelines, the Central Board has constituted nine other Board Level Committees viz. Audit Committee of the Board (ACB), Risk Management Committee of the Board (RMCB), Stakeholders Relationship Committee cum Customer Service Committee of the Board (SRC cum CSCB), Special Committee of the Board for Monitoring and Follow-up of Cases of Frauds (SCBMF), IT Strategy Committee of the Board (ITSC), Corporate Social Responsibility Committee of the Board (CSRC), Nomination & Remuneration Committee of the Board (NRC), Board Committee to Monitor Recovery (BCMR) and Review Committee for Identification of Wilful Defaulters (RCIWD). These Committees provide effective professional support in Board Oversight in key areas like Audit & Accounts, Risk Management, resolution of Shareholders'/ Investors' grievances, Fraud Review and Control,

Review of customer service and redressal of customer grievances, Technology Management, Corporate Social Responsibilities, Oversight on Recovery of Loans and Advances, Review of identification of Wilful Defaulters and arrive at the 'fit and proper' status of candidates filing nominations for election of Directors. While the Nomination & Remuneration Committee (NRC) meets at least once a financial year, the other Committees meet periodically, generally once in a quarter, to deliberate on policy issues and/ or review domain performance, as per the calendar of reviews approved by the Central Board. The Committees also call external specialists, besides drawing upon the services of top executives from the Bank, as and when needed.

The other Board Level Committees are reconstituted periodically, as and when necessitated. Last such reconstitution was approved by the Central Board in its meeting held on 21.06.2023 and is effective from 26.06.2023. The minutes and proceedings containing brief reports

on the discussions held at the meetings of the Board Level Committees are placed before the Central Board.

### Audit Committee of the Board (ACB)

The Audit Committee of the Board (ACB) was first constituted in the Bank on 27.07.1994. The ACB functions as per RBI guidelines and complies with the provisions of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015, as amended from time to time to the extent that they do not violate the directives/ guidelines issued by RBI/ GOI.

### Functions of ACB

- (a) ACB provides direction and also oversees the operation of the total audit function in the Bank. Total audit function implies the organisation, operationalisation and quality control of internal audit and inspection within the Bank and follow-up on the statutory/ external audit, compliance of RBI inspection.

It also appoints Statutory Auditors of the Bank and reviews their performance from time to time.

- (b) ACB reviews the Bank's financial, Risk Management, IS Audit Policies and Accounting Policies/ Systems of the Bank to ensure greater transparency.
- (c) ACB reviews the internal inspection/ audit plan and functions in the Bank – the system, its quality and effectiveness in terms of follow-up. It also, especially, focuses on the follow up of:
- KYC-AML guidelines;
  - Major areas of housekeeping;
  - Compliance of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015. The terms of reference and role of the Audit Committee was last reviewed by the Central Board at its meeting

held on 06.03.2019 in line with the SEBI (LODR) Amendments Regulations, 2018 which were effective from 01.04.2019.

- (d) It obtains and reviews reports from the Compliance Department in the Bank.
- (e) ACB follows up on all the issues raised in RBI's Risk Based Supervision under Section 35 of Banking Regulation Act, 1949 and Long Form Audit Reports of the Statutory Auditors and other Internal Audit Reports. It interacts with the external auditors before the finalisation of the annual/ quarterly financial accounts and reports. A formal 'Audit Charter' or 'Terms of Reference' of the Audit Committee has been approved by the Central Board and Calendar of Reviews to be submitted to the Audit Committee is also in place, which is updated periodically and

last such revision was approved by the Central Board in its meeting held on 27.04.2022.

### Composition & Attendance During FY 2024-25

The ACB was last reconstituted w.e.f. 26.06.2023. It has four Non-Executive Directors as members as on 31.03.2025. The Committee has a regular chairperson and is chaired by a Non-Executive Independent Director. The constitution and quorum requirements, as per RBI/ SEBI guidelines, are complied with. During FY 2024-25, seventeen meetings of ACB were held to review the various matters connected with internal control, systems and procedures and other aspects as required in terms of RBI/ SEBI guidelines. The Directors also attended various seminars/ meetings/ programmes convened by Government of India and Professional Bodies like CAFRAL (sponsored by RBI) during the year. Such programmes include inter alia workshop on Climate Change Risk & Sustainability, Program on KYC & AML etc.

### 2. Performance Evaluation of the Board:

With an objective to continuously improve corporate governance, a reputed external consulting firm assisted the Bank in laying down parameters for Performance evaluation of Chairman, Directors, Board Level Committees and Central Board as a whole, and facilitated the performance evaluation process. The Nomination and Remuneration Committee of the Board had approved the framework/ criteria for the said performance evaluation. The parameters for evaluation and the overall process are aligned to the provisions of the SEBI (LODR) Regulations, 2015 and SEBI Guidance Note on Board Evaluation, 2017. The performance evaluation exercise for FY 2024-25 was carried out by the external consulting firm. The performance evaluation exercise has validated the confidence of Board of Directors in the governance values of the Bank, the synergy and collaboration amongst the Board of Directors and the Top Management.

3. The banking industry is rapidly evolving, driven by new technologies disrupting traditional business models and global economic changes influenced by geopolitical

factors. Keeping in mind the Bank's endeavour to stay ahead of the curve in the dynamic financial sector environment and to implement the global best practices in Corporate Governance, a Strategy Workshop 'SBI Ascent - 2025' was organised on 9<sup>th</sup> and 10<sup>th</sup> January 2025 to keep the Board members and the Top Management of the Bank in alignment with the latest trend in the financial sector and to decide on the way forward. The main purpose of the workshop was to brainstorm, ideate and chart out on the Bank's future strategies with emphasis on the emerging economic landscape, global headwinds, disruptive technologies, and emerging challenges faced from new-age players to enable the Bank in consolidating its position as the premier Bank. A globally reputed consulting firm was engaged as the knowledge partner for the strategy workshop and several eminent guest speakers shared insights on various topics during the workshop. During the workshop, presentations were made on themes underpinning Viksit Bharat, Global banking trends, Elevating to Operational Excellence using AI, Making Sustainability & Inclusion Strategic, etc. were made by renowned guest speaker, befitting the participants.

## Qualitative Disclosure on Derivative Transactions Financial Year 2024-25

The Bank, at present, deals in over the counter (OTC) derivatives to hedge

against interest rate and currency risks. It also deals Currency Futures and Currency Options.

Interest rate derivatives dealt by the Bank are Rupee Interest Rate Swaps (OIS), in exchange traded Interest Rate Futures, Foreign Currency Interest Rate Swaps (IRS), Forward Rate Agreements (FRA), Caps, Floors and Collars. Currency Derivatives dealt by the Bank are Currency Swaps (CIRS / CCS), USD/INR Options and CrossCurrency Options. The Bank also does NDO and NDF trades as permitted by RBI.

The products are offered to Bank's customers for hedging their exposures. These are also used for reducing Bank's Balance Sheet Risk. Trading / Arbitrage activities on Derivatives are done selectively within prescribed risk limits whenever opportunities are sighted.

The Bank runs USD/INR Option Book and manages Greek limits efficiently. The Bank also runs MIFOR book for making USD / INR swap prices.

Derivative transactions carry market risk i.e., the probable loss the Bank may incur caused by adverse movements in interest rates and / or exchange rates. A derivative position also carries credit risk i.e., the probable loss the Bank may incur if the counterparties fail to meet their obligations. The Bank's derivative manual prescribes measures to be taken to contain the risks. The market risk parameters (Greek limits, Loss limits, Cut-loss triggers, Open position limits, VaR, Modified Duration, PV01, etc.) have been clearly defined in the Policy which are strictly adhered to. For containing Credit risk, the policy stipulates customer / counterparty eligibility criteria [credit rating, tenure of relationship, availability of CEL limit, Customer Appropriateness & Suitability (CAS) testing etc.] which are strictly complied. Appropriate limits are set for the corporate counterparties by respective Business Units considering their ability to honour obligations. The Bank executes ISDA agreement with each derivatives counterparty – both corporate as well as interbank.

For each of the Interbank counterparty, a counterparty exposure limit is put in place by the Risk vertical. The Bank has executed CSA (Credit Support Annex) – a part of ISDA Master Agreement with a few counterparties. As per the terms of CSA, collateral is posted or transferred with swap counterparties to mitigate the credit risk arising from 'in the money' derivative positions.

The Asset Liability Management Committee (ALCO) of the Bank oversees efficient management of these risks. The Bank's Market Risk Management Department (MRMD) identifies, measures and monitors market risk associated with derivative transactions. MRMD assists ALCO in controlling and managing these risks and reports compliance with policy

prescriptions to the Risk Management Committee of the Board (RMCB) at regular intervals.

The accounting policy for derivatives has been drawn up in accordance with the RBI guidelines, the details of which are presented under Schedule 17: Principal Accounting Policies (PAP).

# SECRETARIAL AUDIT REPORT

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014

For the period 01-04-2024 to 31-03-2025

To,  
 The Members,  
**STATE BANK OF INDIA**  
 Corporate Centre, 14<sup>th</sup> Floor, State  
 Bank Bhavan,  
 Madame Cama Road, Mumbai,  
 Maharashtra, 400021.

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by STATE BANK OF INDIA (hereinafter called "the Bank"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Bank's books, papers, minute books, forms and returns filed and other records maintained by the Bank and also the information provided by the Bank, its officers, agents and authorised representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Bank has, during the audit period covering 1<sup>st</sup> April, 2024 to 31<sup>st</sup> March, 2025 complied with the statutory provisions listed hereunder and also that the Bank has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Bank for the audit period 1<sup>st</sup> April, 2024

to 31<sup>st</sup> March, 2025 according to the provisions of:

- (i) The State Bank of India Act, 1955 ('the Act') and the State Bank of India General Regulations, 1955 ('the Regulations') made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial borrowing;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'): -
  - a) The Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015; ("Listing Regulation").
  - b) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011; (To the extent applicable)
  - c) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

- d) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; (Not applicable to the Bank during the period under review)
- e) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021; (Not applicable to the Bank during the period under review)
- f) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021;
- g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; (Not applicable to the Bank during the period under review)
- h) The Securities and Exchange Board of India (Buy-back of Securities) Regulations, 2018; (Not applicable to the Bank during the period under review)
- i) The Securities and Exchange Board of India (Investor Protection and Education Fund) Regulations, 2009;
- j) The Securities and Exchange Board of India (Registrars to Issue and Share Transfer Agents) Regulations, 1993, to the extent applicable to the Bank;

- k) The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018, to the extent applicable to the Bank.

The list of Acts, Laws and Regulations specifically applicable to the Bank are given below:

- i. The Banking Regulation Act, 1949, as amended.
- ii. Master Directions, Notifications and Guidelines issued by RBI from time to time.

We have relied on the representation made by the Bank and its Officers for systems and mechanism formed by the Bank for compliances under other applicable Acts, Laws and Regulations to the Bank.

We have also examined compliance with the applicable clauses of the following:

- a) Secretarial Standards issued by The Institute of Company Secretaries of India. (Not applicable to the Bank)
- b) The Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulation").

During the period under review the Bank has complied with the provisions of the Act, Rules, Regulations, Guidelines etc. mentioned above except the following:

- The Bank did not comply with the requirement of having at least half of the Board of Directors as Independent Director as required under Regulation 17(1)(b) of the Listing Regulations.

We further report that

The Board of Directors of the Bank is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of

the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act. However, the Bank could not comply with the requirement to appoint requisite number of Independent Directors, as required under the provisions of the Act, Rules and Regulations.

Adequate notice is given to all directors for the Board Meetings, agenda and detailed notes on agenda were sent in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

We further report that there are adequate systems and processes in the Bank commensurate with the size and operations of the Bank to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period, the Bank had following specific events or actions which might have a bearing on the Bank's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.:

## SCHEDULE 17: SIGNIFICANT ACCOUNTING POLICIES

### A. BACKGROUND:

State Bank of India (SBI or the Bank) is a banking and financial services statutory body engaged in providing a wide range of products and services to individuals, commercial enterprises, large corporates, public bodies, and institutional customers. The Bank is governed by the Banking Regulation Act, 1949, and the State Bank of India Act, 1955.

Following are the Significant Accounting Policies i.e., the specific accounting principles and methods of applying these principles in the preparation and presentation of financial statements of the Bank.

### B. BASIS OF PREPARATION:

The Bank's financial statements have been prepared under the historical cost convention, with fundamental accounting assumptions of going concern, consistency, and accrual, unless otherwise stated. They conform to the Generally Accepted Accounting Principles in India (Indian GAAP), comprising of regulatory norms, directions & guidelines prescribed by the Reserve Bank of India (RBI), statutory guidelines of the State Bank of India Act 1955, and the Banking Regulations Act, 1949, Accounting Standards issued by Institute of Chartered Accountants of India (ICAI), and the accounting practices prevalent in the banking industry in India.

In the case of foreign offices, the statutory provisions and practices of the respective country are followed, provided they are more prudent than the related norms in India.

These financial statements have been prepared in accordance with requirements under the Third Schedule of the Banking Regulation Act, 1949.

### C. USE OF ESTIMATES:

The preparation of financial statements requires the management to make estimates and assumptions that are considered in the reported amount of assets and liabilities (including contingent liabilities) as of the date of the financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates. Any revision to the accounting estimates is recognised prospectively from the period of change unless otherwise stated.

### D. SIGNIFICANT ACCOUNTING POLICIES:

#### 1. Revenue recognition:

- 1.1 Income and expenditure are recognised in the Profit and Loss Account on accrual basis, unless otherwise stated.
- 1.2 Income from Non-Performing Assets (NPAs) including Non-Performing investments is recognised in the Profit and Loss Account on realisation basis.
- 1.3 All commission and fee income are recognised on realisation basis, except commission income from Letters of Credit (LC), Bank Guarantees (BG), Deferred Payment Guarantees, Government Business, incentive on UPI transactions, ATM interchange fees, and upfront fees on restructured accounts, which are recognised on an accrual basis (proportionately over the relevant period).
- 1.4 Income from units of mutual funds, alternative investment funds and other such pooled / collective investment funds is recognised in the Profit and Loss Account on realisation basis.
- 1.5 The discount or premium if any on acquisition of all debt securities, across all categories of investments i.e. HTM, AFS, HFT-FVTPL meeting Solely Payments of Principal and Interest" (SPPI) Criterion is amortised over the remaining life of the instrument using Constant Yield method.

However, in case of overseas investments and investments in floating rate bond, the discount or premium if any on acquisition is amortised over the remaining life of the instrument using Straight Line method. The amortised amount is reflected under item II 'Income on Investments' of Schedule 13: 'Interest Earned' with a contra in Schedule 8: 'Investments'.

- 1.6 Dividend income is recognised when the right to receive the dividend is established.
- 1.7 The Bank derecognises its financial assets upon sale to Securitisation Company (SC)/ Reconstruction Company (RC), and accounts for the transaction as under:
  - i. If the sale is at a price below the Net Book Value (NBV) (i.e., book value less provisions held), the shortfall is debited to the Profit and Loss Account in the year of transfer / sale.

## Schedules

forming part of the Balance Sheet and Profit and Loss Account for the year ended 31<sup>st</sup> March 2025

- ii. If the sale is for a price higher than the NBV, the excess provision is written back in the year the amounts are received. In case, SRs guaranteed by the Government of India are received as a part of sale consideration the excess provision to the extent of Face Value of Security Receipts guaranteed by Government of India is written back in the year of transfer/sale.
- 1.8 Income on Rupee Derivatives designated as "Trading" income is recognised in the Profit and Loss Account on realisation basis

### 2. Investments:

Investments are accounted for in accordance with the extant RBI guidelines on investment classification and valuation, as given below:

#### 2.1 Classification:

The Bank classifies the entire investment portfolio (except investments in their own Subsidiaries, Joint Ventures and Associates) under three categories viz., Held to Maturity (HTM), Available for Sale (AFS) and Fair Value through Profit and Loss (FVTPL) with a subcategory named Held for Trading (HFT).

For disclosure in Balance Sheet, the investments are classified as Investments in India and outside India. The investments in India are further classified as (i) Government Securities, (ii) Other Approved Securities, (iii) Shares, (iv) Bonds and Debentures, (v) Subsidiaries and/or Joint Ventures (including Associates) and (vi) Other Investments.

The investments outside India are further classified as (i) Government Securities (ii) Subsidiaries and/or Joint Ventures (including Associates) (iii) Other Investments.

#### 2.2 Basis of classification:

- i. **Held to Maturity (HTM):** The securities acquired with the intention of holding it to maturity to collect the contractual cash flows and the contractual terms of the security give rise to cash flows that are Solely Payments of Principal and Interest (SPPI criterion) on specified date are categorised as Held to Maturity (HTM).
- ii. **Available for Sale (AFS):** The securities acquired with the objective that is achieved by both collecting contractual cash flows and selling securities before maturity; and the

contractual terms of the security give rise to cash flows that are Solely Payments of Principal and Interest (SPPI criterion) is categorised as Available for Sale (AFS).

On initial recognition, the Bank make an irrevocable selection to classify an equity instrument, that is not held with the objective of trading, under AFS, in line with the RBI Guidelines.

- iii. **Fair Value through Profit and Loss (FVTPL):** Securities that do not qualify for inclusion in HTM or AFS are classified under Fair Value through Profit and Loss (FVTPL) with a subcategory named Held for Trading (HFT). Any instrument that is held for one or more of the following purposes is designated as a Held for Trading (HFT) instrument:
  - a. short-term resale;
  - b. profiting from short-term price movements;
  - c. locking in arbitrage profits; or
  - d. hedging risks that arise from instruments meeting (a), (b) or (c) above.

#### 2.3 Initial Recognition of investments:

The transactions in all securities are measured at fair value on initial recognition with a presumption that acquisition cost is the fair value. This presumption is tested for transactions with related parties, transaction taking place in duress, transaction outside principal market and any other situation where facts and circumstances warrant testing of the presumption.

Fair value measurements are categorised into following 3 fair value hierarchy based on the degree to which the inputs to the fair value measurements are observable,

- (a) "Level 1" - wherein inputs used for valuation of a financial instrument are quoted prices (unadjusted) in active markets for identical instruments that the bank can access at the measurement date;
- (b) "Level 2" - wherein inputs used for valuation of a financial instrument are inputs other than quoted prices that are observable for the asset or liability, either directly or indirectly (such as yield curve, credit spread etc.);

(c) "Level 3" – wherein valuation is based on unobservable inputs.

**i. Recognition of Day 1 Gain/Loss:**

a. Day 1 gain / loss arising in initial recognition of Level 1 and Level 2 hierarchy, is recognised in the Profit and Loss Account, under item III- 'Profit/Loss on revaluation of investments(net)' under Schedule 14: 'Other Income'.

b. Any Day 1 loss arising from Level 3 investments is recognised immediately.

c. Any Day 1 gains arising from Level 3 investments is deferred. In the case of debt instruments, the Day 1 gain is amortised on a straight-line basis up to the maturity date (or earliest call date for perpetual instruments), while for unquoted equity instruments, the gain is set aside as a liability until the security is listed or derecognised.

ii. The transactions in all securities are recorded on a Settlement Date and the securities are held at weighted average cost method for all categories of investments.

iii. Brokerage, Commission, Securities Transaction Tax (STT) etc. paid in connection with acquisition of investments are expensed upfront and excluded from cost.

iv. Broken period interest paid/ received on debt instruments is treated as interest expense/ income and is excluded from cost/ sale consideration.

**2.4 Subsequent Measurement of investments:**

i. Securities held in HTM are carried at cost and are not marked to market (MTM) after initial recognition.

ii. The securities held in AFS are fair valued at quarterly intervals. The valuation gains and losses across all performing investments held under AFS are aggregated. The net appreciation or depreciation is directly credited or debited to AFS-Reserve without routing through the Profit & Loss Account.

iii. Securities that are classified under the HFT sub-category within FVTPL are fair valued on a daily basis, whereas other securities in FVTPL are fair valued at the end of every quarter. The net gain or loss arising on such valuation is credited or debited to the Profit and Loss Account.

iv. Subsequent valuation of investment in subsidiaries, associates and joint ventures:

a. All investments (i.e., including debt and equity) in subsidiaries, associates and joint ventures are held at acquisition cost.

b. In case an existing investment becomes a Subsidiary, Associate or Joint Venture, the revised carrying value of the same on the date of change in classification is as determined as under:

- For an investment held under HTM: the carrying value less the permanent impairment.

- For an investment held under AFS: the Carrying value adjusted for cumulative gains and losses previously recognised in AFS Reserve along with the permanent diminution, if any.

- For an investment held under FVTPL: the fair value on date of the change in the classification.

c. When an investment ceases to be a Subsidiary, Associate or Joint Venture, the reclassification to respective category is made as under:

- For investment reclassified into HTM, there shall be no change in the carrying value.

- For investment reclassified into AFS or FVTPL, the fair value on the date of reclassification is considered as carrying value by transferring the difference between the revised and the previous carrying values to AFS-Reserve and Profit and Loss account respectively.

d. The Bank evaluates investments in subsidiaries, associates or joint ventures for impairment at quarterly intervals. When the need to determine whether the impairment has occurred arises in respect of a subsidiary, associate or joint venture, the same is made on the basis of the valuation of the investment by an independent registered valuer and diminution if any is recognised as an expense in the Profit and Loss Account. It is subsequently reversed through Profit and Loss Account, if there is a reversal of the diminution.

## Schedules

forming part of the Balance Sheet and Profit and Loss Account for the year ended 31<sup>st</sup> March 2025

### v. Valuation in the event of inter category transfer of investments:

The reclassification between the categories (viz. HTM, AFS and FVTPL) if any, is done with approval of the Board and prior approval of the RBI. The reclassification is applied prospectively from reclassification date and is accounted in compliance with RBI guidelines.

### vi. Valuation of Security Receipts (SRs):

a. The SRs obtained by way of sale of NPA to Securitisation Company (SC)/ Asset Reconstruction Company (ARC), is recognised at lower of: (i) Net Book Value (NBV) (i.e. book value less provisions held) of the NPA; and (ii) Redemption value of SR.

b. Investments in Security Receipts are valued in accordance with the guidelines applicable to non-SLR instruments. Accordingly, in cases where the SRs issued by the SC/ ARC are limited to the actual realisation of the financial assets assigned to the instruments in the concerned scheme, the Net Asset Value, obtained from the SC/ ARC, is reckoned for valuation of such investments.

c. SRs guaranteed by the Government of India are valued at face value or Net Asset Value (NAV) declared by the ARC (based on the recovery ratings received for such instruments) whichever is lower. Any SRs outstanding after the final settlement of government guarantee or expiry of the guarantee period, whichever is earlier, are valued at ₹1.

vii. Zero-coupon discounted instruments such as Treasury Bills, Commercial Paper, Certificate of Deposits and Zero-Coupon Bonds are held at carrying cost i.e. the acquisition cost adjusted for the discount accrued at the rate prevailing at the time of acquisition.

### 2.5 Non-performing Investments (NPI):

i. In domestic offices, the investments are classified as non-performing or upgraded to standard in terms of the criterion laid down in extant Prudential Norms on Income Recognition, Asset Classification and Provisioning (IRACP) pertaining to Advances.

a. Debt instruments such as bonds or debentures are recognised as NPIs where interest/ instalment (including maturity proceeds) is

due and remains unpaid for more than 90 days. It applies mutatis mutandis to preference shares where fixed dividend is not declared/paid in any year; and the date of Balance Sheet of the issuer for that particular year is reckoned as due date for asset classification.

b. In the event the investment in equity shares of any company is valued at ₹ 1 per company on account of non-availability of the latest balance sheet or the same is more than 18 months old, those equity shares would be reckoned as NPI.

c. The Bank also classifies an investment including preference shares as a non-performing investment in case any credit facility availed by the same borrower has been classified as a non-performing asset and vice versa. However, this stipulation is not applicable in cases where only preference shares are classified as NPI. i.e. in such cases, neither the investment in any of the other performing securities issued by the same issuer is classified as NPI nor any performing credit facilities granted to that borrower is treated as NPA.

d. In case of conversion of principal and / or interest into equity, debentures, bonds, etc., such instruments are classified under HTM, AFS or FVTPL (including HFT) with the same asset classification category as that of the loan and provision is made as per the norms.

ii. Investment classified as an NPI is segregated from rest of the investments within the same category and not considered for netting valuation gains and losses. Income on non-performing investments is recognised only on realisation of the same. MTM appreciation if any in these NPI securities is ignored.

iii. Irrespective of the category (i.e., HTM, AFS or FVTPL (including HFT)) in which the investment has been placed, the expense for the provision for impairment are recognised in the Profit and Loss Account. The provision to be held on an NPI is the higher of the amount of provision on the carrying value of the investment immediately before it was classified as NPI as per IRACP norms and the depreciation on the investment with reference to its carrying value on the date of classification as NPI.

Provided that in the case of an investment categorised under AFS against which there are cumulative gains

in AFS-Reserve, the provision required is created by charging the same to AFS-Reserve to the extent of such available gains. Provided further that in the case of an investment categorised under AFS against which there are cumulative losses in AFS-Reserve, the cumulative losses are transferred from AFS-Reserve to the Profit and Loss Account.

- iv. Upon upgradation of the investment, the provision recognised is reversed and recognition of MTM gains and losses is resumed.
- v. In respect of foreign offices, classification and provisions for non-performing investments (NPIs) are made as per the local regulations or as per the norms of RBI, whichever are more prudent.

## 2.6 Accounting for Repo/ Reverse Repo transactions:

The Bank enters Repurchase and Reverse Repurchase Transactions with RBI under Liquidity Adjustment Facility (LAF) and with market participants. Repurchase Transaction represents borrowing by selling the securities with an agreement to repurchase the securities. Reverse Repo Transactions on the other hand, represent lending funds by purchasing the securities.

- i. Transactions with RBI under Liquidity Adjustment Facility (LAF) are accounted for as Collateralised Lending and Borrowing transactions.
- ii. In Repo and Reverse Repo transaction, securities sold(purchased) and repurchased (resell) are accounted as normal outright sale(purchase) transactions and such movement of securities is reflected using the Repo/ Reverse Repo Accounts and contra entries. The above entries are reversed on the date of maturity.
- iii. Balance in Repo Account is classified under Schedule 4 'Borrowings'.
- iv. All type of Reverse Repos with RBI including those under Liquidity Adjustment Facility are presented under sub item (ii) 'In Other Accounts' of item (II) Balances with RBI under Schedule 6 'Cash and balances with RBI'.
- v. Reverse Repos with banks and other institutions having original tenors up to and inclusive of 14 days are classified as Money at call and short notice under Schedule 7 'Balance with Banks and Money at call & short notice'. Reverse Repos with original maturity more than 14 days but up to 1 year are classified as Cash Credits, overdrafts, and loans repayable

on demand, under Schedule 9 'Advances'. All other Reverse Repos are classified as Term Loans under Schedule 9 'Advances'.

- vi. Borrowing cost of repo transactions and revenue on reverse repo transactions, with RBI or others, is accounted for as interest expense and interest income, respectively.

## 3. Loans/ Advances and Provisions thereon:

3.1 Based on the guidelines / directives issued by the RBI, Loans and Advances in India are classified as performing and non-performing, as follows:

- i. A term loan is classified as a non-performing asset if interest and / or instalment of principal remains overdue for a period of more than 90 days.
- ii. An Overdraft or Cash Credit is classified as a non-performing asset, if, the account remains "out of order", i.e. if the outstanding balance in the CC/OD account is less than the sanctioned limit/drawing power but there are no credits continuously for 90 days, or the credits are not enough to cover the interest debited during the previous 90 days period.
- iii. The bills purchased / discounted are classified as non-performing Asset if the bill remains overdue for a period of more than 90 days.
- iv. The agricultural advances are classified as a non-performing if,
  - a) for short duration crops, where the instalment of principal or interest remains overdue for two crop seasons; and
  - b) for long duration crops, where the principal or interest remains overdue for one crop season.

3.2 NPAs are classified into Sub-Standard, Doubtful and Loss Assets, based on the following criteria stipulated by RBI:

- i. **Sub-standard:** A loan asset that has remained non-performing for a period less than or equal to 12 months.
- ii. **Doubtful:** A loan asset that has remained in the sub-standard category for a period of 12 months or Sub-Standard Accounts where erosion in the value of security by more than 50% of the value assessed by the bank or accepted by RBI at the time of last inspection, as the case may be.
- iii. **Loss:** A loan asset where loss has been identified but the amount has not been fully written off or if the

## Schedules

forming part of the Balance Sheet and Profit and Loss Account for the year ended 31<sup>st</sup> March 2025

realisable value of the security as assessed by the Bank/approved valuers/RBI is less than 10 percent of the outstanding.

- 3.3 Provisions are made for NPAs as per the extant guidelines prescribed by the regulatory authorities:

<b>Substandard Assets:</b>	i.	Secured	15%	
	ii.	unsecured ab-initio (i.e. where realisable value of security is not more than 10 percent ab-initio).	25%	
	iii.	in respect of infrastructure advances where certain safeguards such as escrow accounts are available	20%	
<b>Doubtful Assets:</b>	Secured portion	i.	Up to one year	25%
		ii.	One to three years	40%
		iii.	More than three years	100%
	Unsecured portion			100%
<b>Loss Assets:</b>			100%	

- 3.4 In respect of foreign offices, the classification of loans and advances and provisions for NPAs are made as per the local regulations or as per the norms of RBI, whichever is more stringent.
- 3.5 Advances are net of specific loan loss provisions, unrealised interest, ECGC claims received and bills rediscounted.
- 3.6 For restructured/ rescheduled assets, provisions are made in accordance with the guidelines issued by the RBI, which require that the difference between the fair value of the loans/ advances before and after restructuring is provided for, in addition to provision for the respective loans/ advances. The Provision for Diminution in Fair Value (DFV) and interest sacrifice, if any, arising out of the above, is reduced from advances.
- 3.7 In the case of loan accounts classified as NPAs, an account may be reclassified as a performing asset if it conforms to the guidelines prescribed by the regulatory authorities.
- 3.8 Amounts recovered against debts written off in earlier years are recognised as revenue in the year of recovery.
- 3.9 In addition to the provision on NPAs, provisions are also made for standard assets as per extant RBI Guidelines. These provisions are reflected in Schedule 5 of the Balance Sheet under the head "Other Liabilities & Provisions – Others" and are not considered for arriving at the Net NPAs.
- 3.10 The Bank also makes additional provisions on specific non-performing assets.
- 3.11 Recoveries from Non-Performing Assets (NPAs) are appropriated in the following order of priority:

- Charges, Costs, Commission etc.
- Unrealised Interest / Interest
- Principal

However, in Compromise and Resolution/ Settlement through National Company Law Tribunal (NCLT) cases, the recoveries are appropriated as per the terms of respective compromise/ resolution/ settlement. And in case of suit filed accounts, recovery is appropriated as per directives of respective courts.

### 4. Floating Provisions & Countercyclical Provisioning Buffer:

The Bank has a policy for creation and utilisation of Countercyclical Provisioning Buffer in good times as well as for floating provisions separately for advances, investments, and general purposes. The quantum of floating provisions and Countercyclical Provisioning Buffer to be created is assessed at the end of the financial year. These provisions are utilised only for contingencies under extraordinary circumstances specified in the policy with prior permission of Reserve Bank of India.

### 5. Provision for Country Exposure:

In addition to the specific provisions held according to the asset classification status, provisions are also made for individual country exposures (other than the home country). Countries are categorised into seven risk categories, namely, Insignificant, Very Low, Low, Medium, High, Very High, Restricted and provisioning made as per extant RBI guidelines. If the country exposure (net) of the Bank in respect of each country does not exceed 1% of the total funded assets, no provision is maintained on such country exposures. The provision is reflected in Schedule 5 of the Balance Sheet under the head "Other Liabilities & Provisions – Others".

### 6. Derivatives:

- 6.1 The Bank enter into Interest Rate derivatives (e.g. Interest Rate Swaps, Interest Rate Futures, Interest Rate Options, Interest Rate Caps and Floors, Forward Rate Agreements) and Foreign Currency Derivatives (e.g. Foreign Exchange Contracts, Currency/Cross Currency Swaps, Currency Options, Currency Futures) to hedge on-balance sheet/ off-balance sheet assets and liabilities or for trading purposes. Bank categorises the derivatives portfolio into three fair value hierarchies viz. Level 1, Level 2, and Level 3 as defined for investments.
- 6.2 The Bank follow the hedge accounting treatment stipulated in the Guidance Note on Accounting for Derivative Contracts

(Revised 2021) issued by Institute of Chartered Accountants of India (ICAI), wherein:

- i. Under the Fair Value Hedge Accounting Model, the hedging instrument is measured at fair value with the change in fair value recognised in the Profit & Loss Account. The hedged item is re-measured at fair value in respect of the hedged risk and the resulting change is recognised in the Profit & Loss. Thus, the fair value changes of the hedged item and the hedging instrument offset and result in no net impact in the statement of Profit & Loss except for the impact of Hedge Ineffectiveness.
  - ii. Under the Cash Flow Hedge, the hedging instrument is measured at fair value with the change in fair value of an effective hedge recognised in the Cash Flow Hedge Reserve and change in fair value of ineffective portion of gain or loss recognised in Profit & Loss Account. The changes in fair value of hedging instruments recognised in Cash Flow Reserve are recycled and recognised in Profit & Loss account while the impact of the hedged item is recognised in the Profit & Loss Account.
- 6.3 Application of hedge accounting is stopped when the risk management objective as defined originally at the time of first applying hedge accounting principles is no longer met. The hedge relationship is discontinued if:
- The hedging instrument expires or is sold, terminated, or exercised.
  - Hedge items mature or is sold/terminated or forecast transaction is no longer expected to occur.
  - Hedging relationship (or a part of a hedging relationship) cease to meet the qualifying criteria for hedge accounting.
- 6.4 Except as mentioned above, all other derivative contracts are marked to market as per the Generally Accepted Accounting Practices prevalent in the industry. In respect of derivative contracts that are marked to market, changes in the market value are recognised in the Profit and Loss Account in the period of change. Any receivable under derivative contracts, which remain overdue for more than 90 days, are reversed through Profit and Loss Account to "Suspense Account Crystallised Receivables". In cases where the derivative contracts provide for more settlement in future and if the derivative contract is not terminated on the overdue receivables remaining unpaid for 90 days, the positive MTM

pertaining to future receivables is also reversed from Profit and Loss Account to "Suspense Account - Positive MTM".

- 6.5 Option premium paid or received is recorded in Profit and Loss Account at the expiry of the option. The balance in the premium received on options sold and premium paid on options bought is considered to arrive at Mark-to-Market value for forex Over the Counter (OTC) options.
- 6.6 Exchange Traded Derivatives entered in for trading purposes are valued at prevailing market rates based on rates given by the Exchange and the resultant gains and losses are recognised in the Profit and Loss Account.

## 7. Fixed Assets, Depreciation and Amortisation:

- 7.1 Fixed Assets are carried at cost less accumulated depreciation/ amortisation except for freehold premises carried at revalued amount, being fair value at the date of revaluation less accumulated depreciation, unless stated otherwise.
- 7.2 Cost includes cost of purchase and all expenditure such as site preparation, installation costs and professional fees incurred on the asset before it is put-to-use. Subsequent expenditure(s) incurred on the assets put-to-use are capitalised only when it increases the future benefits from such assets or their functioning capability. The fixed assets in domestic offices are depreciated at straight line method based on useful life of the assets stated as under:

Sl. No.	Description of Fixed Assets	Useful life for Depreciation
i.	Computers	3 years
ii.	Computer Software forming an integral part of the computer hardware	3 years
iii.	Computer Software which does not form an integral part of Computer hardware and cost of Software Development	3 years
iv.	Automated Teller Machine/ Cash Deposit Machine/ Coin Dispenser/ Coin Vending Machine	5 years
v.	Server	4 years
vi.	Network Equipment	5 years
vii.	<u>Other major fixed assets:</u>

## Schedules

forming part of the Balance Sheet and Profit and Loss Account for the year ended 31<sup>st</sup> March 2025

- 7.3 In respect of assets acquired during the year (for domestic operations), depreciation is charged on proportionate basis for the number of days the assets have been put-to-use during the year.
- 7.4 Assets costing less than ₹1,000 each are charged off in the year of purchase.
- 7.5 In respect of leasehold premises, the lease premium, if any, is amortised over the period of lease (except for premises and land on perpetual lease) and Lease payments for assets taken on Operating lease are recognised as expense in the Profit & Loss account over the lease term on straight line basis.
- 7.6 In respect of fixed assets held at foreign offices, depreciation is provided as per the regulations / norms of the respective countries.
- 7.7 The Bank revalue freehold immovable assets at every three years. The increase in Net Book Value of the asset due to revaluation is credited to the Revaluation Reserve Account without routing through the Profit and Loss Account. Additional Depreciation on the revalued asset is charged to the Profit and Loss Account and appropriated from the Revaluation Reserves to General Reserve. The revalued asset is depreciated over the balance useful life of the asset as assessed at the time of revaluation.
- 8. Impairment of Assets:**
- Assets are reviewed for impairment whenever events or changes in circumstances warrant that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future Net Discounted Cash Flows expected to be generated by the asset. If such assets are impaired, the impairment to be recognised is measured by the amount by which the carrying amount of the asset exceeds the fair value of the asset.
- 9. Effect of changes in the foreign exchange rate:**
- 9.1 Foreign Currency Transactions:**
- Foreign currency transactions are recorded on initial recognition in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the date of transaction.
  - Foreign currency monetary items are reported using the Foreign Exchange Dealers Association of India (FEDAI) closing (spot/ forward) rates.
  - Foreign currency non-monetary items, which are carried at historical cost, are reported using the exchange rate on the date of the transaction.
  - Contingent liabilities denominated in foreign currency are reported using the FEDAI closing spot rates.
  - Outstanding foreign exchange spot and forward contracts held for trading are revalued at the exchange rates notified by FEDAI for specified maturities, and the resulting Profit or Loss is recognised in the Profit and Loss Account.
  - Foreign Currency Forward or Future Contract entered to hedge payment of a monetary asset or a liability and a Currency Swap Contract (principal only; no interest rate element) that hedges the repayment of principal of foreign currency loan are revalued at the closing spot rate and exchange difference on such contracts is recognised in Profit and Loss Account.
- The premium or discount arising at the inception of these contracts is amortised as expense or income over the life of the contract. Any Profit or Loss arising on cancellation or renewal of such contracts is recognised as income or expense for the period.
- Exchange differences arising on the settlement of monetary items at rates different from those at which they were initially recorded are recognised as income or as expense in the period in which they arise.
  - Gains/ Losses on account of changes in exchange rates of open position in currency futures trades are settled with the exchange clearing house on daily basis and such gains/ losses are recognised in the Profit and Loss Account.
- 9.2 Foreign Operations:**
- Foreign Branches of the Bank and Offshore Banking Units (OBU) have been classified as Non-integral Operations and Representative Offices have been classified as Integral Operations.
- Non-integral Operations:**
    - Both monetary and non-monetary foreign currency assets and liabilities including contingent liabilities of non-integral foreign operations are translated at closing exchange rates notified by FEDAI at the Balance Sheet date.

- b. Income and expenditure of non-integral foreign operations are translated at quarterly average closing rates notified by FEDAI.
- c. Exchange differences arising on investment in non-integral foreign operations are accumulated in Foreign Currency Translation Reserve until the disposal of the investment.
- d. The Assets and Liabilities of foreign offices in foreign currency (other than local currency of the foreign offices) are translated into local currency using spot rates applicable to that country on the balance sheet date.

#### ii. Integral Operations:

- a. Foreign currency transactions are recorded on initial recognition in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the date of transaction.
- b. Monetary foreign currency assets and liabilities of integral foreign operations are translated at closing (Spot/ Forward) exchange rates notified by FEDAI at the balance sheet date and the resulting Profit/ Loss is included in the Profit and Loss Account. Contingent Liabilities are translated at Spot rate.
- c. Foreign currency non-monetary items which are carried at historical cost are reported using the exchange rate on the date of the transaction.

## 10. Employee Benefits:

### 10.1 Short Term Employee Benefits:

The undiscounted amounts of short-term employee benefits, such as medical benefits which are expected to be paid in exchange for the services rendered by employees, are recognised during the period when the employee renders the service.

### 10.2 Long Term Employee Benefits:

#### i. Defined Benefit Plans:

- a. The Bank operates a Provident Fund scheme. All eligible employees are entitled to receive benefits under the Bank's Provident Fund scheme. The Bank contributes to the fund at 10% of employee's basic pay plus eligible

allowance monthly. These contributions are remitted to a Trust established for this purpose and are charged to Profit and Loss Account. The Bank recognises such annual contributions as an expense in the year to which it relates. Shortfall, if any, is provided for based on actuarial valuation.

- b. The Bank operates Gratuity and Pension schemes which are defined benefit plans.

- The Bank provides for gratuity to all eligible employees. The benefit is in the form of lump sum payments to vested employees on retirement, or on death while in employment, or on termination of employment, for an amount equivalent to 15 days basic salary payable for each completed year of service, subject to the cap prescribed by the Statutory Authorities or Service Gratuity without cap for erstwhile Associate Bank's employees. Vesting occurs upon completion of five years of service. The Bank makes periodic contributions to a fund administered by Trustees based on an independent external actuarial valuation carried out annually.

- The Bank provides for pension to all eligible employees. The benefit is in the form of monthly payments as per rules to vested employees on retirement or on death while in employment, or on termination of employment. Vesting occurs at different stages as per rules. The Bank makes monthly contribution to the Pension Fund at 10% of salary in terms of SBI Employees' Pension Fund Regulations. The pension liability is reckoned based on an independent actuarial valuation carried out annually and Bank makes such additional contributions periodically to the Fund as may be required to secure payment of the benefits under the Pension Fund Regulations.

- c. The cost of providing defined benefits is determined using the projected unit credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains/ losses are immediately recognised in the Profit and Loss Account and are not deferred.

## Schedules

forming part of the Balance Sheet and Profit and Loss Account for the year ended 31<sup>st</sup> March 2025

### ii. Defined Contribution Plan:

The defined contribution plan i.e. a New Pension Scheme (NPS) is applicable from for all officers/ employees joining the Bank on or after 1<sup>st</sup> August 2010. As per the scheme, these employees contribute 10% of their basic pay plus dearness allowance to the scheme together with Bank's contribution at 14% of basic pay plus dearness allowance. Pending completion of registration procedures of the employees concerned, these contributions are retained as deposits in the Bank and earn interest at the rate applicable to Provident Fund balance. The Bank recognises such annual contributions and interest as an expense in the year to which they relate. Upon receipt of the Permanent Retirement Account Number (PRAN), the consolidated contribution amounts are transferred to the NPS Trust.

### iii. Other Long Term Employee Benefits:

- a. All eligible employees of the Bank are eligible for compensated absences, silver jubilee award, leave travel concession, retirement award and resettlement allowance. The costs of such long-term employee benefits are internally funded by the Bank.
- b. The cost of providing other long-term benefits is determined using the projected unit credit method with actuarial valuations being carried out at each Balance Sheet date. Past service cost, if any, is immediately recognised in the Profit and Loss Account and is not deferred.

**10.3** Employee benefits relating to employees employed at foreign offices are valued and accounted for as per the respective local laws/ regulations.

### 11. Segment Reporting:

The Bank recognises the business segment as the primary reporting segment and geographical segment as the secondary reporting segment in accordance with the RBI guidelines and in compliance with the Accounting Standard 17 issued by Institute of Chartered Accountants of India (ICAI).

### 12. Taxes on income:

Income tax expense is the aggregate amount of current tax and deferred tax expense incurred by the Bank. The current tax expense and deferred tax expense are determined in accordance with the provisions of the Income Tax Act,

1961 and as per Accounting Standard 22 – “Accounting for Taxes on Income” respectively after considering taxes paid at the foreign offices, which are based on the tax laws of respective jurisdictions. Deferred Tax adjustments comprise of changes in the deferred tax assets or liabilities during the year. Deferred tax assets and liabilities are recognised by considering the impact of timing differences between taxable income and accounting income for the current year and carry forward losses. Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted at the balance sheet date. The impact of changes in deferred tax assets and liabilities is recognised in the profit and loss account. Deferred tax assets are recognised and re-assessed at each reporting date, based upon management's judgment as to whether their realisation is considered as reasonably certain. Deferred Tax Assets are recognised on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty supported by convincing evidence that such deferred tax assets can be realised against future profits.

### 13. Earnings Per Share:

- 13.1 The Bank reports basic and diluted earnings per share in accordance with AS 20 – “Earnings Per Share” issued by Institute of Chartered Accountants of India (ICAI). Basic Earnings Per Share are computed by dividing the Net Profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding for the year.
- 13.2 Diluted Earnings Per Share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted Earnings Per Share are computed using the weighted average number of equity shares and dilutive potential equity shares outstanding at year end.

### 14. Provisions, Contingent Liabilities and Contingent Assets:

- 14.1 In conformity with AS 29, “Provisions, Contingent Liabilities and Contingent Assets”, issued by the Institute of Chartered Accountants of India, the Bank recognises provisions only when it has a present obligation because of a past event, and would result in a probable outflow of resources embodying economic benefits will be required to settle the obligation, and when a reliable estimate of the amount of the obligation can be made.
- 14.2 No provision is recognised for:

- i. any possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Bank; or
- ii. any present obligation that arises from past events but is not recognised because:
  - a. it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
  - b. a reliable estimate of the amount of obligation cannot be made.

Such obligations are recorded as Contingent Liabilities. These are assessed at regular intervals and only that part of the obligation for which an outflow of resources embodying economic benefits is probable, is provided for, except in the extremely rare circumstances where no reliable estimate can be made.

- 14.3 Provision for reward points in relation to the "Enterprise-Wide Loyalty Programme" of the Bank is being provided for on the basis of actuarial estimates.
- 14.4 Provisions for onerous contracts are recognised when the expected benefits to be derived by the Bank from a contract are lower than the unavoidable costs of meeting the future obligations under the contract. The provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the Bank recognises any impairment loss on the assets associated with that contract.
- 14.5 Contingent Assets are not recognised in the financial statements.

#### 15. Bullion Transactions:

The Bank imports bullion, including precious metal bars, on a consignment basis to sell to customers. These imports are usually back-to-back and priced based on the supplier's

quoted rate. The Bank earns a fee from these transactions, which is recorded as commission income.

The Bank also accepts gold deposits and provides gold loans, which are treated as deposits and advances, respectively. Interest paid or received on these is recorded as interest expense or income.

Gold deposits, metal loan advances, and closing gold balances are valued at the market rate available on the Balance Sheet date.

#### 16. Special Reserve:

Revenue and other Reserve include Special Reserve created under Section 36(i)(viii) of the Income Tax Act, 1961. The Board of Directors of the Bank has passed a resolution approving creation of the reserve and confirming that it has no intention to make withdrawal from the Special Reserve.

#### 17. Capital Reserve:

- 17.1 Profit on sale of investments in the Held to Maturity (HTM) category; sale / reclassification of an investment in a subsidiary, associate or joint venture and sale of Fixed Assets are appropriated to Capital Reserve (net of applicable taxes and amount required to be transferred to Statutory Reserve).
- 17.2 Any gain or loss on sale of equity instruments designated under AFS is transferred from AFS-Reserve to the Capital Reserve (net of applicable taxes and amount required to be transferred to Statutory Reserve). As against this, gain or loss on sale of debt instruments in AFS category is transferred from AFS-Reserve to the Profit & Loss Account.

#### 18. Share Issue Expenses:

Share issue expenses are charged to the Share Premium Account.

#### 19. Cash and cash equivalents:

Cash and cash equivalents include Cash and Balances with RBI, Balances with Banks and money at call and short notice.

#### b. Liquidity Coverage Ratio (LCR):

##### i. Standalone LCR

Liquidity Coverage Ratio (LCR) standard has been introduced in the Bank with an objective to maintain an adequate level of unencumbered High Quality Liquid Assets (HQLAs) that can be converted into cash to meet its liquidity needs for a 30-calendar days time horizon under a significantly severe liquidity stress scenario.

LCR =  $\frac{\text{Stock of High-Quality Liquid Assets (HQLAs)}}{\text{Total net cash outflows over the next 30 calendar days}}$

Total net cash outflows over the next 30 calendar days

Liquid assets comprise of high-quality assets that can be readily encashed or used as collateral to obtain cash in a stress scenario. There are two categories of assets included in the stock of HQLAs, viz. Level 1 and Level 2 (Level 2A and Level 2B) assets. While Level 1 assets attract 0% haircut, Level 2A and Level 2B assets are with 15% and 50% haircuts respectively. The total net cash outflows is the total expected cash outflows less total expected cash inflows for the subsequent 30 calendar days. Total expected cash outflows are calculated by multiplying the outstanding balances of various categories or types of liabilities and off-balance sheet commitments by the rates at which they are expected to run-off or be drawn down. Total expected cash inflows are calculated by multiplying the outstanding balances of various categories of contractual receivables by the rates at which they are expected to flow in up to an aggregate cap of 75% of total expected cash outflows.

In accordance with RBI guidelines vide circular No. RBI/2014-15/529 DBR. No. BP.BC.80/21.06.201/2014-15 dated 31<sup>st</sup> March 2015, average weighted and unweighted amounts have been calculated taking simple daily average. The Bank has considered 68 data points for the quarter January to March 2025.

## Schedules

forming part of the Balance Sheet and Profit and Loss Account for the year ended 31<sup>st</sup> March 2025

Bank's LCR comes to 132.26% based on daily average position of three months (Q4 FY2024-25) and remained above the minimum regulatory requirement of 100%. Average HQLA held during the quarter was ₹14,37,326 Crore, with 96.47% being Level 1 assets. Level 2A and Level 2B assets constitute 2.82% and 0.71% of total HQLA, respectively. Government Securities constituted 92.76% of Total Level 1 Assets. During the quarter, the weighted average HQLA level increased by ₹10,115 Crore primarily on account of growth in excess CRR balance. Further, the weighted average net cash outflows position grown by ₹35,288 Crore on account of increase in deposits level across all the segments. Derivative exposures are considered insignificant due to almost matching inflows and outflows position. During the quarter, LCR for USD (significant Foreign Currency constituting more than 5% of the Balance Sheet of the Bank) was at 418.77%, on an average.

Liquidity Management in the Bank is driven by the ALM Policy of the Bank and regulatory prescriptions. The Domestic and International Treasuries are apprising the liquidity position to the Asset Liability Management Committee (ALCO) of the Bank. The ALCO has been empowered by the Bank's Board to formulate the Bank's funding strategies to ensure that the funding sources are well diversified and is consistent with the operational requirements of the Bank. All the major decisions of ALCO are being reported to the Bank's Board subsequently. Besides daily/monthly LCR reporting, Bank also prepares daily Structural Liquidity statements to assess the liquidity needs of the Bank on an ongoing basis.

The Bank has been maintaining HQLA mainly in the form of SLR investments over and above the mandatory requirements. Retail deposits constitute major portion of total funding sources, which are well diversified. Management is of the view that the Bank has sufficient liquidity cushion to meet the future commitments.

### ii. Consolidated LCR

The RBI through a supplementary guideline issued on 31<sup>st</sup> March 2015 had stipulated the implementation of LCR at a consolidated level from 1<sup>st</sup> January 2016 and accordingly, LCR has been computed at Group level.

The entities covered in the Group LCR are SBI and Seven (7) Overseas Banking Subsidiaries - Commercial Indo Bank LLC, Moscow, Nepal SBI Bank Ltd., State Bank of India (California), SBI Canada Bank, State Bank of India (Mauritius) Ltd, PT Bank SBI Indonesia and State Bank of India (UK) Ltd and One Non-Banking Subsidiary (NBS) - SBI Cards and Payment Services Ltd.

SBI Group LCR comes to 132.83% as on 31<sup>st</sup> March 2025 based on average of three months January, February and March 2025, which is above the minimum regulatory requirement of 100%.

The Group has been maintaining HQLA mainly in the form of SLR investments over and above the mandatory requirements. Retail deposits constitute major portion of total funding sources, and such funding sources are well diversified. Management is of the view that the Bank has sufficient liquidity cover to meet its likely future short-term requirements.

### c. Net Stable Funding Ratio:

#### i. Standalone Net Stable Funding Ratio

Net Stable Funding Ratio (NSFR) guidelines ensure reduction in funding risk over a longer time horizon by requiring banks to fund their activities with sufficiently stable sources of funding in order to mitigate the risk of future funding stress. The NSFR is defined as the amount of Available Stable Funding relative to the amount of Required Stable Funding.

$$\text{NSFR} = \frac{\text{Available Stable Funding (ASF)}}{\text{Required Stable Funding (RSF)}} \geq 100\%$$

## Schedules

forming part of the Balance Sheet and Profit and Loss Account for the year ended 31<sup>st</sup> March 2025

Bank's NSFR comes to 121.76% as at the end of Q4 FY 2024-25 and is above the minimum regulatory requirement of 100% stipulated in the RBI guidelines effective from 01<sup>st</sup> October 2021. As on 31<sup>st</sup> March 2025, the position of Available Stable Funding (ASF) stood at ₹48,58,729 Crore and Required Stable Funding (RSF) stood at ₹39,90,382 Crore. The values of total ASF has increased over 31<sup>st</sup> December 2024 while the total RSF has decreased over 31<sup>st</sup> December 2024. ASF is defined as the portion of capital and liabilities expected to be reliable over the time horizon considered for the NSFR. RSF of a specific institution is a function of the liquidity characteristics and residual maturities of the various assets held by that institution as well as its Off-Balance Sheet (OBS) exposures.

Liquidity Management in the Bank is driven by the Bank's ALM Policy and regulatory guidelines. The Domestic and International Treasuries are reporting to the Asset Liability Management Committee (ALCO). ALCO has been empowered by the Bank's Board to formulate the funding strategies to ensure that the sources of funding are well diversified and is consistent with the operational requirements of the Bank. All major decisions of ALCO are periodically reported to the Banks Board.

The Bank has been maintaining HQLA mainly in the form of SLR investments over and above the mandatory requirements. Retail deposits constitute major portion of total funding sources, which are well diversified. Management is of the view that the Bank has got sufficient liquidity to meet its immediate / likely future requirements.

### ii. Consolidated Net Stable Funding Ratio

The RBI guidelines stipulated the implementation of NSFR at a consolidated level from December 2021 quarter and accordingly, NSFR has been computed at Group level.

The entities covered in the Group NSFR are SBI and Seven Overseas Banking Subsidiaries. Commercial Indo Bank LLC, Moscow, Nepal SBI Bank Ltd., State Bank of India (California), SBI Canada Bank, State Bank of India (Mauritius) Ltd, PT Bank SBI Indonesia and State Bank of India (UK) Ltd.

SBI Group NSFR comes to 122.02% as on 31<sup>st</sup> March 2025 which is above the minimum regulatory requirement of 100%.

Available stable funding (ASF) is defined as the portion of Capital and Liabilities expected to be reliable over the time horizon considered by the NSFR, which extends to one year. The Required stable funding (RSF) of a specific group is a function of the liquidity characteristics and residual maturities of the various assets held by that group as well as those of its Off-Balance Sheet (OBS) exposures.

### c. Risk Exposure in Derivatives:

#### Qualitative Risk Exposure

- i) The Bank currently deals in over the counter (OTC) interest rate and currency derivatives as also in Interest Rate Futures and Exchange Traded Currency Derivatives.

Interest Rate Derivatives dealt by the Bank are rupee interest rate swaps, foreign currency interest rate swaps and forward rate agreements, cap, floor and collars.

Currency derivatives dealt by the Bank are currency swaps, rupee dollar options and cross-currency options.

The Bank also deals in Non-deliverable Options and Non-deliverable Forwards as permitted by RBI.

The products are offered to the Bank's customers to hedge their exposures and the Bank also enters into derivatives contracts to cover off such exposures. Derivatives are used by the Bank both for trading as well as hedging balance sheet items.

The Bank also runs option position in USD/INR, which is managed through various types of loss limits and Greek limits.

- ii) Derivative transactions carry market risk i.e. the probable loss the Bank may incur as a result of adverse movements in interest rates/exchange rates and credit risk i.e. the probable loss the Bank may incur if the counterparties fail to meet their obligations. The Bank's "Policy for Derivatives" approved by the Board prescribes the market risk parameters (Greek limits, Loss Limits, cut-loss triggers, open position limits, duration, modified duration, PV01 etc.) as well as customer eligibility criteria (credit rating, tenure of relationship, limits and customer appropriateness and suitability of policy (CAS) etc.)
- iii) For entering into derivative transactions, Credit risk is controlled by entering derivative transactions only with counterparties satisfying the criteria prescribed in the Policy. Appropriate limits are set for the counterparties taking into account their ability to honour obligations and the Bank enters into ISDA agreement with each counterparty.
- iv) The Asset Liability Management Committee (ALCO) of the Bank oversees efficient management of these risks. The Bank's Market Risk Management Department (MRMD) identifies, measures, monitors market risk associated with derivative transactions, assists ALCO in controlling and managing these risks and reports compliance with policy prescriptions to the Risk Management Committee of the Board (RMCB) at regular intervals.
- v) The accounting policy for derivatives has been drawn-up in accordance with RBI guidelines, the details of which are presented under Schedule 17: Significant Accounting Policies (SAP).

- vi) Interest Rate Swaps are mainly used for hedging of the assets and liabilities.
- vii) Majority of the swaps were done with First class counterparty banks.
- viii) Derivative transactions comprise of swaps which are disclosed as contingent liabilities. The swaps are categorised as trading or hedging.
- ix) Derivative deals are entered with only those interbank participants for whom counterparty exposure limits are sanctioned. Similarly, derivative deals entered with only those corporates for whom credit exposure limit is sanctioned. Collateral requirements for derivative transactions are laid down as a part of credit sanctions terms on a case-by-case basis. Such collateral requirements are determined based on usual credit appraisal process. The Bank retains the right to terminate transactions as a risk mitigation measure in certain cases.

## 18.14. DISCLOSURE REQUIREMENTS AS PER THE ACCOUNTING STANDARDS

### a. Accounting Standard 5: Net Profit or Loss for the period, Prior Period Items and Changes in Accounting Policies:

During the year, there were no material prior period income / expenditure items.

There is no change in the Significant Accounting Policies adopted during the year ended 31<sup>st</sup> March 2025 as compared to those followed in the previous financial year ended 31<sup>st</sup> March 2024 except for the following:

i. The changes required on account of **RBI Master Direction RBI/DOR/2023-24/104 DOR.MRG.36/21.04.141/2023-24 dated 12<sup>th</sup> September 2023**, applicable from 1<sup>st</sup> April 2024 as stated below:

- **Policies on classification and valuation of investments:**

With effect from 1<sup>st</sup> April 2024 the Bank adopted the revised framework of classification and valuation of investments issued by RBI vide Master Direction No. RBI/DOR/2023-24/104 DOR.MRG.36/21.04.141/2023-24 on Classification, Valuation and Operation of Investment Portfolio of Commercial Banks (Directions), 2023 dated 12<sup>th</sup> September 2023. The disclosure of transition impact in terms of Para 43 of the RBI Circular is disclosed under Para 18.3 Investments of Notes to Accounts.

- **Method of recording the transactions in HTM securities:**

As per the extant Policy, the premium paid on acquisition of HTM category Investments was amortised over the term to maturity on a constant yield basis. In terms of new investment framework, the Bank has switched over to Weighted Average Carrying Cost (WACC) from First in First Out (FIFO) method of recording transactions uniformly across all categories of investments and amortisation of both, premium and discount on acquisition.

• **Method of amortisation for Floating Rate Bonds:**

The revised framework on Investment allow amortisation of premium and discount across all categories of investments. To comply with these amortisation norms, the Bank has now switched over to Straight Line Method from Constant Yield Method.

The impact of the revised framework for the period prior to the transition date is not ascertainable. As a result, the income/ profit or loss from investments for the year ended on 31<sup>st</sup> March 2025 are not comparable to figures reported for the year ended on 31<sup>st</sup> March 2024.

- ii. As per RBI Circular no. RBI/DOR/2024-25/135 DOR.STR.REC.72/ 21.04.048/2024-25 dated 29<sup>th</sup> March 2025, on guidelines for Government-guaranteed Security Receipts, banks are permitted to reverse any excess provision to the Profit and Loss Account in the year of transfer of a loan to an Asset Reconstruction Company (ARC) for a value higher than the Net Book Value (NBV), provided the consideration consists solely of cash and SRs guaranteed by the Government of India. Such SRs shall be valued periodically by reckoning the Net Asset Value (NAV) declared by the ARC based on the recovery ratings received for such instruments.

The Bank has carried SRs guaranteed by Government of India at face value or Net Asset Value (NAV) declared by the ARC, whichever is lower by crediting to the Profit and Loss Account ₹3,874.99 Crore, being the lower of face value or NAV pertaining to 19 Trust accounts managed by National Asset Reconstruction Company Ltd. (NARCL).

**b. Accounting Standard - 15 "Employee Benefits":**

The employee benefits listed above are in respect of the employees in India. The employees of the foreign operations are not covered in the above schemes.

The expected contribution to the Pension and Gratuity Fund for the next year is ₹3,045.99 Crore and ₹1,347.52 Crore respectively.

As the plan assets are marked to market on the basis of the yield curve derived from government securities, the expected rate of return has been kept the same as the discount rate.

The estimates of future salary growth, factored in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market. Such estimates are very long term and are not based on limited past experience / immediate future. Empirical evidence also suggests that in very long term, consistent high salary growth rates are not possible. The said estimates and assumptions have been relied upon by the auditors.

### c. Accounting Standard - 17 "Segment Reporting"

#### 1. Segment Identification

##### I. Primary (Business Segment)

The following are the primary segments of the Bank: -

- Treasury
- Corporate / Wholesale Banking
- Retail Banking
- Other Banking Business.

The present accounting and information system of the Bank does not support capturing and extraction of the data in respect of the above segments separately. However, based on the present internal, organisational and management reporting structure and the nature of their risk and returns, the data on the primary segments have been computed as under:

##### i. Treasury

The Treasury Segment includes the entire investment portfolio and trading in foreign exchange contracts and derivative contracts. The revenue of the treasury segment primarily consists of fees and gains or losses from trading operations and interest income on the investment portfolio.

##### ii. Corporate / Wholesale Banking

The Corporate / Wholesale Banking segment comprises the lending activities of Corporate Accounts Group, Commercial Clients Group and Stressed Assets Resolution Group. These include providing loans and transaction services to corporate and institutional clients and further include non-treasury operations of foreign offices.

##### iii. Retail Banking

The Retail Banking Segment comprises of retail branches, which primarily includes Personal Banking activities including lending activities to corporate customers having banking relations with these branches. This segment also includes agency business and ATMs. As per RBI Circular DOR. AUT. REC.12/22.01.001/2022-23 dated 7<sup>th</sup> April 2022, for the purpose of disclosure under Accounting Standard 17 Segment Reporting "Digital Banking" has been identified as a sub-segment under the "Retail Banking Segment".

##### iv. Other Banking business

Segments not classified under (i) to (iii) above are classified under this primary segment.

## II. Secondary (Geographical Segment)

- i) Domestic Operations - Branches/Offices having operations in India
- ii) Foreign Operations - Branches/Offices having operations outside India and offshore Banking units having operations in India

## III. Pricing of Inter-segmental Transfers

The Retail Banking segment is the primary resource mobilising unit. The Corporate/Wholesale Banking and Treasury segments are recipient of funds from Retail Banking. Market related Funds Transfer Pricing (MRFTP) is followed under which a separate unit called Funding Centre has been created. The Funding Centre notionally buys funds that the business units raise in the form of deposits or borrowings and notionally sells funds to business units engaged in creating assets.

## IV. Allocation of Expenses, Assets and Liabilities

Expenses incurred at Corporate Centre establishments directly attributable either to Corporate / Wholesale and Retail Banking Operations or to Treasury Operations segment, are allocated accordingly. Expenses not directly attributable are allocated on the basis of the ratio of number of employees in each segment/ratio of directly attributable expenses.

The Bank has certain common assets and liabilities, which cannot be attributed to any segment and the same are treated as unallocated.

**i. Accounting Standard - 28 "Impairment of Assets":**

In the opinion of the Bank's Management, there is no indication of impairment to the non-monetary assets during the year.

**j. Accounting Standard - 29 "Provisions, Contingent Liabilities and Contingent Assets":**

**Description of Contingent liabilities:**

Sr. No.	Particulars	Brief Description
1	Claims against the Bank not acknowledged as debts	The Bank is a party to various proceedings in the normal course of business. The Bank does not expect the outcome of these proceedings to have a material adverse effect on the Bank's financial conditions, results of operations or cash flows. The Bank is also a party to various taxation matters in respect of which appeals are pending.
2	Liability on partly paid-up investments/ Venture Funds	This item represents amounts remaining unpaid towards liability for partly paid investments. This also includes undrawn commitments for Venture Capital Funds.
3	Liability on account of outstanding forward exchange contracts	The Bank enters into foreign exchange contracts in its normal course of business to exchange currencies at a pre-fixed price at a future date. Forward exchange contracts are commitments to buy or sell foreign currency at a future date at the contracted rate. The notional amounts are recorded as Contingent Liabilities. With respect to the transactions entered into with its customers, the Bank generally enters into off-setting transactions in the interbank market. This results in generation of a higher number of outstanding transactions and hence a large value of gross notional principal of the portfolio, while the net market risk is lower.
4	Guarantees given on behalf of constituents, acceptances, endorsements and other obligations	As a part of its commercial Banking activities, the Bank issues documentary credits and guarantees on behalf of its customers. Documentary credits enhance the credit standing of the customers of the Bank. Guarantees generally represent irrevocable assurances that the Bank will make payment in the event of the customer failing to fulfil its financial or performance obligations.
5	Other items for which the Bank is contingently liable	The Bank enters into currency options, forward rate agreements, currency swaps and interest rate swaps with inter-Bank participants on its own account and for customers. Currency swaps are commitments to exchange cash flows by way of interest/principal in one currency against another, based on predetermined rates. Interest rate swaps are commitments to exchange fixed and floating interest rate cash flows. The notional amounts that are recorded as Contingent Liabilities, are typically amounts used as a benchmark for the calculation of the interest component of the contracts. Further, these also include estimated amount of contracts remaining to be executed on capital account and not provided for, letter of comforts issued by the Bank on behalf of Associates & Subsidiaries, Bank's Liability under Depositors Education and Awareness Fund A/c and other sundry contingent liabilities.

The Contingent Liabilities mentioned above are dependent upon the outcome of Court/ arbitration/out of Court settlements, disposal of appeals, the amount being called up, terms of contractual obligations, devolvement and raising of demand by concerned parties, as the case may be.

## Independent Auditors' Report

To

**The President of India**

**REPORT ON AUDIT OF THE STANDALONE FINANCIAL STATEMENTS OF STATE BANK OF INDIA**

### Opinion

1. We have audited the accompanying Standalone Financial Statements of **State Bank of India** ("the Bank") which comprise the Balance Sheet as at March 31, 2025, the Profit and Loss Account and Cash Flow Statement for the year then ended, and Notes to Standalone Financial Statements including Significant Accounting Policies and other explanatory information in which are included financial results for the year ended on that date
  - i. The Central offices, 17 Local Head offices, Global Market Unit, International Business Group, Corporate Accounts Group (Central), Commercial Client Group (Central), Stressed Asset Resolution Group (Central), Central Accounts Offices and 20 branches audited by us and;
  - ii. 6150 Indian branches audited by respective Statutory Branch Auditors;
  - iii. 35 Foreign branches audited by respective Local Auditors;

The branches audited by us and those audited by other auditors have been selected by the Bank in accordance with the guidelines issued to the Bank by the Reserve Bank of India (RBI). Also incorporated in the Balance Sheet, the Profit and Loss Account and the Statement of Cash Flows are the financial statement/ financial information from 19,400 Indian branches (including other accounting units) which have not been subjected to audit. These unaudited branches account for 23.47% of advances, 42.74% of deposits, 18.71% of interest income and 34.14% of interest expenses.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Banking Regulation Act, 1949 and State Bank of India Act, 1955 in the manner so required for the Bank and are in conformity with accounting principles generally accepted in India and:

- a) the Balance Sheet, read with the notes thereon is a full and fair Balance Sheet containing all the necessary particulars, is properly drawn up so as to exhibit a true and fair view of the state of affairs of the Bank as at 31<sup>st</sup> March, 2025;
- b) the Profit and Loss Account, read with the notes thereon shows a true balance of profit for the year ended on that date; and
- c) the Cash Flow Statement gives a true and fair view of the cash flows for the year ended on that date.

### Basis for Opinion

2. We conducted our audit in accordance with the Standards on Auditing ("SAs") issued by the Institute of Chartered Accountants of India ("the ICAI"). Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Bank in accordance with the Code of Ethics issued by the ICAI together with ethical requirements that are relevant to our audit of the Standalone Financial Statements, prepared in accordance with the accounting principles generally accepted in India, including the Accounting Standards issued by the ICAI, and provisions of section 29 of the Banking Regulation Act, 1949 and circulars and guidelines issued by the Reserve Bank of India ("RBI") from time to time and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Key Audit Matters

3. Key Audit Matters are those matters that in our professional judgment were of most significance in our audit of the Standalone Financial Statements for the year ended March 31, 2025. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined the matters described below to be the Key Audit Matters to be communicated in our report:

Sr.	Key Audit Matters	How the matter was addressed in our audit
i	<p>Classification of Advances, Income Recognition, Identification of and provisioning for non-performing Advances (Refer Schedule 9 read with Note 3 of Schedule 17 to the financial statements)</p> <p>Advances include Bills purchased and discounted, Cash credits, Overdrafts, Loans repayable on demand and Term loans. These are further categorised as secured by Tangible assets (including advances against Book Debts), covered by Bank/Government Guarantees and Unsecured advances.</p> <p>Advances constitute 62.36 per cent of the Bank's total assets. They are, inter-alia, governed by income recognition, asset classification and provisioning (IRAC) norms and other circulars and directives issued by the RBI from time to time which provides guidelines related to classification of Advances into performing and non-performing Advances (NPA) except in case of foreign offices, classification of advances and provisioning thereof is made as per local regulations or RBI guidelines, whichever is more stringent. The Bank classifies these Advances based on IRAC norms as per its accounting policy No. 3.</p> <p>Identification of performing and non-performing Advances involves establishment of proper mechanism. The Bank accounts for all the transactions related to Advances in its Information Technology System (IT System) viz. Core Banking Solution (CBS) which identifies whether the advances are performing or non-performing.</p> <p>Further, NPA classification and calculation of provision (except in case of foreign offices) is done through another IT System viz. Centralised Credit Data Processing (CCDP) Application Software and other processes.</p> <p>The carrying value of these advances (net of provisions) may be materially misstated if, either individually or in aggregate, the IRAC norms are not properly followed.</p> <p>Considering the nature of the transactions, regulatory requirements, existing business environment, estimation/ judgement involved in valuation of securities and calculation of provisions, it is a matter of high importance for the intended users of the Standalone Financial Statements. Considering these aspects, we have determined this as a Key Audit Matter.</p> <p>Accordingly, our audit was focused on income recognition, asset classification and provisioning pertaining to advances due to the materiality of the balances.</p>	<p>Our audit approach towards advances with reference to the IRAC norms and other related circulars/directives issued by the RBI and also internal policies and procedures of the Bank includes the testing of controls on sample basis,</p> <p>a. The accuracy of the data input in the system for income recognition, classification into performing and non performing Advances and provisioning in accordance with the IRAC norms in respect of the branches audited by us;</p> <p>b. Existence and effectiveness of monitoring mechanisms such as Internal Audit, Systems Audit, Credit Audit and Concurrent Audit as per the policies and procedures of the Bank;</p> <p>c. Examination of advances including stressed advances on a sample basis with respect to compliance with the RBI Master Circulars / Guidelines/ Judicial pronouncements;</p> <p>d. We have relied on the reports of IT System Audit by IAD with respect to the business logics / parameters inbuilt in CBS and CCDP for tracking, identification and stamping of NPAs and provisioning in respect thereof.</p> <p>e. We tested the mapping of advances in the CCDP application software and the financial statement preparation software to ensure compliance with the presentation and disclosure requirements as per the aforesaid RBI Circular/directions.</p> <p>f. We have examined the efficacy of various internal controls over advances to determine the nature, timing and extent of the substantive procedures and compliance with the observations of the various audits conducted as per the monitoring mechanism of the Bank and RBI Inspection.</p> <p>g. In carrying out substantive procedures at the branches audited by us, we have examined large advances/ stressed advances while other advances have been examined on a sample basis including review of valuation reports of independent valuers provided by the Bank's management.</p> <p>h. We assessed and evaluated the process of identification of NPAs and corresponding reversal of income and creation of provision;</p> <p>i. Reliance is also placed on Audit Reports of other Statutory Branch Auditors with whom we have also made specific communication.</p> <p>j. Bank has laid down detailed Standard Operating Procedure to ensure control over processes. We have relied on these Standard Operating Procedures and have conducted our testing based on these Standard Operating Procedures.</p>

## Independent Auditors' Report

Sr.	Key Audit Matters	How the matter was addressed in our audit
ii	<p>Classification and Valuation of Investments, Identification of and provisioning for Non-Performing Investments (Schedule 8 read with Note 2.5 of Schedule 17 to the financial statements)</p> <p>Investments include investments made by the Bank in various Government Securities, Bonds, Debentures, Shares, Security Receipts and other approved securities.</p> <p>Investments constitute 25.32 per cent of the Bank's total assets. These are governed by the circulars and directives of the RBI. These directions of RBI, inter-alia, cover valuation of investments, classification of investments, identification of non-performing investments, the corresponding non-recognition of income and provision there against.</p> <p>The valuation of each category (type) of the aforesaid securities is to be done as per the valuation hierarchy prescribed in circulars and directives issued by the RBI which involves collection of data/information from various sources such as FIMMDA/ FBIL rates, rates quoted on BSE/NSE, financial statements of unlisted companies, NAVs of mutual funds, AIFs, VCFs, Security Receipts etc. Considering the complexities and extent of judgement involved in the valuation, volume of transactions, investments on hand and degree of regulatory focus, this has been determined as a Key Audit Matter.</p> <p>Accordingly, our audit was focused on valuation of investments, classification, identification of non-performing investments and provisioning related to investments.</p>	<p>Our audit approach towards Investments with reference to the RBI Circulars/directives included the understanding of internal controls and substantive audit procedures in relation to valuation, classification, identification of non-performing investments (NPIs), provisioning / depreciation related to Investments. In particular;</p> <ol style="list-style-type: none"> <li>We understood and reviewed the methodology adopted by the Bank for classification of investments into various categories as per RBI guidelines;</li> <li>We understood and evaluated the Bank's internal control system to comply with relevant RBI guidelines regarding valuation, classification, identification of NPIs, provisioning /depreciation related to investments;</li> <li>We assessed and evaluated the process adopted for collection of information from various sources for determining fair value of these investments;</li> <li>For the selected sample of investments in hand, we tested accuracy and compliance with the RBI Master Circulars and directions by re-performing valuation for each category of security. Samples were selected after ensuring that all the categories of investments (based on nature of security) were covered in the sample;</li> <li>We assessed and evaluated the process of identification of NPIs and corresponding reversal of income and creation of provision;</li> <li>We carried out substantive audit procedures to recompute independently the provision to be maintained and depreciation to be provided in accordance with the circulars and directives of the RBI. Accordingly, we selected samples from the investments of each category and tested for NPIs as per the RBI guidelines and recomputed the provision to be maintained in accordance with the RBI Circular for those selected sample of NPIs;</li> <li>We tested the mapping of investments between the Investment application software and the financial statement preparation software to ensure compliance with the presentation and disclosure requirements as per the aforesaid RBI Circular/directions.</li> </ol>
iii	<p>Assessment of Provisions and Contingent liabilities in respect of certain litigations including Direct and Indirect Taxes, various claims filed by other parties not acknowledged as debt (Schedule 12 read with Note 18.14(j) of Schedule 18 to the financial statements):</p> <p>There is high level of judgement required in estimating the level of provisioning. The Bank's assessment is supported by the facts of matter, their own judgment, past experience, and advice from legal and independent tax consultants wherever considered necessary. Accordingly, unexpected adverse outcomes may significantly impact the Bank's reported profit and state of affairs presented in the Balance Sheet.</p> <p>We determined the above area as a Key Audit Matter in view of associated uncertainty relating to the outcome of these matters which requires application of judgment in interpretation of law. Accordingly, our audit was focused on analysing the facts of subject matter under consideration and judgments/ interpretation of law involved.</p>	<p>Our audit approach involved:</p> <ol style="list-style-type: none"> <li>Obtaining an understanding of internal controls relevant to the audit in order to design our audit procedures that are appropriate in the circumstances;</li> <li>Understanding the current status of the litigations/tax assessments including the status up to the date of auditor's report;</li> <li>Examining recent orders and/or communication received from various tax authorities/ judicial forums and follow up action thereon;</li> <li>Evaluating the merit of the subject matter under consideration with reference to the grounds presented therein and available independent legal / tax advice including opinion of our internal tax experts;</li> <li>Review and analysis of evaluation of the contentions of the Bank through discussions, collection of details of the subject matter under consideration, the likely outcome and consequent potential outflows on those issues; and</li> <li>Verification of disclosures related to significant litigations and taxation matters.</li> </ol>

Sr.	Key Audit Matters	How the matter was addressed in our audit
iv	<p>Valuation of employees' defined benefit obligations:</p> <p>The Bank has recognised long-term defined benefit obligations for its employees on actuarial basis. Pension and gratuity obligations are funded by the Bank. Shortfall, if any, in Bank's Provident Fund Scheme is also provided for on actuarial basis. The Bank makes periodic contributions to fund administered by Trustees based on an independent external actuarial valuation carried out annually. Unfunded long-term defined benefit obligations are compensated absences, silver jubilee award, leave travel concession, retirement award and resettlement allowance. The cost of providing unfunded long-term benefits is determined using the projected unit credit method with actuarial valuations being carried out at each Balance Sheet date.</p> <p>The actuarial valuations of employee benefit obligations are dependent on market conditions and assumptions made. The key audit matter specifically relates to the following key assumptions: discount rate, inflation expectations and life expectancy assumptions. The setting of these assumptions is complex and requires the exercise of significant management judgement with the support of third-party actuary.</p>	<p>We tested governance and controls in place over the methodologies and the significant assumptions, including those in relation to the use of management's experts. We examined the reports of external actuarial specialist and reviewed the key actuarial assumptions used, both financial and demographic, and considered the methodology applied to derive these assumptions including review of input data provided for actuarial valuations of employees' defined benefit obligations. Furthermore, we have examined the sensitivity analysis on the key assumptions in valuing the defined benefit obligations. We also evaluated the objectivity and competence of management's expert involved in the valuation of the defined benefit obligation. We assessed the appropriateness of the methodology used, and tested the accuracy of the calculation, to estimate the liability.</p>

## Other Matters

4. We did not audit the financial statements / information of 6,185 branches, (including 35 foreign branches) included in the standalone financial statements of the Bank whose financial statements / financial information reflect total assets of ₹25,45,347.73 Cr as at 31<sup>st</sup> March 2025 and total revenue of ₹1,96,196 Cr for the year ended on that date, as considered in the standalone financial statements. These branches and processing centres cover 60% of advances, 57.22% of deposits and 71% of Non-performing assets as at 31<sup>st</sup> March 2025 and 37.42% of revenue for the year ended 31<sup>st</sup> March 2025. The financial statements / information of these branches have been audited by the branch auditors whose reports have been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of branches, is based on the report of such branch auditors.

Our opinion is not modified in respect of the above matter.

## Information Other than the Standalone Financial Statements and Auditors' Report thereon

5. The Bank's Board of Directors is responsible for preparation of the Other Information. The Other Information comprises the Corporate Governance Report which we obtained at the time of issue of this report. The Other Information includes Directors Report with annexures (but does not include the Standalone Financial Statements and our Auditors' Report thereon), which is expected to be made available to us after the date of this Auditors' Report.

Our opinion on the Standalone Financial Statements does not cover the Other Information and Pillar 3 disclosures under the Basel III and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the Other Information identified above and, in doing so, consider whether the Other Information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the Other Information that we obtained prior to the date of this Auditors' Report, we conclude that there is a material misstatement of this Other Information, we are required to report that fact. We have nothing to report in this matter.

When we read the Directors' Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

## Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

6. The Bank's Board of Directors is responsible with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Bank in accordance with the accounting principles generally accepted in India including the Accounting Standards

## Independent Auditors' Report

issued by ICAI to the extent applicable, and provisions of Section 29 of the Banking Regulation Act, 1949, the State Bank of India Act, 1955 and circulars and guidelines issued by RBI from time to time. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the above mentioned Acts for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, Board of Directors is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Bank's financial reporting process.

### Auditors' Responsibilities for the Audit of the Standalone Financial Statements

- Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement whether due to fraud or error and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material, if individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence

that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.

- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical

requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the Key Audit Matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Report on Other Legal and Regulatory Requirements

8. The Balance Sheet and the Profit and Loss Account have been drawn up in accordance with Section 29 of the Banking Regulation Act, 1949; and these give information as required to be given by virtue of the provisions of the State Bank of India Act, 1955 and regulations there under.

Subject to the limitations of the audit indicated in paragraphs 5 to 7 above and as required by the State Bank of India Act, 1955, and sub-section (3) of section 30 of the Banking Regulation Act, 1949, and subject also to the limitations of disclosure required therein we report that:

- a) We have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit and have found them to be satisfactory;
- b) The transactions of the Bank, which have come to our notice, have been within the powers of the Bank; and
- c) The financial statement/ financial information received from the offices and branches of the Bank have been found adequate for the purposes of our audit

9. ## Annexure "A" to the Independent Auditors' Report

(Referred to in paragraph 9(e) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

**Report on the Internal Financial Controls Over Financial Reporting with reference to standalone financial statements as required by the Reserve Bank of India (the "RBI") Letter DOS.ARG. No.6270/08.91.001/2019-20 dated March 17, 2020 (as amended) (the "RBI communication")**

### Opinion

We have audited the internal financial controls over financial reporting with reference to standalone financial statements of **State Bank of India** ("the Bank") as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Bank for the year ended on that date which includes internal financial controls over financial reporting with reference to standalone financial statements of the Bank's branches.

In our opinion, and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the branch auditors referred to in the Other Matters paragraph below, the Bank has, in all material respects, adequate internal financial controls over financial reporting with reference to standalone financial statements and such internal financial controls over financial reporting with reference to standalone financial statements were operating effectively as at March 31, 2025, based on "the criteria for internal control over financial reporting established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI".

### Management's Responsibility for Internal Financial Controls

The Bank's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Bank's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Banking Regulation Act, 1949 and the circulars and guidelines issued by the Reserve Bank of India.

### Auditors' Responsibility

Our responsibility is to express an opinion on the Bank's internal financial controls over financial reporting with reference to standalone Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (the "ICAI") and the Standards on Auditing (SAs) issued by the ICAI, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls Over Financial Reporting with reference to standalone Financial Statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls over financial reporting with reference to Standalone Financial Statements and their operating effectiveness. Our audit of internal financial controls over financial reporting with reference to Standalone Financial Statements included obtaining an understanding of internal financial controls over financial reporting with reference to Standalone Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal financial controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, and the audit evidence obtained by the branch auditors, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Bank's internal financial controls over financial reporting with reference to Standalone financial statements.

### Meaning of Internal Financial Controls Over Financial Reporting with reference to Standalone Financial Statements

A Bank's internal financial controls over financial reporting with reference to Standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Bank's internal financial controls over financial reporting with reference to Standalone Financial statements includes those policies and procedures that

## Annexure "A" to the Independent Auditors' Report

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Bank;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Bank are being made only in accordance with authorisations of management and directors of the Bank; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Bank's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls Over Financial Reporting with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to standalone Financial Statements, including the possibility of collusion or improper

management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to Standalone Financial statements to future periods are subject to the risk that the internal financial controls over financial reporting with reference to Standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Other Matters

Our aforesaid report in so far as it relates to the operating effectiveness of internal financial controls over financial reporting with reference to Standalone financial statements of 1110 branches (inclusive 35 foreign branches) is based on the corresponding reports of the respective branch auditors of those branches/other units.

Our opinion is not modified in respect of this matter.

## Schedules

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2025

### SCHEDULE 17: SIGNIFICANT ACCOUNTING POLICIES

#### A. Background:

State Bank of India ('SBI' or 'the Bank') is a banking and financial services statutory body engaged in providing a wide range of products and services to individuals, commercial enterprises, large corporates, public bodies, and institutional customers. The Bank is governed by the Banking Regulation Act, 1949 and the State Bank of India Act, 1955.

State Bank of India Group ('SBI Group' or 'the Group') consists of SBI, 27 Subsidiaries, 8 Joint ventures and 18 Associates.

Following are the Significant Accounting Policies of SBI Group i.e. the specific accounting principles and methods of applying these principles in the preparation and presentation of consolidated financial statements of SBI.

#### B. Basis of Preparation:

The Bank's consolidated financial statements have been prepared under the historical cost convention, with fundamental accounting assumptions of going concern, consistency, and accrual, unless otherwise stated. They conform to Generally Accepted Accounting Principles in India (Indian GAAP), comprising of regulatory norms, directions & guidelines prescribed by the Reserve Bank of India (RBI), statutory guidelines of the State Bank of India Act, 1955, the Banking Regulations Act, 1949, Insurance Regulatory and Development Authority of India (IRDAI), Pension Fund Regulatory and Development Authority (PFRDA), SEBI (Mutual Funds) Regulations, 1996, Companies Act 2013, Accounting Standards issued by Institute of Chartered Accountants of India (ICAI) and the accounting practices prevalent in India.

In the case of foreign entities, Generally Accepted Accounting Principles as applicable to the foreign entities are followed.

These consolidated financial statements have been prepared in accordance with requirements under the Third Schedule of the Banking Regulation Act, 1949.

#### C. Use of Estimates:

The preparation of financial statements requires the management to make estimates and assumptions that are considered in the reported amounts of assets and liabilities (including contingent liabilities) as of the date of the financial statements and the reported income and expenses during the reporting period. Management believes

that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates. Any revision to the accounting estimates is recognised prospectively from the period of change unless otherwise stated.

#### D. Basis of Consolidation:

##### 1. Consolidated financial statements of the SBI Group includes:

- a. Financial statements of State Bank of India (Parent).
- b. Line by line aggregation of each item of asset/liability/income/expense of the subsidiaries with the respective item of the Parent. Elimination of all material intra-group balances/transactions and resulting unrealised gains and adjustments required for non-uniform accounting policies as per AS 21 "Consolidated Financial Statements" issued by the ICAI.
- c. Proportionate share of asset/liability/income/expense of the joint venture entities are consolidated as per AS 27 "Financial Reporting of Interests in Joint Ventures" issued by the ICAI.
- d. Accounting for investment in 'Associates' under the 'Equity Method' as per AS 23 "Accounting for Investments in Associates in Consolidated Financial Statements" issued by the ICAI.

2. The difference between cost to the group of its investment in the subsidiary entities and the group's portion of the equity of the subsidiaries is recognised in the financial statements as goodwill / capital reserve.

3. Minority interest in the net assets of the consolidated subsidiaries consists of:

- a. The amount of equity attributable to the minority shareholders at the date on which the investment in the equity shares of the subsidiary is made, and
- b. The minority share of movements in revenue reserves/loss (equity) since the date the parent-subsidiary relationship came into existence.

#### E. Significant Accounting Policies:

##### 1. Revenue recognition:

- 1.1 Income and expenditure are recognised in the Profit and Loss Account on accrual basis, unless otherwise stated.

- 1.2 Income from Non-Performing Assets (NPAs) including Non-Performing investments is recognised in the Profit and Loss Account on realisation basis.
- 1.3 All commission and fee income are recognised on realisation basis, except commission income from Letters of Credit (LC), Bank Guarantees (BG), Deferred Payment Guarantees, Government Business, incentive on UPI transactions, ATM interchange fees, and upfront fees on restructured accounts, which are recognised on an accrual basis (proportionately over the relevant period).
- 1.4 Income from units of mutual funds, alternative investment funds and other such pooled / collective investment funds is recognised in the Profit and Loss Account on realisation basis.
- 1.5 The discount or premium if any on acquisition of all debt securities, across all categories of investments i.e. HTM, AFS, HFT-FVTPL meeting Solely Payments of Principal and Interest" (SPPI) Criterion is amortised over the remaining life of the instrument using Constant Yield method.
- However, in case of overseas investments and investments in floating rate bond, the discount or premium if any on acquisition is amortised over the remaining life of the instrument using Straight Line method. The amortised amount is reflected under item II 'Income on Investments' of Schedule 13: 'Interest Earned' with a contra in Schedule 8: 'Investments'.
- 1.6 Dividend income is recognised when the right to receive the dividend is established.
- 1.7 The Bank derecognises its financial assets upon sale to Securitisation Company (SC)/ Reconstruction Company (RC), and accounts for the transaction as under:
- If the sale is at a price below the Net Book Value (NBV) (i.e., book value less provisions held), the shortfall is debited to the Profit and Loss Account in the year of transfer /sale.
  - If the sale is for a price higher than the NBV, the excess provision is written back in the year the amounts are received. the number of transactions processed during the period in accordance with the rates and conditions specified in the agreements. Based on the contract terms, the merchant makes payment for merchant discount rate (MDR), monthly rental and commitment charges and the same is treated as revenue from operation.

1.18.2. Income received but not accrued on account of maintenance deployment contract are recognised as deferred revenue and included in liabilities until the revenue recognition criteria are met. Income accrued but not billed represents revenue recognised on work performed but billed in subsequent period, in accordance with terms of the contract.

1.18.3. Revenue is recognised to the extent it is probable that the economic benefits will flow, and the revenue can be reliably measured.

## 2. Investments:

Investments are accounted for in accordance with the extant RBI guidelines on investment classification and valuation, as given below :

### 2.1 Classification:

The group entities classifies the entire investment portfolio (except investments in their own Subsidiaries, Joint Ventures and Associates) under three categories viz., Held to Maturity (HTM), Available for Sale (AFS) and Fair Value through Profit and Loss (FVTPL) with a subcategory named Held for Trading (HFT).

For disclosure in Balance Sheet, the investments are classified as Investments in India and outside India. The investments in India are further classified as (i) Government Securities, (ii) Other Approved Securities, (iii) Shares, (iv) Bonds and Debentures, (v) Subsidiaries and/or Joint Ventures (including Associates) and (vi) Other Investments.

The investments outside India are further classified as (i) Government Securities (ii) Subsidiaries and/or Joint Ventures (including Associates) (iii) Other Investments.

### 2.2 Basis of classification:

i. **Held to Maturity (HTM):** The securities acquired with the intention of holding it to maturity to collect the contractual cash flows

## Schedules

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2025

and the contractual terms of the security give rise to cash flows that are Solely Payments of Principal and Interest (SPPI criterion) on specified date are categorised as Held to Maturity (HTM).

- ii. **Available for Sale (AFS):** The securities acquired with the objective that is achieved by both collecting contractual cash flows and selling securities before maturity; and the contractual terms of the security give rise to cash flows that are Solely Payments of Principal and Interest (SPPI criterion) is categorised as Available for Sale (AFS).

On initial recognition, the group entities make an irrevocable selection to classify an equity instrument, that is not held with the objective of trading, under AFS, in line with the RBI Guidelines.

- iii. **Fair Value through Profit and Loss (FVTPL):** Securities that do not qualify for inclusion in HTM or AFS are classified under Fair Value through Profit and Loss (FVTPL) with a subcategory named Held for Trading (HFT). Any instrument that is held for one or more of the following purposes is designated as a Held for Trading (HFT) instrument:
- short-term resale;
  - profiting from short-term price movements;
  - locking in arbitrage profits; or
  - hedging risks that arise from instruments meeting (a), (b) or (c) above.

### 2.3 Initial Recognition of investments:

The transactions in all securities are measured at fair value on initial recognition with a presumption that acquisition cost is the fair value. This presumption is tested for transactions with related parties, transaction taking place in duress, transaction outside principal market and any other situation where facts and circumstances warrant testing of the presumption.

Fair value measurements are categorised into following 3 fair value hierarchy based on the degree to which the inputs to the fair value measurements are observable,

- "Level 1" - wherein inputs used for valuation of a financial instrument are quoted prices (unadjusted) in active markets for identical instruments that the group entities can access at the measurement date;
- "Level 2" - wherein inputs used for valuation of a financial instrument are inputs other than quoted prices that are observable for the asset or liability, either directly or indirectly (such as yield curve, credit spread etc.);
- "Level 3" - wherein valuation is based on unobservable inputs.

#### i. Recognition of Day 1 Gain/Loss:

- Day 1 gain / loss arising in initial recognition of Level 1 and Level 2 hierarchy, is recognised in the Profit and Loss Account, under item III-'Profit/Loss on revaluation of investments(net)' under Schedule 14: 'Other Income'.
- Any Day 1 loss arising from Level 3 investments is recognised immediately.
- Any Day 1 gains arising from Level 3 investments is deferred. In the case of debt instruments, the Day 1 gain is amortised on a straight-line basis up to the maturity date (or earliest call date for perpetual instruments), while for unquoted equity instruments, the gain is set aside as a liability until the security is listed or derecognised.

- The transactions in all securities are recorded on a Settlement Date and the securities are held at weighted average cost method for all categories of investments.
- Brokerage, Commission, Securities Transaction Tax (STT) etc. paid in connection with acquisition of investments are expensed upfront and excluded from cost.
- Broken period interest paid/ received on debt instruments is treated as interest

expense/ income and is excluded from cost/ sale consideration.

#### 2.4 Subsequent Measurement of investments:

- i. Securities held in HTM are carried at cost and are not marked to market (MTM) after initial recognition.
- ii. The securities held in AFS are fair valued at quarterly intervals. The valuation gains and losses across all performing investments held under AFS are aggregated. The net appreciation or depreciation is directly credited or debited to AFS-Reserve without routing through the Profit & Loss Account.
- iii. Securities that are classified under the HFT sub-category within FVTPL are fair valued on a daily basis, whereas other securities in FVTPL are fair valued at the end of every quarter. The net gain or loss arising on such valuation is credited or debited to the Profit and Loss Account.
- iv. Subsequent valuation of investment in subsidiaries, associates and joint ventures:
  - a. All investments (i.e., including debt and equity) in subsidiaries, associates and joint ventures are held at acquisition cost.
  - b. In case an existing investment becomes a Subsidiary, Associate or Joint Venture, the revised carrying value of the same on the date of change in classification is as determined as under:
    - For an investment held under HTM: the carrying value less the permanent impairment.
    - For an investment held under AFS: the Carrying value adjusted for cumulative gains and losses previously recognised in AFS Reserve along with the permanent diminution, if any.
    - For an investment held under FVTPL: the fair value on date of the change in the classification.
  - c. When an investment ceases to be a Subsidiary, Associate or Joint Venture, the

reclassification to respective category is made as under:

- For investment reclassified into HTM, there shall be no change in the carrying value.
  - For investment reclassified into AFS or FVTPL, the fair value on the date of reclassification is considered as carrying value by transferring the difference between the revised and the previous carrying values to AFS-Reserve and Profit and Loss account respectively.
- d. The group entities evaluates investments in subsidiaries, associates or joint ventures for impairment at quarterly intervals. When the need to determine whether the impairment has occurred arises in respect of a subsidiary, associate or joint venture, the same is made on the basis of the valuation of the investment by an independent registered valuer and diminution if any is recognised as an expense in the Profit and Loss Account. It is subsequently reversed through Profit and Loss Account, if there is a reversal of the diminution.
  - v. Valuation in the event of inter category transfer of investments:
 

The reclassification between the categories (viz. HTM, AFS and FVTPL) if any, is done with approval of the Board and prior approval of the RBI. The reclassification is applied prospectively from reclassification date and is accounted in compliance with RBI guidelines.
  - vi. Valuation of Security Receipts (SRs):
    - a) The SRs obtained by way of sale of NPA to Securitisation Company (SC) / Asset Reconstruction Company (ARC), is recognised at lower of: (i) Net Book Value (NBV) (i.e. book value less provisions held) of the NPA; and (ii) Redemption value of SR.
    - b) Investments in Security Receipts are valued in accordance with the guidelines applicable to non-SLR instruments. Accordingly, in cases where the SRs

## Schedules

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2025

issued by the SC/ ARC are limited to the actual realisation of the financial assets assigned to the instruments in the concerned scheme, the Net Asset Value, obtained from the SC/ ARC, is reckoned for valuation of such investments.

- c) SRs guaranteed by the Government of India are valued at face value or Net Asset Value (NAV) declared by the ARC (based on the recovery ratings received for such instruments) whichever is lower. Any SRs outstanding after the final settlement of government guarantee or expiry of the guarantee period, whichever is earlier, are valued at ₹1.
- vii. Zero-coupon discounted instruments such as Treasury Bills, Commercial Paper, Certificate of Deposits and Zero-Coupon Bonds are held at carrying cost i.e. the acquisition cost adjusted for the discount accrued at the rate prevailing at the time of acquisition.

### 2.5 Non-performing Investments (NPI):

- i. In domestic offices / entities, the investments are classified as non-performing or upgraded to standard in terms of the criterion laid down in extant Prudential Norms on Income Recognition, Asset Classification and Provisioning (IRACP) pertaining to Advances.
  - a. Debt instruments such as bonds or debentures are recognised as NPIs where interest/instalment (including maturity proceeds) is due and remains unpaid for more than 90 days. It applies mutatis mutandis to preference shares where fixed dividend is not declared/paid in any year; and the date of Balance Sheet of the issuer for that particular year is reckoned as due date for asset classification.
  - b. In the event the investment in equity shares of any company is valued at ₹1 per company on account of non-availability of the latest balance sheet or the same is more than 18 months old, those equity shares would be reckoned as NPI.
  - c. The group entities also classifies an investment including preference shares

as a non-performing investment in case any credit facility availed by the same borrower has been classified as a non-performing asset and vice versa. However, this stipulation is not applicable in cases where only preference shares are classified as NPI. i.e. in such cases, neither the investment in any of the other performing securities issued by the same issuer is classified as NPI nor any performing credit facilities granted to that borrower is treated as NPA.

- d. In case of conversion of principal and / or interest into equity, debentures, bonds, etc., such instruments are classified under HTM, AFS or FVTPL (including HFT) with the same asset classification category as that of the loan and provision is made as per the norms.
- ii. Investment classified as an NPI is segregated from rest of the investments within the same category and not considered for netting valuation gains and losses. Income on non-performing investments is recognised only on realisation of the same. MTM appreciation if any in these NPI securities is ignored.
- iii. Irrespective of the category (i.e., HTM, AFS or FVTPL (including HFT)) in which the investment has been placed, the expense for the provision for impairment are recognised in the Profit and Loss Account. The provision to be held on an NPI is the higher of the amount of provision on the carrying value of the investment immediately before it was classified as NPI as per IRACP norms and the depreciation on the investment with reference to its carrying value on the date of classification as NPI.

Provided that in the case of an investment categorised under AFS against which there are cumulative gains in AFS-Reserve, the provision required is created by charging the same to AFS-Reserve to the extent of such available gains. Provided further that in the case of an investment categorised under AFS against which there are cumulative losses in AFS-Reserve, the cumulative losses are

transferred from AFS-Reserve to the Profit and Loss Account.

- iv. Upon upgradation of the investment, the provision recognised is reversed and recognition of MTM gains and losses is resumed.
- v. In respect of foreign offices / entities, classification and provisions for non-performing investments (NPIs) are made as per the local regulations or as per the norms of RBI, whichever are more prudent.

## 2.6 Accounting for Repo/ Reverse Repo transactions:

The Bank enters Repurchase and Reverse Repurchase Transactions with RBI under Liquidity Adjustment Facility (LAF) and with market participants. Repurchase Transaction represents borrowing by selling the securities with an agreement to repurchase the securities. Reverse Repo Transactions on the other hand, represent lending funds by purchasing the securities.

- a. Transactions with RBI under Liquidity Adjustment Facility (LAF) are accounted for as Collateralised Lending and Borrowing transactions.
- b. In Repo and Reverse Repo transaction, securities sold (purchased) and repurchased (resell) are accounted as normal outright sale (purchase) transactions and such movement of securities is reflected using the Repo/ Reverse Repo Accounts and contra entries. The above entries are reversed on the date of maturity.
- c. Balance in Repo Account is classified under Schedule 4 (Borrowings).
- d. All type of Reverse Repos with RBI including those under Liquidity Adjustment Facility are presented under sub item (ii) 'In Other Accounts' of item (II) Balances with RBI under Schedule 6 'Cash and balances with RBI'.
- e. Reverse Repos with original maturity more than 14 days but up to 1 year are classified as 'Cash Credits, overdrafts, and loans repayable on demand',

under Schedule 9 'Advances'. All other Reverse Repos are classified as 'Term Loans' under Schedule 9 'Advances'.

- f. Borrowing cost of repo transactions and revenue on reverse repo transactions, with RBI or others, is accounted for as interest expense and interest income, respectively.
- 2.7 In case of life and general insurance subsidiaries, investments are accounted in accordance with the Insurance Act, 1938 (as amended), the Insurance Regulatory and Development Authority of India (Actuarial, Finance and Investment Functions of Insurers) Regulations 2024, Master Circular on Actuarial, Finance and Investment Functions of Insurers, Investment policy of the company and various other circulars / notifications as issued by IRDAI from time to time.
- (i) Valuation of investment pertaining to non-linked life insurance business and general insurance business:
    - All debt securities, including government securities and money market securities are stated at historical cost subject to amortisation of premium or accretion of discount.
    - Listed equity shares, equity related instruments and preference shares are measured at fair value on the Balance Sheet date. For the purpose of determining fair value, the closing price at primary exchange i.e. National Stock Exchange of India Limited ('NSE') is considered. If NSE closing price is not available, then closing price of BSE Limited ('BSE') is considered.
    - Unlisted equity securities, equity related instruments and preference shares are measured at historical cost.
    - In case of Security Lending and Borrowing (SLB), equity shares lent are valued as per valuation policy for equity shares as mentioned above.
    - Additional Tier 1 (Basel III compliant) Perpetual Bonds classified under "Equity" as specified by IRDAI, are valued at prices obtained from Credit Rating Information Services of India Limited (CRISIL).

## Schedules

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2025

- Investments in mutual fund units are valued at the Net Asset Value (NAV) of previous day in life insurance and of Balance Sheet date in general insurance.
- Investment in Alternative Investment Funds (AIFs) are valued at latest available NAV.
- The Investment in units of REITs/InvITs are valued at Market Value (last quoted price should not be later than 30 days). For the purpose of determining market value, the closing price at primary exchange i.e. NSE is considered. If NSE closing price is not available for any security, then BSE closing price is used for valuation. Where market quote is not available for the last 30 days, the units are valued as per the latest NAV (not more than 6 months old) of the units published by the trust.
- Listed equity shares, equity related instruments and preference shares are measured at fair value on the Balance Sheet date. For the purpose of determining fair value, the closing price at primary exchange i.e. NSE is considered. If NSE closing price is not available, closing price of the BSE is considered.
- Unlisted equity shares, equity related instruments and preference shares are measured at historical cost.
- In the case of Security Lending and Borrowing (SLB), equity shares lent are valued as per valuation policy for equity shares as mentioned above.
- Additional Tier 1 (Basel III compliant) Perpetual Bonds classified under "Equity" as specified by IRDAI, are valued at prices obtained from CRISIL.
- Investments in mutual fund units are valued at the previous day's Net Asset Value (NAV).

If NSE closing price is not available for any security, then BSE closing price is used for valuation. Where market quote is not available for the last 30 days, the units are valued as per the latest NAV (not more than 6 months old) of the units published by the trust.
- Unrealised gains or losses arising due to changes in the fair value are recognised in the Profit & Loss Account.

Unrealised gains or losses arising due to change in the fair value of listed equity shares, mutual fund units, AIFs and units of REITs/InvITs pertaining to shareholders' investments and non-linked policyholders investments are taken to "Revenue & Other Reserves (Schedule 2)" and "Liabilities relating to Policyholders in Insurance Business (Schedule 5)" respectively, in the Balance Sheet.

(ii) Valuation of investment pertaining to linked business:

- Debt Securities including Government securities with remaining maturity of more than one year are valued at prices obtained from CRISIL. Debt securities including Government securities with remaining maturity of less than one year are valued on yield to maturity basis, where yield is derived using market price provided by CRISIL on the day when security is classified as short term. If security is purchased during its short term tenor, it is valued at amortised cost using yield to maturity method. In case of securities with options, earliest Call Option/Put Option date will be taken as maturity date for this purpose. Money market securities are valued at historical cost subject to amortisation of premium or accretion of discount on yield to maturity basis.

2.8 In Regional Rural Banks (RRBs), associates of SBI, investments are accounted in accordance with guidelines issued by the National Bank for Agriculture and Rural Development (NABARD)/RBI.

### 3. Loans /Advances and Provisions thereon:

3.1 Based on the guidelines / directives issued by the RBI, Loans and Advances in India are classified as performing and non-performing, as follows:

- i. A term loan is classified as a non-performing asset if interest and / or instalment of principal remains overdue for a period of more than 90 days.
  - ii. An Overdraft or Cash Credit is classified as a non-performing asset, if, the account remains "out of order", i.e. if the outstanding balance in the CC/OD account is less than the sanctioned limit/drawing power but there are no credits continuously for 90 days, or the credits are not enough to cover the interest debited during the previous 90 days period.
  - iii. The bills purchased / discounted are classified as non-performing Asset if the bill remains overdue for a period of more than 90 days.
  - iv. The agricultural advances are classified as a non-performing if,
    - a) for short duration crops, where the instalment of principal or interest remains overdue for two crop seasons; and
    - b) for long duration crops, where the principal or interest remains overdue for one crop season.
- 3.2 NPAs are classified into Sub-Standard, Doubtful and Loss Assets, based on the following criteria stipulated by RBI:
- i. Sub-standard: A loan asset that has remained non-performing for a period less than or equal to 12 months.
  - ii. Doubtful: A loan asset that has remained in the sub-standard category for a period of 12 months or Sub-Standard Accounts where erosion in the value of security by more than 50 per cent of the value assessed by the bank or accepted by RBI at the time of last inspection, as the case may be.
  - iii. Loss: A loan asset where loss has been identified but the amount has not been fully written off or if the realisable value of the security as assessed by the Bank/approved valuers/RBI is less than 10 percent of the outstanding.

- 3.3 Provisions are made for NPAs as per the extant guidelines prescribed by the regulatory authorities:

<b>Substandard Assets:</b>	i. Secured		15%
	ii. unsecured ab-initio (i.e. where realisable value of security is not more than 10 percent ab-initio).		25%
	iii. in respect of infrastructure advances where certain safeguards such as escrow accounts are available		20%
<b>Doubtful Assets</b>	Secured portion	i. Up to one year	25%
		ii. One to three years	40%
		iii. More than three years	100%
	Unsecured portion		100%
<b>Loss Assets:</b>			100%

- 3.4 In respect of foreign offices / entities, the classification of loans and advances and provisions for NPAs are made as per the local regulations or as per the norms of RBI, whichever is more stringent.
- 3.5 Advances are net of specific loan loss provisions, unrealised interest, ECGC claims received and bills rediscounted.
- 3.6 For restructured/ rescheduled assets, provisions are made in accordance with the guidelines issued by the RBI, which require that the difference between the fair value of the loans/ advances before and after restructuring is provided for, in addition to provision for the respective loans/ advances. The Provision for Diminution in Fair Value (DFV) and interest sacrifice, if any, arising out of the above, is reduced from advances.
- 3.7 In the case of loan accounts classified as NPAs, an account may be reclassified as a performing asset if it conforms to the guidelines prescribed by the regulatory authorities.
- 3.8 Amounts recovered against debts written off in earlier years are recognised as revenue in the year of recovery.

## Schedules

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2025

- 3.9 In addition to the provision on NPAs, provisions are also made for standard assets as per extant RBI Guidelines. These provisions are reflected in Schedule 5 of the Balance Sheet under the head "Other Liabilities & Provisions – Others" and are not considered for arriving at the Net NPAs.
- 3.10 The Bank also makes additional provisions on specific non-performing assets.
- 3.11 Recoveries from Non-Performing Assets (NPAs) are appropriated in the following order of priority:
- Charges, Costs, Commission etc.
  - Unrealised Interest / Interest
  - Principal

However, in Compromise and Resolution/ Settlement through National Company Law Tribunal (NCLT) cases, the recoveries are appropriated as per the terms of respective compromise/ resolution/ settlement. And in case of suit filed accounts, recovery is appropriated as per directives of respective courts.

#### 4. Floating Provisions & Countercyclical Provisioning Buffer:

The Bank has a policy for creation and utilisation of Countercyclical Provisioning Buffer in good times as well as for Floating Provisions separately for advances, investments and general purposes. The quantum of Floating Provisions and Countercyclical Provisioning Buffer to be created is assessed at the end of the financial year. These provisions are utilised only for contingencies under extra ordinary circumstances specified in the policy with prior permission of Reserve Bank of India.

#### 5. Provision for Country Exposure for Banking Entities:

In addition to the specific provisions held according to the asset classification status, provisions are also made for individual country exposures (other than the home country). Countries are categorised into seven risk categories, namely, Insignificant, Very Low, Low, Medium, High, Very High, Restricted and provisioning made as per extant RBI guidelines. If the country exposure (net) of the Bank in respect of each country does not exceed 1% of the total funded assets, no provision is maintained on such country exposures. The provision is reflected in Schedule 5 of the Balance Sheet under the head "Other Liabilities & Provisions – Others".

#### 6. Derivatives:

- 6.1 The Bank enter into Interest Rate derivatives (e.g. Interest Rate Swaps, Interest Rate Futures, Interest Rate Options, Interest Rate Caps and Floors, Forward Rate Agreements) and Foreign Currency Derivatives (e.g. Foreign Exchange Contracts, Currency/Cross Currency Swaps, Currency Options, Currency Futures) to hedge on-balance sheet/ off-balance sheet assets and liabilities or for trading purposes. Banks categorises the derivatives portfolio into three fair value hierarchies viz. Level 1, Level 2, and Level 3 as defined for investments.
- 6.2 The Bank follow the hedge accounting treatment stipulated in the Guidance Note on Accounting for Derivative Contracts (Revised 2021) issued by Institute of Chartered Accountants of India (ICAI), wherein:
- Under the Fair Value Hedge Accounting Model, the hedging instrument is measured at fair value with the change in fair value recognised in the Profit & Loss Account. The hedged item is re-measured at fair value in respect of the hedged risk and the resulting change is recognised in the Profit & Loss Account. Thus, the fair value changes of the hedged item and the hedging instrument offset and result in no net impact in the Profit & Loss Account except for the impact of Hedge Ineffectiveness.
  - Under the Cash Flow Hedge, the hedging instrument is measured at fair value with the change in fair value of an effective hedge recognised in the Cash Flow Hedge Reserve and change in fair value of ineffective portion of gain or loss recognised in Profit & Loss Account. The changes in fair value of hedging instruments recognised in Cash Flow Reserve are recycled and recognised in Profit & Loss Account while the impact of the hedged item is recognised in the Profit & Loss Account.
- 6.3 Application of hedge accounting is stopped when the risk management objective as defined originally at the time of first applying hedge accounting principles is no longer met. The hedge relationship is discontinued if:
- The hedging instrument expires or is sold, terminated, or exercised.

- Hedge items mature or is sold/terminated or forecast transaction is no longer expected to occur.
- Hedging relationship (or a part of a hedging relationship) cease to meet the qualifying criteria for hedge accounting.

- 6.4 Except as mentioned above, all other derivative contracts are marked to market as per the Generally Accepted Accounting Practices prevalent in the industry. In respect of derivative contracts that are marked to market, changes in the market value are recognised in the Profit and Loss Account in the period of change. Any receivable under derivative contracts, which remain overdue for more than 90 days, are reversed through Profit and Loss Account to "Suspense Account - Crystallised Receivables". In cases where the derivative contracts provide for more settlement in future and if the derivative contract is not terminated on the overdue receivables remaining unpaid for 90 days, the positive MTM pertaining to future receivables is also reversed from Profit and Loss Account to "Suspense Account - Positive MTM".
- 6.5 Option premium paid or received is recorded in Profit and Loss Account at the expiry of the option. The balance in the premium received on options sold and premium paid on options bought is considered to arrive at Mark to Market value for forex Over the Counter (OTC) options.
- 6.6 Exchange Traded Derivatives entered in for trading purposes are valued at prevailing market rates based on rates given by the Exchange and the resultant gains and losses are recognised in the Profit and Loss Account.

## 7. Fixed Assets Depreciation and Amortisation:

- 7.1 Fixed Assets are carried at cost less accumulated depreciation/ amortisation except for freehold premises carried at revalued amount, being fair value at the date of revaluation less accumulated depreciation, unless stated otherwise.
- 7.2 Cost includes cost of purchase and all expenditure such as site preparation, installation costs and professional fees incurred on the asset before it is put to use. Subsequent expenditure(s) incurred on the assets put to use are capitalised only when it increases the future benefits from such assets or their functioning capability. The fixed assets in

domestic offices/ entities are depreciated at straight line method based on useful life of the assets states as under:

Sr. No.	Description of Fixed Assets	Useful Life for Depreciation
1	Computers	3 Years
2	Computer Software forming an integral part of the computer hardware	3 Years
3	Computer Software which does not form an integral part of Computer hardware and cost of Software Development	3 Years
4	Automated Teller Machine/ Cash Deposit Machine/Coin Dispenser/ Coin Vending Machine	5 Years
5	Servers	4 Years
6	Network Equipment	5 Years
7	Other major fixed assets	
	Premises	60 Years
	Safe Deposit Lockers	20 Years
	Furniture & Fixtures	10 Years
	Air Conditioners	8 Years
	Vehicles	5 Years

- 7.3 In respect of assets acquired during the year for domestic operations, depreciation is charged on proportionate basis for the number of days assets have been put to use during the year.
- 7.4 Assets costing less than ₹1,000 each are charged off in the year of purchase.
- 7.5 In respect of leasehold premises, the lease premium, if any, is amortised over the period of lease (except for premises and land on perpetual lease) and Lease payments for assets taken on Operating lease are recognised as expense in the Profit & Loss account over the lease term on straight line basis.
- 7.6 In respect of fixed assets held at foreign offices/ entities, depreciation is provided as per the regulations /norms of the respective countries.
- 7.7 The Bank revalue freehold immovable assets at every three years. The increase in Net Book Value of the asset due to revaluation is credited to the Revaluation Reserve Account without routing through the Profit and Loss Account. Additional Depreciation on the revalued asset is charged to the Profit and Loss Account and appropriated from the Revaluation Reserves to General Reserve. The revalued asset is

## Schedules

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2025

depreciated over the balance useful life of the asset as assessed at the time of revaluation.

### 8. Leases:

The asset classification and provisioning norms applicable to advances, as laid down in Para 3 above, are applied to financial leases also.

### 9. Impairment of Assets:

Assets are reviewed for impairment whenever events or changes in circumstances warrant that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future Net Discounted Cash Flows expected to be generated by the asset. If such assets are impaired, the impairment to be recognised is measured by the amount by which the carrying amount of the asset exceeds the fair value of the asset.

### 10. Effect of changes in the foreign exchange rate:

#### 10.1 Foreign Currency Transactions:

- i. Foreign currency transactions are recorded on initial recognition in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the date of transaction.
- ii. Foreign currency monetary items are reported using the Foreign Exchange Dealers Association of India (FEDAI) closing (spot/forward) rates.
- iii. Foreign currency non-monetary items, which are carried at historical cost, are reported using the exchange rate on the date of the transaction.
- iv. Contingent liabilities denominated in foreign currency are reported using the FEDAI closing spot rates.
- v. Outstanding foreign exchange spot and forward contracts held for trading are revalued at the exchange rates notified by FEDAI for specified maturities, and the resulting Profit or Loss is recognised in the Profit and Loss Account.
- vi. Foreign Currency Forward or Future Contract entered to hedge payment of a monetary asset or a liability and a Currency Swap Contract (principal only; no interest rate element) that hedges the repayment of principal of foreign currency loan are revalued at the closing spot

rate and exchange difference on such contracts is recognised in Profit and Loss Account. The premium or discount arising at the inception of these contracts is amortised as expense or income over the life of the contract.

Any Profit or Loss arising on cancellation or renewal of such contracts is recognised as income or expense for the period.

- vii. Exchange differences arising on the settlement of monetary items at rates different from those at which they were initially recorded are recognised as income or as expense in the period in which they arise.
- viii. Gains / Losses on account of changes in exchange rates of open position in currency futures trades are settled with the exchange clearing house on daily basis and such gains/losses are recognised in the Profit and Loss Account.

#### 10.2 Foreign Operations:

Foreign Branches/Subsidiaries / Joint Ventures of the Bank and Offshore Banking Units (OBU) have been classified as Non-integral Operations and Representative Offices have been classified as Integral Operations.

##### a. Non-integral Operations:

- i. Both monetary and non-monetary foreign currency assets and liabilities including contingent liabilities of non-integral foreign operations are translated at closing exchange rates notified by FEDAI at the Balance Sheet date.
- ii. Income and expenditure of non-integral foreign operations are translated at quarterly average closing rates notified by FEDAI.
- iii. Exchange differences arising on investment in non-integral foreign operations are accumulated in Foreign Currency Translation Reserve until the disposal of the investment.
- iv. The Assets and Liabilities of foreign offices/subsidiaries /joint ventures in foreign currency (other than local currency of the foreign offices/subsidiaries/

joint ventures) are translated into local currency using spot rates applicable to that country on the Balance Sheet date.

**b. Integral Operations:**

- i. Foreign currency transactions are recorded on initial recognition in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the date of transaction.
- ii. Monetary foreign currency assets and liabilities of integral foreign operations are translated at closing (Spot/Forward) exchange rates notified by FEDAI at the Balance Sheet date and the resulting Profit/Loss is included in the Profit and Loss Account. Contingent Liabilities are translated at Spot rate.
- iii. Foreign currency non-monetary items which are carried at historical cost are reported using the exchange rate on the date of the transaction.

## 11. Employee Benefits:

### 11.1 Short Term Employee Benefits:

The undiscounted amounts of short-term employee benefits, such as medical benefits, which are expected to be paid in exchange for the services rendered by employees are recognised during the period when the employee renders the service.

### 11.2 Long Term Employee Benefits:

**i. Defined Benefit Plans:**

- a. SBI operates a Provident Fund scheme. All eligible employees are entitled to receive benefits under the Bank's Provident Fund scheme. SBI contributes to the fund at 10% of employee's basic pay plus eligible allowance monthly. These contributions are remitted to a Trust established for this purpose and are charged to Profit and Loss Account. SBI recognises such annual contributions as an expense in the year to which it relates, Shortfall, if any, is provided for based on actuarial valuation.

SBI Life Insurance Company Limited makes contribution towards provident fund, a defined benefit retirement plan. The provident fund is administered by the trustees of the SBI Life Insurance Company Limited Employees PF Trust. The contribution paid or payable under the schemes is charged to the Profit and Loss Account during the period in which the employee renders the related service. Further, an actuarial valuation is conducted annually by an independent actuary to recognise the deficiency, if any, in the interest payable on the contributions as compared to the interest liability as per the statutory rate.

- b. The group entities operate separate Gratuity schemes, which are defined benefit plans. The group entities provide for gratuity to all eligible employees. The benefit is in the form of lump sum payments to vested employees on retirement or on death while in employment, or on termination of employment, for an amount equivalent to 15 days basic salary payable for each completed year of service, subject to the cap prescribed by the Statutory Authorities or Service Gratuity without cap in case of erstwhile Associate Bank's employees of SBI. Vesting occurs upon completion of five years of service. SBI makes periodic contributions to a fund administered by Trustees based on an independent external actuarial valuation carried out annually.
- c. SBI provides for pension to all eligible employees. The benefit is in the form of monthly payments as per rules to vested employees on retirement or on death while in employment, or on termination of employment. Vesting occurs at different stages as per rules. SBI makes monthly contribution to the Pension Fund at 10% of salary in terms of SBI Employees' Pension Fund Regulations. The pension liability is reckoned based on an independent actuarial valuation carried out annually and SBI makes such

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2025

additional contributions periodically to the Fund as may be required to secure payment of the benefits under the Pension Fund Regulations.

- d. The cost of providing defined benefits is determined using the projected unit credit method, with actuarial valuations being carried out at each Balance Sheet date. Actuarial gains/losses are immediately recognised in the Profit and Loss and are not deferred.

### ii. Defined Contribution Plans:

The defined contribution plan i.e. a New Pension Scheme (NPS) is applicable from for all officers/ employees joining the Bank on or after 1<sup>st</sup> August 2010. As per the scheme, these employees contribute 10% of their basic pay plus dearness allowance to the scheme together with Bank's contribution at 14% of basic pay plus dearness allowance. Pending completion of registration procedures of the employees concerned, these contributions are retained as deposits in SBI and earn interest at the rate applicable to Provident Fund balance. The SBI recognises such annual contributions and interest as an expense in the year to which they relate. Upon receipt of the Permanent Retirement Account Number (PRAN), the consolidated contribution amounts are transferred to the NPS Trust.

### iii. Other Long Term Employee benefits:

- a. All eligible employees of the Group are eligible for compensated absences, silver jubilee award, leave travel concession, retirement award and resettlement allowance. The cost of such long-term employee benefits are internally funded by the group entities.
- b. The cost of providing other long-term benefits is determined using the projected unit credit method with actuarial valuations being carried out at each Balance Sheet date. Past service cost, if any, is immediately recognised in the Profit and Loss and is not deferred.

- 11.3 Employee benefits relating to employees employed at foreign offices/ entities are valued and accounted for as per the respective local laws/regulations.

## 12. Segment Reporting:

The Group recognises the business segment as the primary reporting segment and geographical segment as the secondary reporting segment in accordance with the RBI guidelines and in compliance with the Accounting Standard 17 issued by Institute of Chartered Accountants of India (ICAI).

## 13. Taxes on income:

Income tax expense is the aggregate amount of current tax and deferred tax expense incurred by the Group. The current tax expense and deferred tax expense are determined in accordance with the provisions of the Income Tax Act, 1961 and as per Accounting Standard 22 – "Accounting for Taxes on Income" respectively after considering taxes paid at the foreign offices, which are based on the tax laws of respective jurisdiction. Deferred Tax adjustments comprise of changes in the deferred tax assets or liabilities during the year. Deferred tax assets and liabilities are recognised by considering the impact of timing differences between taxable income and accounting income for the current year and carry forward losses.

Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted at the Balance Sheet date. The impact of changes in deferred tax assets and liabilities is recognised in the profit and loss account. Deferred tax assets are recognised and re-assessed at each reporting date, based upon management's judgement as to whether their realisation is considered as reasonably certain. Deferred Tax Assets are recognised on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty supported by convincing evidence that such deferred tax assets can be realised against future profits.

In Consolidated Financial Statement, income tax expenses are the aggregate of the amounts of tax expense appearing in the separate financial statements of the parent and its subsidiaries/joint ventures, as per their applicable laws.

## 14. Earnings per Share:

- 14.1 The Bank reports basic and diluted earnings per share in accordance with AS 20 – "Earnings per Share" issued by the Institute of Chartered Accountants of India (ICAI). Basic Earnings per Share are computed by dividing the Net Profit for the year attributable to equity shareholders (other than minority) by the weighted average number of equity shares outstanding for the year.

14.2 Diluted Earnings per Share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted Earnings per Share are computed using the weighted average number of equity shares and dilutive potential equity shares outstanding at year end.

## 15. Provisions, Contingent Liabilities and Contingent Assets:

15.1 In conformity with AS 29, "Provisions, Contingent Liabilities and Contingent Assets", issued by the Institute of Chartered Accountants of India, the Group recognises provisions only when it has a present obligation because of a past event and would result in a probable outflow of resources embodying economic benefits will be required to settle the obligation, and when a reliable estimate of the amount of the obligation can be made.

### 15.2 No provision is recognised for

- i. any possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the group entities; or
- ii. any present obligation that arises from past events but is not recognised because
  - a. it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
  - b. a reliable estimate of the amount of obligation cannot be made.

Such obligations are recorded as Contingent Liabilities. These are assessed at regular intervals and only that part of the obligation for which an outflow of resources embodying economic benefits is probable, is provided for, except in the extremely rare circumstances where no reliable estimate can be made.

15.3 Provision for reward points in relation to the "Enterprise-Wide Loyalty Programme" of SBI is being provided for on the basis of actuarial estimates.

15.4 Provisions for onerous contracts are recognised when the expected benefits to be derived by the Bank from a contract are lower than the unavoidable costs of meeting the future obligations under the contract. The provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with

the contract. Before a provision is established, the Bank recognises any impairment loss on the assets associated with that contract.

15.5 Contingent Assets are not recognised in the financial statements.

## 16. Bullion Transactions:

The Bank imports bullion, including precious metal bars, on a consignment basis to sell to customers. These imports are usually back-to-back and priced based on the supplier's quoted rate. The Bank earns a fee from these transactions, which is recorded as commission income.

The Bank also accepts gold deposits and provides gold loans, which are treated as deposits and advances, respectively. Interest paid or received on these is recorded as interest expense or income.

Gold deposits, metal loan advances, and closing gold balances are valued at the market rate available on the Balance Sheet.

## 17. Special Reserves:

Revenue and other Reserve include Special Reserve created under Section 36(i)(viii) of the Income Tax Act, 1961. The Board of Directors of the Bank has passed a resolution approving creation of the reserve and confirming that it has no intention to make withdrawal from the Special Reserve.

## 18. Capital Reserve

18.1 Profit on sale of investments in the Held to Maturity (HTM) category; sale / reclassification of an investment in a subsidiary, associate or joint venture and sale of Fixed Assets are appropriated to Capital Reserve (net of applicable taxes and amount required to be transferred to Statutory Reserve).

18.2 Any gain or loss on sale of equity instruments designated under AFS is transferred from AFS-Reserve to the Capital Reserve (net of applicable taxes and amount required to be transferred to Statutory Reserve). As against this, gain or loss on sale of debt instruments in AFS category is transferred from AFS-Reserve to the Profit & Loss Account.

## 19. Share Issue Expenses:

Share issue expenses are charged to the Share Premium Account.

## 20. Cash and cash equivalents:

Cash and cash equivalents include Cash and Balances with RBI, Balances with Banks and money at call and short notice.

However, the status of the company at the ROC portal has been changed from "Under Liquidation" to "Dissolved" during September 2024 as per the status report received from the Official Liquidator dated 20<sup>th</sup> September 2024.
- k) As SBI Foundation is a Not-for-Profit Company [incorporated under section 7(2) of Companies Act, 2013], SBI Foundation is not being considered for consolidation in preparation of Consolidated Financial statements as per Accounting Standard 21.

**1.2** The consolidated financial statements for the financial year 2024-25 of the Group include unaudited financial statements of one subsidiary (SBI Canada Bank) & one associate (Bank of Bhutan Ltd.) the results of which are not material.

## 2. Disclosures as per Accounting Standards

**2.1** Accounting Standard 5 – "Net Profit or Loss for the Period, Prior Period Items and Changes in Accounting Policies"

- During the year, there were no material prior period income / expenditure items.
- There is no change in the Significant Accounting Policies adopted during the Financial Year 2024-2025 as compared to those followed in the previous Financial Year 2023-2024 except for:
  - The changes required on account of RBI Master Direction RBI/DOR/2023-24/104 DOR.MRG. 36/21.04.141/2023-24 dated 12<sup>th</sup> September 2023, applicable from 1<sup>st</sup> April 2024 as stated below:

**a. Policies on classification and valuation of investments:**

With effect from 1<sup>st</sup> April 2024, the Bank adopted the revised framework of classification and valuation of investments issued by RBI vide Master Direction No. RBI/DOR/2023-24/104 DOR.MRG.36/21.04.141/2023-24 on Classification, Valuation and Operation of Investment Portfolio of Commercial Banks (Directions), 2023 dated 12<sup>th</sup> September

## Schedules

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2025

2023. For the purpose of consolidation, all the subsidiaries and joint ventures of the Bank have followed the revised investment framework except SBI Life Insurance Company Ltd. and SBI General Insurance Company Ltd., (the subsidiaries regulated by IRDA) which continue to follow IRDAI guidelines.

### b. Method of recording the transactions in HTM securities:

As per the extant Policy, the premium paid on acquisition of HTM category Investments was amortised over the term to maturity on a constant yield basis. In terms of new investment framework, the Bank has switched over to Weighted Average Carrying Cost (WACC) from First in First Out (FIFO) method of recording transactions uniformly across all categories of investments and amortisation of both, premium and discount on acquisition.

### c. Method of amortisation for Floating Rate Bonds:

The revised framework on investment allow amortisation of premium and discount across all categories of investments. To comply with these amortisation norms, the Bank has now switched over to Straight Line Method from constant yield method.

In terms of the transition guidelines of the revised framework, on 1<sup>st</sup> April 2024 the Group has debited net loss of ₹714.93 Crore (net of tax) to the General Reserve & Balance in P&L account and credited net gain of ₹4,428.65 Crore (net of tax) to the AFS Reserve. The impact of the revised framework for the period prior to the transition date is not ascertainable. As a result, the income / profit or loss from investments for quarter and year ended 31<sup>st</sup> March 2025 are not comparable to figures reported for quarter and year ended 31<sup>st</sup> March 2024.

- ii. As per RBI Circular no. RBI/DOR/2024-25/135 DOR.STR.REC.72/ 21.04.048/2024-25 dated 29<sup>th</sup> March 2025, on guidelines for Government-guaranteed Security Receipts, banks are permitted to reverse any excess provision to the Profit and Loss Account in the year of transfer of a loan to an Asset Reconstruction Company (ARC) for a value higher than the net book value (NBV), provided the consideration consists solely of cash and SRs guaranteed by the Government of India. Such SRs shall be valued periodically by reckoning the Net Asset Value (NAV) declared by the ARC based on the recovery ratings received for such instruments.

The Bank has carried SRs guaranteed by Government of India at face value or Net Asset Value (NAV) declared by the ARC, whichever is lower by crediting to the Profit and Loss Account ₹3,874.99 Crore, being the lower of face value or NAV pertaining to 19 Trust accounts managed by National Asset Reconstruction Company Ltd. (NARCL).

Attrition Rate	2.00%	2.00%

The expected contribution to the Pension and Gratuity fund for the next year is ₹3,045.99 Crore and ₹1,400.71 Crore respectively.

In case of SBI, the plan assets are marked to market on the basis of the yield curve derived from government securities, the expected rate of return has been kept the same as the discount rate.

The estimates of future salary growth, factored in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market. Such estimates are very long term and are not based on limited past experience / immediate future. Empirical evidence also suggests that in very long term, consistent high salary growth rates are not possible. The said estimates and assumptions have been relied upon by the auditors.

### 2.3 Accounting Standard- 17 "Segment Reporting":

#### 2.3.1 Segment identification

##### A) Primary (Business Segment)

The following are the Primary Segments of the Group:

- Treasury
- Corporate / Wholesale Banking
- Retail Banking
- Insurance Business
- Other Banking Business

The present accounting and information system of the Group does not support capturing and extraction of the data in respect of the above segments separately. However, based on the present internal, organisational and management reporting structure and the nature of their risk and returns, the data on the Primary Segments have been computed as under:

- a) Treasury:** The Treasury Segment includes the entire investment portfolio and trading in foreign exchange contracts and derivative contracts. The revenue of the treasury segment primarily consists of fees and gains or losses from trading operations and interest income on the investment portfolio.
- b) Corporate / Wholesale Banking:** The Corporate / Wholesale Banking segment comprises the lending activities of Corporate Accounts Group, Commercial Clients Group and Stressed Assets Resolution Group. These include providing loans and transaction services to corporate and institutional clients and further include non-treasury operations of foreign offices/entities.
- c) Retail Banking:** The Retail Banking Segment comprises of retail branches, which primarily includes Personal Banking activities including lending activities to corporate customers having banking relations with these branches. This segment also includes agency business and ATMs. As per RBI Circular DOR. AUT.REC.12/22.01.001/2022-23 dated 7<sup>th</sup> April 2022, for the purpose of disclosure under Accounting Standard 17 - Segment Reporting "Digital Banking" has been identified as a sub-segment under the "Retail Banking Segment".
- d) Insurance Business:** The Insurance Business Segment comprises of the results of SBI Life Insurance Co. Ltd. and SBI General Insurance Co. Ltd.
- e) Other Banking Business:** Segments not classified under (a) to (d) above are classified under this primary segment. This segment also includes the operations of all the Non-Banking Subsidiaries/Joint Ventures other than SBI Life Insurance Co. Ltd. and SBI General Insurance Co. Ltd. of the group.

##### B) Secondary (Geographical Segment):

- a) Domestic Operations:** Branches, Subsidiaries and Joint Ventures having operations in India.
- b) Foreign Operations:** Branches, Subsidiaries and Joint Ventures having operations outside India and offshore banking units having operations in India.

C) Pricing of Inter-segmental Transfers

The Retail Banking segment is the primary resource mobilising unit. The Corporate/Wholesale Banking and Treasury segments are recipient of funds from Retail Banking. Market related Funds Transfer Pricing (MRFTP) is followed under which a separate unit called Funding Centre has been created. The Funding Centre notionally buys funds that the business units raise in the form of deposits or borrowings and notionally sell funds to business units engaged in creating assets.

D) Allocation of Revenue, Expenses, Assets and Liabilities

Expenses of parent incurred at Corporate Centre establishments directly attributable either to Corporate / Wholesale and Retail Banking Operations or to Treasury Operations segment, are allocated accordingly. Expenses not directly attributable are allocated on the basis of the ratio of number of employees in each segment/ratio of directly attributable expenses.

The Group has certain common assets and liabilities, which cannot be attributed to any segment, and the same are treated as unallocated.

### ➤ Description of contingent liabilities (AS-29):

Sr. No	Particulars	Brief Description
1	Claims against the Group not acknowledged as debts	The Group is a party to various proceedings in the normal course of business. It does not expect the outcome of these proceedings to have a material adverse effect on the Group's financial conditions, results of operations or cash flows. The Group is also a party to various taxation matters in respect of which appeals are pending.
2	Liability on partly paid-up investments/ Venture Funds	This item represents amounts remaining unpaid towards liability for partly paid investments. This also includes undrawn commitments for Venture Capital Funds.
3	Liability on account of outstanding forward exchange contracts	The Group enters into foreign exchange contracts in its normal course of business to exchange currencies at a pre-fixed price at a future date. Forward exchange contracts are commitments to buy or sell foreign currency at a future date at the contracted rate. The notional amounts are recorded as contingent liabilities. With respect to the transactions entered into with its customers, the Group generally enters into off-setting transactions in the interbank market. This results in generation of a higher number of outstanding transactions, and hence a large value of gross notional principal of the portfolio, while the net market risk is lower.
4	Guarantees given on behalf of constituents, acceptances, endorsements and other obligations	As a part of its commercial banking activities, the Group issues documentary credits and guarantees on behalf of its customers. Documentary credits enhance the credit standing of the customers of the Group. Guarantees generally represent irrevocable assurances that the Bank will make payment in the event of the customer failing to fulfil its financial or performance obligations.
5	Other items for which the Group is contingently liable	The Group enters into currency options, forward rate agreements, currency swaps and interest rate swaps with inter-Bank participants on its own account and for customers. Currency swaps are commitments to exchange cash flows by way of interest/principal in one currency against another, based on predetermined rates. Interest rate swaps are commitments to exchange fixed and floating interest rate cash flows. The notional amounts that are recorded as Contingent Liabilities, are typically amounts used as a benchmark for the calculation of the interest component of the contracts. Further, these also include estimated amount of contracts remaining to be executed on capital account and not provided for, letter of comforts issued by SBI on behalf of Associates & Subsidiaries, SBI's Liability under Depositors Education and Awareness Fund A/c and other sundry contingent liabilities.

The contingent liabilities mentioned above are dependent upon the outcome of court/arbitration/out of court settlements, disposal of appeals, the amount being called up, terms of contractual obligations, devolvement and raising of demand by concerned parties, as the case may be.

### ➤ Movement of provisions against contingent liabilities:

The movement of provisions against contingent liabilities given in the table below:

		(₹ in Crore)

## Independent Auditors' Report

To,  
**The Board of Directors,**  
**State Bank of India,**

### Report on the Audit of Consolidated Financial Statements

#### Opinion

1. We have audited the accompanying Consolidated Financial Statements of State Bank of India ("the Bank") and its subsidiaries (the bank and its subsidiaries together referred to as "the group"), its associates and joint ventures, which comprise the Consolidated Balance Sheet as at March 31, 2025, the Consolidated Profit and Loss Account and the Statement of Consolidated Cash Flow for the year then ended, and Notes to the Consolidated Financial Statements including a summary of Significant Accounting Policies and other explanatory information (hereinafter referred to as "the consolidated financial statements") which includes: (herein after referred to as the "CFS")
  - a) Audited Standalone Financial Statements of the Bank;
  - b) Audited Financial Statements of 10 Foreign Subsidiaries, 16 Domestic Subsidiaries, 02 Foreign Joint Ventures, 06 Domestic Joint Ventures, 17 Domestic Associates (including 14 Regional Rural Banks) audited by other Auditors; and (listed in Annexure A)
  - c) Un-audited Financial Statements of 01 Foreign Subsidiary and 01 Foreign Associate, as furnished by respective managements and (listed in Annexure A).

In our opinion and to the best of our information and according to the explanations given to us, and based on our consideration of the reports of other auditors on separate financial statements of subsidiaries, joint ventures and associates, the unaudited financial statements and the other financial information of subsidiary and associate as furnished by the management, the aforesaid Consolidated Financial Statements give the information required by the Banking Regulation Act, 1949 ("the Act"), the circulars, guidelines and directions issued by the Reserve Bank of India ("RBI") from time to time ("RBI Guidelines") and the applicable Accounting Standards in the manner so required for the group, its associates & joint ventures and are in conformity with accounting principles generally accepted in India and give:

- true and fair view in case of the Consolidated Balance Sheet, of the State of Affairs of the group, and its associates and joint ventures as at March 31, 2025;
- true balance of profit of the group and its associates & joint ventures, in case of Consolidated Profit & Loss Account for the year ended on that date; and
- true and fair view of the cash flows of the group and its associates & joint ventures, in case of Consolidated Cash Flow Statement for the year ended on that date.

#### Basis for Opinion

2. We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India (the ICAI). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group and its associates & joint ventures in accordance with the code of ethics issued by the ICAI together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Banking Regulations Act, 1949, State Bank of India Act, 1955 and circulars and guidelines issued by Reserve bank of India from time to time, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics. We believe that the audit evidence obtained by us along with the consideration of audit reports of other auditors referred to in the "Other Matters" paragraph below, is sufficient and appropriate to provide a basis for our opinion.

#### Key Audit Matters

3. Key Audit Matters are those matters that in our professional judgment were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined the matters described below to be the Key Audit Matters of the Bank to be communicated in our report with reference to the Key Audit Matters identified by the auditors of the Bank along with the Key Audit Matters reported by the respective other auditors which, in our opinion, are material:

Sr. No.	Key Audit Matters	How the matter was addressed in our audit
<b>Key Audit matters reported in standalone financial statements of the Bank:</b>		
i	<p>Classification of Advances, Income Recognition, Identification of and provisioning for non-performing Advances (Refer Schedule 9 read with Note 3 of Schedule 17 to the financial statements)</p> <p>Advances include Bills purchased and discounted, Cash credits, Overdrafts, Loans repayable on demand and Term loans. These are further categorised as secured by Tangible assets (including advances against Book Debts), covered by Bank/Government Guarantees and Unsecured advances.</p> <p>Advances constitute 62.36 per cent of the Bank's total assets. They are, inter-alia, governed by income recognition, asset classification and provisioning (IRAC) norms and other circulars and directives issued by the RBI from time to time which provides guidelines related to classification of Advances into performing and non-performing Advances (NPA) except in case of foreign offices, classification of advances and provisioning thereof is made as per local regulations or RBI guidelines, whichever is more stringent. The Bank classifies these Advances based on IRAC norms as per its accounting policy No. 3.</p> <p>Identification of performing and non-performing Advances involves establishment of proper mechanism. The Bank accounts for all the transactions related to Advances in its Information Technology System (IT System) viz. Core Banking Solution (CBS) which identifies whether the advances are performing or non-performing.</p> <p>Further, NPA classification and calculation of provision (except in case of foreign offices) is done through another IT System viz. Centralised Credit Data Processing (CCDP) Application Software and other processes.</p> <p>The carrying value of these advances (net of provisions) may be materially misstated if, either individually or in aggregate, the IRAC norms are not properly followed.</p> <p>Considering the nature of the transactions, regulatory requirements, existing business environment, estimation/ judgement involved in valuation of securities and calculation of provisions, it is a matter of high importance for the intended users of the Standalone Financial Statements. Considering these aspects, we have determined this as a Key Audit Matter.</p> <p>Accordingly, our audit was focused on income recognition, asset classification and provisioning pertaining to advances due to the materiality of the balances</p>	<p>Our audit approach towards advances with reference to the IRAC norms and other related circulars/directives issued by the RBI and also internal policies and procedures of the Bank includes the testing of controls on sample basis,</p> <ol style="list-style-type: none"> <li>a. The accuracy of the data input in the system for income recognition, classification into performing and non performing Advances and provisioning in accordance with the IRAC norms in respect of the branches audited by us;</li> <li>b. Existence and effectiveness of monitoring mechanisms such as Internal Audit, Systems Audit, Credit Audit and Concurrent Audit as per the policies and procedures of the Bank;</li> <li>c. Examination of advances including stressed advances on a sample basis with respect to compliance with the RBI Master Circulars / Guidelines/ Judicial pronouncements;</li> <li>d. We have relied on the reports of IT System Audit by IAD with respect to the business logics / parameters inbuilt in CBS and CCDP for tracking, identification and stamping of NPAs and provisioning in respect thereof.</li> <li>e. We tested the mapping of advances in the CCDP application software and the financial statement preparation software to ensure compliance with the presentation and disclosure requirements as per the aforesaid RBI Circular/directions.</li> <li>f. We have examined the efficacy of various internal controls over advances to determine the nature, timing and extent of the substantive procedures and compliance with the observations of the various audits conducted as per the monitoring mechanism of the Bank and RBI Inspection.</li> <li>g. In carrying out substantive procedures at the branches audited by us, we have examined large advances/ stressed advances while other advances have been examined on a sample basis including review of valuation reports of independent valuers provided by the Bank's management.</li> <li>h. We assessed and evaluated the process of identification of NPAs and corresponding reversal of income and creation of provision;</li> <li>i. Reliance is also placed on Audit Reports of other Statutory Branch Auditors with whom we have also made specific communication.</li> <li>j. Bank has laid down detailed Standard Operating Procedure to ensure control over processes. We have relied on these Standard Operating Procedures and have conducted our testing based on these Standard Operating Procedures.</li> </ol>

## Independent Auditors' Report

Sr. No.	Key Audit Matters	How the matter was addressed in our audit
ii	<p>Classification and Valuation of Investments, Identification of and provisioning for Non-Performing Investments (Schedule 8 read with Note 2 of Schedule 17 to the financial statements)</p> <p>Investments include investments made by the Bank in various Government Securities, Bonds, Debentures, Shares, Security receipts and other approved securities.</p> <p>Investments constitute 25.32 per cent of the Bank's total assets. These are governed by the circulars and directives of the RBI. These directions of RBI, inter-alia, cover valuation of investments, classification of investments, identification of non-performing investments, the corresponding non-recognition of income and provision there against.</p> <p>The valuation of each category (type) of the aforesaid securities is to be done as per the valuation hierarchy prescribed in circulars and directives issued by the RBI which involves collection of data/information from various sources such as FIMMDA/FBIL rates, rates quoted on BSE/NSE, financial statements of unlisted companies, NAVs of mutual funds, AIFs, VCFs, Security Receipts etc. Considering the complexities and extent of judgement involved in the valuation, volume of transactions, investments on hand and degree of regulatory focus, this has been determined as a Key Audit Matter.</p> <p>Accordingly, our audit was focused on valuation of investments, classification, identification of non-performing investments and provisioning related to investments</p>	<p>Our audit approach towards Investments with reference to the RBI Circulars/directives included the understanding of internal controls and substantive audit procedures in relation to classification, valuation, identification of non-performing investments (NPIs), provisioning/depreciation related to Investments. In particular;</p> <ol style="list-style-type: none"> <li>We understood and reviewed the methodology adopted by the Bank for classification of investments into various categories as per RBI guidelines;</li> <li>We understood and evaluated the Bank's internal control system to comply with relevant RBI guidelines regarding valuation, classification, identification of NPIs, provisioning/depreciation related to investments;</li> <li>We assessed and evaluated the process adopted for collection of information from various sources for determining fair value of these investments;</li> <li>For the selected sample of investments in hand, we tested accuracy and compliance with the RBI Master Circulars and directions by re-performing valuation for each category of security. Samples were selected after ensuring that all the categories of investments (based on nature of security) were covered in the sample;</li> <li>We assessed and evaluated the process of identification of NPIs and corresponding reversal of income and creation of provision;</li> <li>We carried out substantive audit procedures to recompute independently the provision to be maintained and depreciation to be provided in accordance with the circulars and directives of the RBI. Accordingly, we selected samples from the investments of each category and tested for NPIs as per the RBI guidelines and recomputed the provision to be maintained in accordance with the RBI Circular for those selected sample of NPIs;</li> <li>We tested the mapping of investments between the Investment application software and the financial statement preparation software to ensure compliance with the presentation and disclosure requirements as per the aforesaid RBI Circular/directions.</li> </ol>
iii	<p>Assessment of Provisions and Contingent liabilities in respect of certain litigations including Direct and Indirect Taxes, various claims filed by other parties not acknowledged as debt (Schedule 12 read with Note 18.13 of Schedule 18 to the financial statements):</p> <p>There is high level of judgement required in estimating the level of provisioning. The Bank's assessment is supported by the facts of matter, their own judgment, past experience, and advice from legal and independent tax consultants wherever considered necessary. Accordingly, unexpected adverse outcomes may significantly impact the Bank's reported profit and state of affairs presented in the Balance Sheet.</p> <p>We determined the above area as a Key Audit Matter in view of associated uncertainty relating to the outcome of these matters which requires application of judgment in interpretation of law. Accordingly, our audit was focused on analysing the facts of subject matter under consideration and judgments/ interpretation of law involved.</p>	<p>Our audit approach involved:</p> <ol style="list-style-type: none"> <li>Obtaining an understanding of internal controls relevant to the audit in order to design our audit procedures that are appropriate in the circumstances;</li> <li>Understanding the current status of the litigations/tax assessments including the status up to the date of auditor's report;</li> <li>Examining recent orders and/or communication received from various tax authorities/ judicial forums and follow up action thereon;</li> <li>Evaluating the merit of the subject matter under consideration with reference to the grounds presented therein and available independent legal / tax advice including opinion of our internal tax experts;</li> <li>Review and analysis of evaluation of the contentions of the Bank through discussions, collection of details of the subject matter under consideration, the likely outcome and consequent potential outflows on those issues; and</li> <li>Verification of disclosures related to significant litigations and taxation matters.</li> </ol>

Sr. No.	Key Audit Matters	How the matter was addressed in our audit
iv	<p>Valuation of employees' defined benefit obligations:</p> <p>The Bank has recognised long-term defined benefit obligations for its employees on actuarial basis. Pension and gratuity obligations are funded by the Bank. Shortfall, if any, in Bank's Provident Fund Scheme is also provided for on actuarial basis. The Bank makes periodic contributions to fund administered by Trustees based on an independent external actuarial valuation carried out annually. Unfunded long-term defined benefit obligations are compensated absences, silver jubilee award, leave travel concession, retirement award and resettlement allowance. The cost of providing unfunded long-term benefits is determined using the projected unit credit method with actuarial valuations being carried out at each Balance Sheet date.</p> <p>The actuarial valuations of employee benefit obligations are dependent on market conditions and assumptions made. The key audit matter specifically relates to the following key assumptions: discount rate, inflation expectations and life expectancy assumptions. The setting of these assumptions is complex and requires the exercise of significant management judgement with the support of third-party actuary.</p>	<p>We tested governance and controls in place over the methodologies and the significant assumptions, including those in relation to the use of management's experts. We examined the reports of external actuarial specialist and reviewed the key actuarial assumptions used, both financial and demographic, and considered the methodology applied to derive these assumptions including review of input data provided for actuarial valuations of employees' defined benefit obligations. Furthermore, we have examined the sensitivity analysis on the key assumptions in valuing the defined benefit obligations. We also evaluated the objectivity and competence of management's expert involved in the valuation of the defined benefit obligation. We assessed the appropriateness of the methodology used, and tested the accuracy of the calculation, to estimate the liability.</p>
<b>Key Audit Matters as reported by auditors of SBI Life Insurance Company Limited:</b>		
v	<p>Information Technology systems and controls (IT Controls):</p> <p>All insurance companies are highly dependent on technology due to the significant number of transactions that are processed on a daily basis. A significant part of the company's financial processes is heavily reliant on IT systems with automated processes and controls over the capturing, valuing and recording of transactions. Thus, there exists a risk that gaps in the IT Control Environment could result in the financial accounting and reporting records being materially misstated.</p> <p>The Company has separate software applications for management of its various activities. Transfer of data from / to these software's is critical for accurate compilation of financial information. We have identified 'IT systems and controls' as key audit matter because of significant use of IT environment and the scale and complexity of the IT architecture.</p>	<p>Principal Audit Procedures</p> <ul style="list-style-type: none"> <li>• We obtained an understanding of the Company's IT environment and key changes if any during the audit period that may be relevant to the audit</li> <li>• We have reviewed the design and operating effectiveness of key automated controls.</li> <li>• We have reviewed the reconciliations between the core operating systems and the accounting software to mitigate the risk of incorrect data flow to/from separate application software.</li> <li>• We have also obtained management representations wherever considered necessary</li> </ul>

## Independent Auditors' Report

Sr. No.	Key Audit Matters	How the matter was addressed in our audit
vi	<p>Valuation of Investments:</p> <p>The company's investment portfolio consists of Policyholders' investments (traditional and unit linked policy holders) and Shareholders investment.</p> <p>Total investment portfolio of the company (i.e. Asset under management (AUM)) represents 99.40 per cent of the Company's total assets.</p> <p>Investments are made and valued in accordance with Insurance Act, 1938, IRDAI AFI Regulations, Investment Policy of the Company and relevant Indian GAAPs.</p> <p>These valuation methods use multiple observable market inputs, including observable interest rates, index levels, credit spreads, equity prices, counter party credit quality, and corresponding market volatility levels etc.</p> <p>The portfolio of quoted investments is 43.17 per cent of the Company's AUM and the portfolio of investments that are valued primarily using observable inputs is 56.36 per cent of the Company's AUM. We do not consider these investments to be at a high risk of significant misstatement, or to be subject to a significant level of judgement because they comprise liquid, quoted investments. However, due to their materiality in the context of the standalone financial statements as a whole, they are considered to be one of the areas which had the significant impact on our overall audit strategy.</p> <p>The portfolio of unquoted investments is 0.20 per cent of the Company's AUM. The valuation of unquoted investment involves judgement depending on the observability of the inputs into the valuation and further judgement in determining the appropriate valuation methodology where external pricing sources are either not readily available or are unreliable.</p> <p>The valuation of these investment was considered to be one of the areas which required significant auditor attention and was one of the matters of most significance in the financial statements due to the materiality of total value of investments to the financial statements.</p>	<p>Principal Audit Procedures</p> <p>Our audit procedures for this area included but were not limited to the following:</p> <ul style="list-style-type: none"> <li>• Obtained an understanding of the Company's process and controls over the valuation of investments. The understanding was obtained by performance of walkthroughs, which included inspection of documents produced by the Company and discussion with those involved in the pertinent process.</li> <li>• Evaluated and tested the design, implementation and operating effectiveness of key controls over the valuation process, including the Company's assessment and approval of assumptions used for the valuation including key authorisation and data input controls thereof;</li> <li>• Obtained independent external confirmations for investments as at balance sheet date from the Custodians and Depository Participants appointed by the Company to confirm the units of securities for the purpose of valuation re-computation;</li> <li>• On a test check basis, recomputed valuation of different class of investments to assess appropriateness of valuation methodologies with reference to IRDAI Investment Regulations along with the Company's Board approved valuation policy;</li> <li>• Examined movement and appropriateness of accounting in Fair Value Change account for specific investments.</li> <li>• Ensured the appropriateness and reasonableness of methodology, assumptions and judgements used by management with reference to the valuation and impairment of investments as per the Company's Board approved valuation and impairment policy.</li> <li>• Obtained written representations from management on compliance of valuation of investments with the regulations and adequacy of impairment recorded for the year.</li> </ul>
vii	<p>Contingent Liabilities and Litigations:</p> <p>The company has pending litigation matters with various appellate authorities and at different forums. The same involves judgements in accordance with applicable Accounting Standards to determine the final outcome of such open litigation matters.</p> <p>The management with the help of its experts, as needed, have made judgements relating to the likelihood of an obligation arising and whether there is a need to recognise a provision or disclose a contingent liability. We therefore focused on this area as a result of uncertainty and potential material impact.</p>	<p>Principal Audit Procedures: -</p> <ul style="list-style-type: none"> <li>• We read the various regulatory correspondences and related documents pertaining to litigation cases and corroborated them with our understanding of legal position as per various statutes.</li> <li>• We obtained legal opinion sought by management from the independent legal counsel including opinion of our own team to review the sustainability of the dispute. We discussed the status and potential exposure in respect of significant litigation with the company's internal legal team and obtaining details regarding the progress of various litigations including management views on the likely outcome of each litigation and the magnitude of potential exposure.</li> <li>• The various litigation matters were reviewed in order to assess the facts and circumstances and to identify the potential exposures and to satisfy ourselves that it is not probable that an outflow of economic benefits will be required, or in certain cases where the amount cannot be estimated reliably, such obligation is disclosed by the company as a contingent liability.</li> </ul>

Sr. No.	Key Audit Matters	How the matter was addressed in our audit
<b>Key Audit Matters as reported by auditors of SBI Capital Markets Limited:</b>		
viii	<p>Assessment of Valuation of investments measured at fair value for which no listed price in an active market is available and valued using market information and significant unobservable input:</p> <p>The Company has certain investments of which listed price in an active market is not available and has been valued at fair value at ₹16,678.15 Crore (₹7,017.82 Crore as on 31.03.2024) as required by Ind-AS. The corresponding fair value change is recognised in Other Comprehensive Income (OCI) and deferred tax in accordance with related Accounting Standard (Ind-AS 109). In measuring these Investments, valuation methods are used based on inputs that are not directly observable from market information and certain other unobservable inputs. The Management has also used the services of an independent professional valuer. Key inputs used in the valuation of above investments are market multiples and growth rate, terminal rate, discount rate, NAV etc.</p> <p>The valuation of these assets is important to our audit as it is highly dependent on estimates (various assumptions and techniques used) which contain assumptions that are not observable in the market. Given the inherent subjectivity in the valuation of the above investments, relative significance of these investments to the standalone financial statements and the nature and extent of audit procedures involved, we determined this to be a key audit matter.</p>	<p>Principal Audit Procedures</p> <p>We understood and tested the design and operating effectiveness of the company's control over the assessment of valuation of investments.</p> <ul style="list-style-type: none"> <li>We evaluated the independence, competence, capabilities and objectivity of Management's expert (Independent professional valuer).</li> <li>We evaluated together with the auditor's expert to assess the reasonableness of the valuation methodology and underlying assumptions relating to market multiples and growth rate, discount rate, NAV etc. used by the independent professional valuer to estimate the fair value of investments.</li> <li>We validated the source data on sample basis and tested the arithmetical accuracy of the calculation of valuation of investments.</li> <li>We assessed the adequacy of the disclosures in the standalone financial statements.</li> </ul> <p>Based on our above audit procedures we consider that the management's assessment of the investment for which non-listed price in an active market is available is reasonable.</p>
ix	<p>Evaluation of uncertain tax positions:</p> <p>The company has material uncertain tax positions including matters under dispute which involves significant judgement to determine the possible outcome of these disputes.</p>	<p>Principal Audit Procedures:</p> <p>We evaluated the Company's processes and controls for monitoring the tax disputes.</p> <p>Obtained risk assessment of tax litigation from our internal tax expert to assess management's judgement and assumption on such matters to challenge the management's underlying assumptions in estimating the tax provision and the possible outcome of the disputes. They also considered legal precedence and other rulings in evaluating management's position on these uncertain tax positions.</p>

## Other Matters

4. We did not audit the financial statements of 26 Subsidiaries, 08 Jointly Controlled Entities whose financial statements reflect total assets of ₹6,73,463.77 Crore as at March 31, 2025, total revenues of ₹1,50,587.63 Crore for the year ended on that date, as considered in the Consolidated Financial Statements. The Consolidated Financial Statements also include the Group's share of net profit of ₹1,475.94 Crore for the year ended March 31, 2025, as considered in the Consolidated Financial Statements, in respect of 17 associates, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, joint ventures and associates is based solely on the reports of such auditors.

In the case of 12 foreign subsidiaries/associates / jointly controlled entities, the financial statements and other information has been prepared in accordance with accounting principles generally accepted in their respective countries and which has been audited by the other auditors under generally accepted Auditing standards as applicable in their respective countries. The management of such subsidiaries/ associates/jointly controlled entities has converted the financial information from accounting principles generally accepted in their respective countries to accounting policy of SBI and these conversion adjustments have been audited by the other auditors.

5. We did not audit the Financial Statements of 01 subsidiary whose Financial Statements reflect total assets of ₹8,383.60 Crore as at March 31, 2025, total revenues of ₹522.51 Crore as considered in the Consolidated Financial Statements. The Consolidated Financial Statements also include the Group's share of net profit of ₹29.53 Crore for the year

## Independent Auditors' Report

ended March 31, 2025, as considered in the Consolidated Financial Statements, in respect of 01 associate, whose financial statements have not been audited by us. These financial statements are unaudited and have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, associates and joint ventures is based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the Management, these financial statements are not material to the Group.

6. The auditors of SBI Life Insurance Company Limited and SBI General Insurance Company Limited, subsidiaries of the Group, have reported that the actuarial valuation of liabilities for life policies in force, for policies in respect of which premium has been discontinued but liability exist as at March 31, 2025 and the actuarial valuation of liabilities in respect of Claims Incurred But Not Reported (IBNR) and Claims Not Incurred But Not Enough Reported (IBNER) is the responsibility of the Company's Appointed Actuary (the "Appointed Actuary"). The actuarial valuation of these liabilities for life policies in force and for policies in respect of which premium has been discontinued but liability exists as at March 31, 2025 has been duly certified by the Appointed Actuary and in his opinion, the assumptions for such valuation are in accordance with the guidelines and norms issued by the Insurance Regulatory Development Authority of India ("IRDAI" / "Authority") and the Institute of Actuaries of India in concurrence with the Authority. The auditors have relied upon Appointed Actuary's certificate in this regard for forming our opinion on the valuation of liabilities for life policies in force and for policies in respect of which premium has been discontinued but liability exists in financial statements of the Company.

Our opinion on the Consolidated Financial Statements, is not modified in respect of the above matters.

### Information Other than the Consolidated Financial Statements and Auditors' Report thereon

7. The Bank's Board of Directors are responsible for the other information. The other information comprises the Corporate Governance report (but does not include the Consolidated Financial Statements and our auditors' report thereon), which we obtained at the time of issue of this auditors' report. The Other Information also includes the Directors' Report of the Bank including annexures in annual report thereon, which is expected to be made available to us after the date of this Auditors' Report.

Our opinion on the Consolidated Financial Statements does not cover the other information and Pillar 3 disclosures under the Basel III and we do not and will not express any form of assurance or conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this Other Information, we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

8. The Bank's Board of Directors are responsible for the preparation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flow of the Group including its associates & joint ventures in accordance with the accounting principles generally accepted in India including Accounting Standard 21-"Consolidated Financial Statements", Accounting Standards 23- "Accounting for Investment in Associates in Consolidated Financial Statements" and Accounting Standards 27 – Financial Reporting of Interest in Joint Venture" issued by the Institute of Chartered Accountants of India, and provisions of Section 29 of the Banking Regulation Act, 1949, the State Bank of India Act, 1955 and circulars and guidelines issued by the Reserve Bank of India (RBI) from time to time and other accounting principles generally accepted in India. . The respective Board of Directors of the entities included in the Group and its associates and joint ventures are responsible for maintenance of adequate accounting records in accordance with the provisions of the Respective Acts and applicable guidelines for safeguarding of the assets of the Group and its associates & joint ventures and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidation financial statements that give true and fair

view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Bank, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the entities included in the Group and its associates and joint ventures are responsible for assessing the ability of the Group's and its associates and joint venture to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the entities included in the Group and its associates and joint ventures are responsible for overseeing the financial reporting process of the Group and its associates and joint ventures.

### **Auditors' Responsibility for the Audit of Consolidated Financial Statements**

9. Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material, if individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and joint ventures to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group and its associates and joint ventures to cease to continue as a going concern.
- Evaluate the overall presentation structure and content of the Consolidated Financial Statements, including the disclosures and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group and its Associates and Jointly ventures, to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial information of such entities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
- Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

## Independent Auditors' Report

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the Key Audit Matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Report on Other Legal and Regulatory Requirements

10. The Consolidated Balance Sheet, the Consolidated Profit and Loss Account and Consolidated Cash Flow of the Bank have been drawn up in accordance with the provisions of the Banking Regulation Act, 1949; and these give information as required to be given by virtue of the provisions of the State Bank of India Act, 1955 and regulations there under.
11. Subject to the limitations of the audit indicated in paragraph 4 to 8 above and as required by the State Bank of India Act, 1955 and Banking Companies (Acquisition and Transfer of Undertakings) Act, 1970, based on our audit and on the consideration of report of the other auditors on separate financial statements, and subject also to the limitations of disclosure required therein, we report that:
  - a) We have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit and have found them to be satisfactory;
  - b) The transactions of the Bank, which have come to our notice, have been within the powers of the Bank; and
  - c) The returns received from the offices and branches of the Bank have been found adequate for the purposes of our audit.

12. As required under the provisions of Section 30(2) of the Banking Regulation Act 1949 and by the RBI letter No. DOS. ARG. No.6270/08.91.001/2019- 20 dated March 17, 2020 on "Appointment of Statutory Central Auditors (SCAs) in Public Sector Banks – Reporting obligations for SCAs from FY 2019-20", read with subsequent communication dated May 19, 2020 issued by the RBI, we further report that:

- a) In our opinion, proper books of account as required by law have been kept by the Bank so far as it appears from our examination of those books and reports of the other auditors and proper returns adequate for the purposes of our audit have been received from branches not visited by us;
- b) the Consolidated Balance Sheet, the Consolidated Profit and Loss Account and the Consolidated Cash Flow Statement dealt with by this report are in agreement with the relevant books of account and with the returns received from branches not visited by us;
- c) the reports on the accounts of the branch offices audited by branch auditors of the Bank under section 29 of the Banking Regulation Act, 1949, and the State Bank of India Act, 1955 have been sent to us and have been properly dealt with by us in preparing this report;
- d) in our opinion, the Consolidated Balance Sheet, the Consolidated Profit and Loss Account and the Consolidated Cash Flow Statement comply with the applicable accounting standards, to the extent they are not inconsistent with the accounting policies prescribed by the RBI.
- e) There are no observations or comments on financial transactions or matters which have any adverse effect on the functioning of the Bank.
- f) As the Bank is not registered under the Companies Act, 2013, the disqualifications from being a director of the bank under sub-section (2) of Section 164 of the Companies Act, 2013 do not apply to the bank

On the basis of the reports of the statutory auditors of subsidiaries, associates and joint venture companies other than Government Company to the extent incorporated in India, none of the directors of the subsidiaries, associates & joint ventures companies incorporated in India is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Companies Act, 2013.

- g) There are no qualifications, reservations or adverse remarks relating to the maintenance of accounts and other matters connected therewith.
- h) As per para 1.14 of the Technical Guide on Audit of Internal Financial Controls in Case of Public Sector Banks issued by ICAI, the reporting requirement as introduced by RBI regarding Internal Financial Reporting will apply to the standalone financial statements of Public Sector Banks (PSBs) and not to consolidated financial statements of PSBs. Accordingly, reporting is not done on the Group's

Internal Financial Control over Financial Reporting with reference to the Consolidated Financial Statements as at March 31, 2025.

## DF-2 - CAPITAL ADEQUACY

As on 31.03.2025

### Qualitative Disclosures

- (a) A summary discussion of the Bank's approach to assessing the adequacy of its capital to support current and future activities
- The Bank and its Subsidiaries undertake the Internal Capital Adequacy Assessment Process (ICAAP) on an annual basis. The ICAAP details the capital planning process and carries out an assessment covering measurement, monitoring, internal controls, reporting, capital requirement and stress testing of the following Risks:
- |   |   |

- Sensitivity Analysis is conducted annually or more frequently as required, on the movement of Capital Adequacy Ratio (CAR) in the medium horizon of 3 to 5 years, considering the projected investment in Subsidiaries / Joint Ventures by SBI and growth in Advances by SBI and its Subsidiaries (Domestic / Foreign). This analysis is done for the SBI and SBI Group separately.
  - CRAR of the Bank and for the Group as a whole is estimated to be well above the Regulatory CAR in the medium horizon of 3 to 5 years. However, to maintain adequate capital, the Bank has options to augment its capital resources by raising Subordinated Debt, Perpetual Cumulative Preference Shares (PCPS), Redeemable Non-Cumulative Preference Shares (RNCPS), Redeemable Cumulative Preference Shares (RCPS), Perpetual Debt Instruments (PDIs) and Perpetual Non-Cumulative Preference Shares (PNCPS) besides Equity as and when required.
  - Strategic Capital Plan for the Foreign Subsidiaries covers an assessment of capital requirement for growth of assets and the capital required complying with various local regulatory requirements and prudential norms. The growth plan is approved by the parent bank after satisfying itself about the capacity of the individual subsidiaries to raise CET 1 / AT 1 / Tier 2 Capital to support the increased level of assets and at the same time maintaining the Capital Adequacy Ratio (CAR).

**DF-3: CREDIT RISK: GENERAL DISCLOSURES**

As on 31.03.2025

**General Disclosures****a. Qualitative Disclosures**

- **Definitions of past due and impaired assets (for accounting purposes)**

**Non-performing assets**

An asset becomes non-performing when it ceases to generate income for the Bank. As from 31<sup>st</sup> March 2006, a non-performing Asset (NPA) is an advance where

- Interest and/or instalment of principal remain 'overdue' for a period of more than 90 days in respect of a Term Loan.
- The account remains 'out of order' for a period of more than 90 days, in respect of an Overdraft/Cash Credit (OD/CC).
- The bill remains 'overdue' for a period of more than 90 days in the case of bills purchased and discounted.
- Any amount to be received remains 'overdue' for a period of more than 90 days in respect of other accounts.
- A loan granted for short duration crops is treated as NPA, if the instalment of principal or interest thereon remains overdue for two crop seasons and a loan granted for long duration crops is treated as NPA, if instalment of principal or interest thereon remains overdue for one crop season.
- An account would be classified as NPA only if the interest charged during any quarter is not serviced fully within 90 days from the end of the quarter.
- The amount of a liquidity facility remains outstanding for more than 90 days, in respect of securitisation transactions undertaken in accordance with the RBI guidelines on securitisation dated February 1, 2006.
- In respect of derivative transactions, the overdue receivables representing the positive mark to market value of a derivative contract, remain unpaid for a period of 90 days from the specified due date for payment.

**'Out of Order' status**

An account is treated as 'out of order' if the outstanding balance remains continuously in excess of the sanctioned limit/drawing power.

In cases where the outstanding balance in the principal operating account is less than the sanctioned limit/drawing power, but there are no credits continuously for 90 days as on the date of Bank's Balance Sheet, or where credits are not enough to cover the interest debited during the same period, such accounts are treated as 'out of order'.

### 'Overdue'

Any amount due to the Bank under any credit facility is 'overdue' if it is not paid on the due date fixed by the Bank.

#### ▪ Resolution of Stressed Assets

Early identification and reporting of stress:

Identification of incipient stress in loan accounts, immediately on default\*, by classifying stressed assets as special mention accounts (SMA) as per the following categories:

SMA Sub-categories	Basis for classification – Principal or interest payment or any other amount wholly or partly overdue between
SMA-0	1-30 days
SMA-1	31-60 days
SMA-2	61-90 days

\* Default' means non-payment of debt when whole or any part or instalment of the amount of debt has become due and payable and is not repaid by the debtor or the corporate debtor. For revolving facilities like cash credit, default would also mean, without prejudice to the above, the outstanding balance remaining continuously in excess of the sanctioned limit or drawing power, whichever is lower, for more than 30 days.

#### ▪ Discussion of the Bank's Credit Risk Management Policy

The Bank has an integrated Credit Risk Management, Credit Risk Mitigation and Collateral Management Policy in place which is reviewed annually. Over the years, the policy & procedures in this regard have been refined as a result of evolving concepts and actual experience. The policy and procedures have been aligned to the approach laid down in Basel-II and RBI guidelines.

Credit Risk Management encompasses identification, assessment, measurement, monitoring and control of the credit risk in exposures.

In the processes of identification and assessment of Credit Risk, the following functions are undertaken:

- (i) Developing and refining the Credit Risk Assessment (CRA) Models/Scoring Models to assess the Counterparty Risk, by taking into account the various risks categorised broadly into Financial, Business, Industrial and Management Risks, each of which is scored separately.
- (ii) Conducting industry research to give specific policy prescriptions and setting quantitative exposure parameters for handling portfolio in large / important industries, by issuing advisories on the general outlook for the Industries/ Sectors, from time to time.

The measurement of Credit Risk involves computation of Credit Risk Components viz Probability of Default (PD), Loss Given Default (LGD) and Exposure At Default (EAD).

The monitoring and control of Credit Risk includes setting up exposure limits to achieve a well-diversified portfolio across dimensions such as single borrower, group borrower and industries. For better risk management and avoidance of concentration of Credit Risks, internal guidelines on prudential exposure norms in respect of individual companies, group companies, Banks, individual borrowers, non-corporate entities, sensitive sectors such as capital market, real estate, sensitive commodities, etc., are in place. Credit Risk Stress Tests are conducted at half yearly interval to identify vulnerable areas for initiating corrective action, where necessary.

The Bank has also a Loan Policy which aims at continued improvement of the overall quality of assets at the portfolio level, by establishing a commonality of approach regarding credit basics, appraisal skills, documentation standards and awareness of institutional concerns and strategies, while leaving enough room for flexibility and innovation.

The Bank has processes and controls in place in regard to various aspects of Credit Risk Management such as appraisal, pricing, credit approval authority, documentation, reporting and monitoring, review and renewal of credit facilities, management of problem loans, credit monitoring, etc. The Bank also has a system of Credit Audit with the aims of achieving continuous improvement in the quality of the credit portfolio with exposure of ₹20 cr. and above. Credit Audit covers audit of credit sanction decisions at various levels. Both the pre-sanction process and post-sanction position are examined as a part of the Credit Audit System. Credit Audit also examines identified Risks and suggests Risk Mitigation Measures.

## DF-4: CREDIT RISK: DISCLOSURES FOR PORTFOLIOS SUBJECT TO THE STANDARDISED APPROACH

As on 31.03.2025

### Disclosures for Portfolios subject to Standardised Approach

#### Qualitative Disclosures

- **Names of Credit Rating Agencies used, plus reasons for any changes**

- (a) As per RBI Guidelines, the Bank has identified CARE, CRISIL, ICRA, India Rating, ,Brickwork\*,ACUITE Ratings and Research and INFOMERICs (Domestic Credit Rating Agencies) and FITCH, Moody's and S&P (International Rating Agencies) as approved Rating Agencies, for the purpose of rating Domestic and Overseas Exposures, respectively, whose ratings are used for the purpose of computing Risk-weighted Assets and Capital Charge.

- **Types of exposures for which each Agency is used**

- (i) For Exposures with a contractual maturity of less than or equal to one year (except Cash Credit, Overdraft and other Revolving Credits), Short-term Ratings given by approved Rating Agencies are used.
- (ii) For Cash Credit, Overdraft and other Revolving Credits (irrespective of the period) and for Term Loan exposures of over 1-year, Long Term Ratings are used.

- **Description of the process used to transfer Public Issue Ratings onto comparable assets in the Banking Book**

The key aspects of the Bank's external ratings application framework are as follows:

- All long term and short-term ratings assigned by the credit rating agencies specifically to the Bank's long term and short-term exposures respectively are considered by the Bank as issue specific ratings.
- Foreign sovereign and foreign bank exposures are risk-weighted based on issuer ratings assigned to them.
- The Bank ensures that the external rating of the facility/borrower has been reviewed at least once by the ECAI during the previous 15 months and is in force on the date of its application.
- Where multiple issuer ratings are assigned to an entity by various credit rating agencies, the risk weight is determined as follows:
  - If there is only one rating by a chosen credit rating agency for a particular claim, then that rating is used to determine the risk weight of the claim.
  - If there are two ratings accorded by chosen credit rating agencies, which map into different risk weights, the higher risk weight is applied.
  - If there are three or more ratings accorded by chosen credit rating agencies with different risk weights, the ratings corresponding to the two lowest risk weights are referred to and the higher of those two risk weights is applied, i.e., the second lowest risk weight.

\* The Securities and Exchange Board of India has cancelled the Certificate of Registration (CoR) granted to Brickwork Ratings India Private Limited as a Credit Rating Agency (CRA), vide Order WTM/ASB/MIRSD/MIRSD\_CRADT/20175/2022-23 dated October 6, 2022.

2. In view of the above, Regulated Entities/ Market Participants are advised by RBI, in respect of ratings/credit evaluations required in terms of any guidelines issued by them, no such fresh ratings/evaluations shall be obtained from the above-mentioned rating agency with immediate effect. The instructions regarding the prudential treatment of the existing ratings issued by the rating agency shall be advised separately
3. As per RBI guidelines RBI/2024-25/50 DOR.STR.REC.26/21.06.008/2024-25 dated July 10, 2024: Banks are hereby permitted to use the ratings of the CRA (Brickwork) for risk weighting their claims for capital adequacy purposes, subject to the following:
  - a. In respect of fresh rating mandates, rating may be obtained from the CRA for bank loans not exceeding ₹250 Crore.
  - b. In respect of existing ratings, the CRA may undertake rating surveillance irrespective of the rated amount, till the residual tenure of such loans.

Provided that in case of existing ratings assigned to working capital facilities exceeding ₹250 Crore, the CRA shall undertake rating surveillance only till the next renewal of such facility by the banks.

**DF-5: CREDIT RISK MITIGATION: DISCLOSURES FOR STANDARDISED APPROACHES**

As on 31.03.2025

**Credit Risk Mitigation: Disclosures for Standardised Approach**
**(a) Qualitative Disclosures**

- **Policies and processes for, and an indication of the extent to which the bank makes use of, on- and off-balance sheet netting**

On-balance sheet netting is confined to loans/advances and deposits, where the Bank have legally enforceable netting arrangements, involving specific lien with proof of documentation. The Bank calculates capital requirements on the basis of net credit exposures subject to the following conditions:

Where bank,

- has a well-founded legal basis for concluding that the netting or offsetting agreement is enforceable in each relevant jurisdiction regardless of whether the counterparty is insolvent or bankrupt.
- is able at any time to determine the loans/advances and deposits with the same counterparty that are subject to the netting agreement; and
- monitors and controls the relevant exposures on a net basis, it may use the net exposure of loans/advances and deposits as the basis for its capital adequacy calculation. Loans/advances are treated as exposure and deposits as collateral.

- **Policies and Processes for Collateral Valuation and Management**

The Bank has an integrated Credit Risk Management, Credit Risk Mitigation and Collateral Management Policy in place which is reviewed annually. Part B of this policy deals with Credit Risk Mitigation and Collateral Management, addressing the Bank's approach towards the credit risk mitigants used for capital calculation.

The objective of this Policy is to enable classification and valuation of credit risk mitigants in a manner that allows regulatory capital adjustment to reflect them.

The Policy adopts the Comprehensive Approach, which allows full offset of collateral (after appropriate haircuts), wherever applicable against exposures, by effectively reducing the exposure amount by the value ascribed to the collateral. The following issues are addressed in the Policy:

- Classification of credit risk-mitigants
- Acceptable credit risk-mitigants
- Documentation and legal process requirements for credit risk-mitigants
- Valuation of collateral

- e) Margin and Haircut requirements
- f) External ratings
- g) Custody of collateral
- h) Insurance
- i) Monitoring of credit risk mitigants
- j) General guidelines.

- **Description of the main types of collateral taken by the Bank**

The following collaterals are usually recognised as Credit Risk Mitigants under the Standardised Approach:

- Cash or Cash equivalent (Bank Deposits/NSCs/KVP/LIC Policy, etc.)
- Gold
- Securities issued by Central / State Governments

Debt Securities rated BBB- or better A3 for Short-Term Debt Instrument

- **Main types of Guarantor Counterparty and their creditworthiness**

The Bank accepts the following entities as eligible guarantors, in line with RBI guidelines:

- (a) Sovereign, Sovereign entities [including Bank for International Settlements (BIS), International Monetary Fund (IMF), European Central Bank and European Community as well as Multilateral Development Banks, Export Credit & Guarantee Corporation (ECGC) and Credit Guarantee Fund Trust for Micro and Small Enterprises (CGTMSE)], Public Sector Enterprises (PSEs), Banks and Primary Dealers with a lower risk weight than the counterparty.
- (b) Other guarantors having an external rating of AA or better. In case the guarantor is a parent company, affiliate, or subsidiary, they should enjoy a risk weight lower than the obligor for the guarantee to be recognised by the Bank. The rating of the guarantor should be an entity rating which has factored in all the liabilities and commitments (including guarantees) of the entity.

Information about (Market or Credit) risk concentrations within the mitigation taken:

The Bank has a well-dispersed portfolio of assets which are secured by various types of collaterals, such as: -

- Eligible financial collaterals listed above
- Guarantees by sovereigns and well-rated corporates,
- Fixed assets and current assets of the counterparty.

- Loss Data Management Policy
- IT Policy and Standards
- Cyber Security Policy
- Information Security Policy & Standards
- Comprehensive Business Continuity and Operational Resilience (BC&OR) Policy
- Policy on Know Your Customer (KYC) Standards and Anti Money Laundering (AML)/ Combating of Financing of Terrorism Measures
- Policy on Fraud Risk Management
- IT Outsourcing and Procurement Policy
- Policy on Insurance
- Framework on RCSA
- TPRM Framework

#### Manuals

- Operational Risk Management Manual
- Loss Data Management Manual
- Business Continuity and Operational Resilience (BC& OR) Manual
- Business Continuity Management System (BCMS) Plan

#### Domestic Non-Banking and Overseas Banking entities

Policies and Manuals, as relevant to the business model of non-Banking entities and as per the requirements of the overseas regulators in respect of Overseas Banking subsidiaries are in place. A few of the policies in place are – Disaster Recovery Plan/ Business Continuity Plan, Incident Reporting Mechanism, Near Miss Events Reporting Mechanism, Outsourcing Policy, etc.

## B. Strategies and Processes

### Domestic Banking entities (SBI)

- To successfully embed the risk culture and operational risk management, Risk Management Committees at various levels at Circles like RMCAOs, RMCCs, and RMCs at the Business and Support Groups (RMC-RB&O, RMC-IBG, RMC-GMU, RMC-CAG, RMC-CCG, RMC-SARG & RMC-IT) are in place in addition to the Operational Risk Management Committee (ORMC) and the Risk Management Committee of the Board (RMCB).
- The process of building a comprehensive database of internal and external losses due to Operational Risks as per Basel defined 8 Business Lines and 7 Loss Event Types is in place. In addition, Near Miss Events is also captured to improve risk management practices.
- Risk and Control Self-Assessment (RCSA) is a proactive exercise conducted in workshop-based approach to identify gaps, if any, in the existing controls and suggestions are invited for improvement of System & Controls to mitigate the Risks. RCSA also helps in inculcating risk awareness among staff members. RCSA exercise is carried out across Bank Branches, CPCs and Offices on a yearly basis. Bank also conducts theme based RCSA for Products /Processes at the time of launch/review. Based on the RCSA exercise, Mitigation plans are prepared and implemented for activities rated as High & Critical Risks. Feasibility study is carried out by Business owners for suggestions emanated during RCSA exercise for further improvement of System & Controls in the Bank. Adhoc-RCSA is conducting, as a pro-active approach, at branches identified based on the operational loss incidents, frauds, sudden spurt in business and complaints etc.
- Key Indicators (KIs) have been identified across the Business and Support Groups with threshold and monitoring mechanism is in place. KIs are being monitored at quarterly intervals by the Risk Management Committees (RMC) at Circles, the Operational Risk Management Committee (ORMC) and the Risk Management Committee of the Board (RMCB). Top 10 critical KIs are identified during the financial year for close follow up.
- Development of internal systems for quantifying and monitoring operational risk as required under Basel II/ III guidelines, is in place.
- Vendor Risk Assessment are being conducted for Vendor Engagements at the time of onboarding and during periodic review. Results of Vendor Risk Assessment are placed before Risk Management Committees.

### Others

The following measures are being used to control and mitigate Operational Risks in the Domestic Banking entities:

- "Book of Instructions" (Manual on General Instructions, Manual on Loans & Advances) which contains detailed procedural guidelines for processing various banking transactions. Amendments and modifications to update these guidelines are being carried out regularly through e-circulars/Master circulars. Guidelines and instructions are also propagated through e-Circulars, E-Learning Lessons, Training Programs, etc.
- Updated Manuals and operating instructions relating to Business Process Re-engineering (BPR) units.
- Delegation of Financial powers, which details sanctioning powers of various levels of officials for different types of financial and non-financial transactions.
- Training of staff-Inputs on Operational Risk is included as a part of Risk Management modules in the trainings conducted for various categories of staff at Bank's Apex Training Institutes and State Bank Institute of Learning and Development.
- Insurance cover is obtained for most of the potential operational risks excluding frauds, as per Bank's policy on insurance.
- Internal Auditors are responsible for the examination and evaluation of the adequacy and effectiveness of the control systems and the functioning of specific control procedures. They also conduct review of the existing systems to ensure compliance with legal and regulatory requirements, codes of conduct and the implementation of policies and procedures.

- In order to ensure business continuity, resumption and recovery of critical business process after a disaster, the Bank has robust Comprehensive Business Continuity and Operational Resilience Policy and Business Continuity and Operational Resilience Manual in place.
- Stringent Implementation of vacation policy.

#### **Domestic Non-Banking and Overseas Banking entities**

### **C. The scope and nature of Risk Reporting and Measurement Systems**

- A system of prompt submission of reports on Frauds is in place in all the Group entities.
- A comprehensive system of Preventive Vigilance & Whistle Blowing has been established in all the Group entities.
- Significant risks thrown up in RCSA exercise at all Branches, Scenario Analysis and Loss Data/ NMEs analysis are reported to Top Management at regular intervals and corrective actions are initiated on an ongoing basis.
- Basic Indicator Approach with capital charge of 15% of average gross income for previous 3 years is applied for Operational Risk, except Insurance Companies, for the year ended 31<sup>st</sup> March 2025.
- RBI has issued Master Guidelines on 26<sup>th</sup> June 2023 for implementation of revised Basel III Standardised Approach (SA) and proposed to replace all existing approaches for calculating Operational Risk capital. However, the effective date of implementation of these directions shall be communicated subsequently by RBI. Until then, the minimum operational risk regulatory capital requirements shall be computed as per Basic Indicator Approach (BIA) in accordance with the instructions contained in 'Master Circular – Basel III Capital Regulations' issued vide RBI circular dated 1<sup>st</sup> April 2025, as amended from time to time.

## DF-9: INTEREST RATE RISK IN BANKING BOOK (IRRBB)

As on 31.03.2025

### 1. Qualitative Disclosures

Interest rate risk refers to impact on Bank's Net Interest Income and the value of its assets and liabilities arising from fluctuations in interest rate due to internal and external factors. Internal factors include the composition of the Bank's assets and liabilities, quality, maturity, existing rates and re-pricing period of deposits, borrowings, loans and investments. External factors cover general economic conditions. Rising or falling interest rates impact the Bank depending on whether the Balance Sheet is asset sensitive or liability sensitive. The Bank identifies the inherent risks associated with the changing interest rates on its on-balance sheet and off-balance sheet exposures in the banking book from both a short-term and long-term perspective.

#### 1.1 Structure and organisation

The Asset-Liability Management Committee (ALCO) is responsible for evolving appropriate systems and procedures for ongoing identification and analysis of Balance Sheet risks and laying down parameters for efficient management of these risks through ALM Policy of the Bank. ALCO, therefore, periodically monitors and controls the risks and returns, funding and deployment, setting Bank's lending and deposit rates, and directing the investment activities of the Bank. The Risk Management Committee of the Board of Directors (RMCB) oversees the implementation of the system for ALM and reviews its functioning periodically and provides direction. It reviews various decisions taken by ALCO for managing interest rate risk.

#### 1.2 Scope and nature of risk reporting and measurement systems

RBI has stipulated monitoring of Interest Rate Risk at monthly intervals through a Statement of Interest Rate Sensitivity under Traditional Gap Analysis (IRS-TGA). Accordingly, ALCO reviews IRS-TGA on monthly basis and monitors the Earnings at Risk (EaR) which measures the change in Net Interest Income of the Bank due to parallel change in interest rate on both the assets & liabilities.

RBI has also stipulated to estimate the impact of change in interest rates on economic value of Bank's assets and liabilities through Interest Rate Sensitivity under Duration Gap Analysis (IRS-DGA), which Bank carries out on monthly basis. The impact of interest rate changes on the Market Value of Equity is monitored through IRS-DGA by recognising the changes in the value of assets and liabilities by a given change in the market interest rate. The change in value of equity (including reserves) with 2% parallel shift in interest rates for both assets and liabilities is estimated.

**EaR:** The immediate impact of changes in interest rates is on Bank's earnings through changes in its Net Interest Income (NII). EaR is useful in calculating the impact of the change in interest rate on the NII for a shorter period of time (impact over a one-year period). The EaR computations include the banking book as well as the trading book.

**MVE:** A long-term impact of changes in interest rates is on Bank's Market Value of Equity (MVE) or Net Worth through changes in the economic value of its liabilities and off-balance sheet positions. Although these changes in value do not pass-through earnings, they have a bearing on Bank's capital position.

The Bank uses MVE approach as part of a framework to manage IRRBB for its domestic and foreign operations. Impact on MVE is assessed for the overall Bank and Banking Book separately. In order to effectively monitor and manage IRRBB, the ALM Policy stipulates separate MVE limits for overall Bank and Banking Book.

#### 1.3 Policies for hedging and mitigating risk

The Bank has a policy for undertaking hedge transactions. Depending on the underlying and prevailing market conditions, the Bank enters into hedge transactions for identified assets or liabilities. Derivative instruments like Interest Rate Swaps, OIS, Forward Rate Agreements and Cross Currency Swaps are used as a hedging technique by the Bank.

## 2. Quantitative Disclosures (for State Bank Group) (March 2025)

**2.1** The following table sets forth, estimated impact on NII due to changes in interest rates on interest sensitive positions as on 31<sup>st</sup> March 2025, assuming a parallel shift in the yield curve.

### Earnings at Risk (EaR)

## DF-10: GENERAL DISCLOSURE FOR EXPOSURE RELATED TO COUNTERPARTY CREDIT RISK

As on 31.03.2025

### Qualitative Disclosure:

Counterparty Credit Risk (CCR) is the risk that the counterparty to a transaction would default before the final settlement of the transaction's cash flows. An economic loss would occur if the transactions with the counterparty have a positive economic value at the time of default.

For mitigating the Counterparty Credit Risk, the Bank has adopted the following processes:

- Credit Risk Management Department (CRMD) of the Bank sets the maximum Permissible Global Exposure Limit (PGEL) for counterparty exposure on Domestic Banks, Foreign Banks, Development Financial Institution, Primary Dealers, Qualified Central Counterparties, Small Finance Banks & Payment Banks.
- CRMD uses scoring models for setting the Permissible Global Exposure Limit (PGEL) for counterparty exposure.
- PGELs are allocated to all business units, viz., CAG, CCG, RB&O, Global Markets & IBG, who in turn allocate the limits among various operating units under their respective control.
- In addition to the above, the Bank has put in place various Policies and Manuals viz., Trading Policy, Market Risk Management Policy, Market Management Manual, Forex Trading Manual, Derivative Trading Manual etc. for managing Counterparty Credit risk in the Bank.

Chairman

Dear Shareholder,

## Green Initiative in Corporate Governance

In accordance with the SEBI guidelines, the Bank is issuing Annual Report in electronic form to those shareholders whose e-mail addresses are available.

Your Bank invites you to participate in the Green Initiative by enabling to communicate with you through electronic mode i.e. e-mail. It will not only contribute to conservation of environment, but also bring in better efficiency in communication by obviating transit delays and losses. We request you to join us in this initiative by updating your email IDs with your Depository Participant, if your shareholding is in demat form. Shareholders holding shares in physical form shall have to send their updated information / changes to the Registrar & Transfer Agent (RTA), KFin Technologies Limited through email to [einward.ris@kfintech.com](mailto:einward.ris@kfintech.com)

Further, while most of you hold shares of your Bank in demat form, some of you are still retaining the shares in physical form. SEBI has banned transfer of securities in physical form w.e.f. 1<sup>st</sup> April 2019. The Shares held by you in physical form can be easily dematerialised i.e converted into electronic form. The various benefits derived out of dematerialisation of shares are:-

- Immediate transfer of securities.
- Reduction in risks associated with holding securities in paper form such as theft, damage due to fire, wear & tear, fake / forged securities etc.
- Change in address recorded with DP gets registered electronically with all companies in which investor holds securities
- Eliminating the need of correspondence with each Company separately.
- Transmission of securities is done by DP eliminating correspondence with each Company
- Holding investments in equity, debt instruments and Government securities in a single account.
- Automatic credit into the demat account, of shares, arising out of bonus/ split/ consolidation/ merger etc;

If you are holding shares in physical form, please approach any Depository Participant (DP) (like SBICAP Securities Limited, phone no-022-68545555, email - [helpdesk@sbicapsec.com](mailto:helpdesk@sbicapsec.com)) of your choice for opening the Demat account. Fill in the Demat Request Form (DRF) and handover the shares certificate(s) of face value of ₹1 to your DP for forwarding the same to the Bank's RTA for Dematerialisation. Shares will get converted into electronic form and will automatically be credited to your Demat Account.

If you are receiving dividend by way of dividend warrant, you are requested to furnish/ update bank account details with DP/RTA, as the case may be, to receive dividend directly in your bank account.

We are sure that you will appreciate the "Green Initiative" initiated by your Bank and hope that you will enthusiastically participate in the effort.

Kind attention of shareholders is drawn to Section 38A of the State Bank of India Act, 1955 inserted with effect from 15<sup>th</sup> September 2010 by the State Bank of India (Amendment) Act, 2010. As per the said section, dividend declared by the State Bank of India which has not been paid to a shareholder or claimed by any eligible shareholder, within thirty days from the date of declaration shall be transferred to a special account called as "unpaid dividend account". Further, all unpaid dividend amount for period prior to the above amendment was already transferred to the said "unpaid dividend account." Any money transferred to the unpaid dividend account of the State Bank of India as above which remains unpaid or unclaimed for a period of seven years from the date of such transfer shall be transferred by the Bank to the Investor Education and Protection Fund established under Section 125 of the Companies Act, 2013, for being utilised for the purpose and in the manner specified in that section. In view of the above, shareholders are requested to ensure that unclaimed / unpaid dividend if any, is claimed without any delay.

#### For urgent attention of our Shareholders -

- SEBI has mandated that transfer/sale of securities held in physical form shall not be processed unless the same are held in dematerialised form with a depository. This implies that shareholders will not be able to transfer/sell the shares held in physical form. Such shareholders are requested to dematerialise their shares at the earliest to avoid risk as well as reap the multiple benefits of dematerialisation.
- Please also note that ₹1 face value share certificate was sent to the concerned physical shareholders pursuant to stock split by the Bank on 22<sup>nd</sup> November 2014 and to the erstwhile Associate Banks physical shareholders in April 2017, upon merger of these Banks with SBI. The same is required/valid for dematerialisation. In case, ₹1 face value share certificate is not available, please contact Bank's RTA.
- Physical shareholders are also requested to update, detail of PAN, KYC including E-MAIL, CONTACT No., BANK ACCOUNT and NOMINATION, by submitting forms ISR-1, ISR-2 and SH-13 to the Bank's RTA whose address is given hereinabove.** Demat shareholders are requested to update the same with their DP.
- As you might be aware that dividend which remains unclaimed for seven years, is required to be transferred to IEPF, therefore, please claim your dividend by sending claim to Bank's RTA, if unpaid, for the period from FY2016 onwards (Note: SBI has not declared any dividend during the FYs 2017-18, 2018-19 and 2019-20). For earlier periods, same may be claimed from IEPF, as the unclaimed dividends of earlier periods has been transferred to IEPF.
